

2019 Leading Edge Urology

51st Duke Urologic Assembly and Urologic Cancer Symposium

March 28–31, 2019 | Disney's Grand Floridian Resort & Spa

COURSE OVERVIEW

Enjoy networking opportunities with colleagues and fellow alumni while creating magical memories at the 51st Duke Urologic Assembly! We have assembled an outstanding roster of Duke Alumni, Faculty, and National Leaders participating in a comprehensive scientific program that provides effective and efficient evidence-based information and resources for the diagnosis and treatment of urologic conditions to the healthcare provider/team specializing in and treating urologic and urologic oncology conditions and diseases.

Healthcare professionals attending this symposium will be engaged through interactive talks, supplemented with video surgical presentations, interactive case presentations, and panel discussions on the latest evidence-based clinical approaches to managing a wide range of urologic conditions.

LEARNING OBJECTIVES

- Apply effective and efficient diagnosis and treatments in the sub-specialties of urology and urologic oncology
- Analyze new technologies and therapies to provide the utmost, least invasive care to patients
- Evaluate and outline management options for the various urologic conditions
- Choose appropriate patients for minimally invasive surgical approaches
- Distinguish various surgical approaches and compare their effectiveness and safety profiles
- Develop collaboration between urologists, genitourinary oncologists, and radiation oncologists for patient care from diagnosis to management

COURSE DESCRIPTION

Victorian elegance meets modern sophistication at **Disney's Grand Floridian Resort and Spa**. Relax in the lobby as the live orchestra plays ragtime, jazz and popular Disney tunes. Unwind outdoors, indulge in a luxurious massage and watch evening fireworks light up the sky over Cinderella Castle. Just one stop to the *Magic Kingdom Park* on the complimentary Resort Monorail, this timeless Victorian-style marvel evokes Palm Beach's golden era.
