Dear colleagues

We warmly welcome you to the 3rd Annual Conference of Movement Disorders Society of India - MDSICON 2018, which will be held from 19th to 21st Jan 2018 at Hotel Taj Krishna, located in the heart of Hyderabad- city of Nizam's, pearls and smiles.

The science of movement disorders is expanding rapidly. A journey from basics to the most recent therapeutic drug approved, this 3 day conference strives to provide a bird's eye view on the pathophysiology, clinical features and management of movement disorders. In this endeavor we are fortunate to have a panel of International and National speakers who will share their experience and expertise.

The conference will be valuable for neurologists, neurosurgeons, psychiatrists, neuroscientists, physicians and research scholars interested in movement disorders as well as residents from neurology and psychiatry, from India and abroad.

The conference will include cutting edge scientific symposia, the mesmerizing movement disorder Video Akhada, workshops on Botulinum toxin and Deep Brain Stimulation and more. It offers a platform to present your valuable research in award and free paper sessions, knowledge video café and walking posters sessions.

We cordially invite you to participate in this conference and send in your abstracts for poster/platform/video sessions. Best presentations will be awarded prizes. We are sure you will have a wonderful, fruitful and memorable stay at Hyderabad.

Looking forward to your presence at MDSICON -2018.

Warm personal regards

Rukmini Mridula Kandadai
