Who Should Attend?

The PAGS annual CME conference is designed for obstetricians/gynecologists, second, third and fourth-year residents in OB/GYN, as well as sub-specialty fellows and Advanced Practice Clinicians. Residents and Advanced Practice Health Clinicians are welcome at reduced rates.

PAGS ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Global Academy for Medical Education, Inc. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this Live Activity for a maximum of 28.5 AMA PRA Category 1 Credits™. Offering 20 AMA PRA Category 1 Credits™ for the conference sessions and 8.5 AMA PRA Category 1 Credits™ for the optional hands-on workshop. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Learning Objectives

Upon completion of this 2.5 day educational conference, participants should be able to:

- Apply anatomic and physical principles to the treatment of pelvic disorders.
- Analyze to avoid and to appropriately manage surgical complications.
- Apply techniques and principles in surgery from hands-on experience.
- Update the treatment for several difficult quality-of-life disorders.
- Demonstrate how best to choose the appropriate route of surgery for myomectomy, endometrial hyperplasia, hysterectomy, pelvic floor repair and vaginal hysterectomy with oophorectomy.
- Explain tissue extraction/retrieval techniques.
- Discuss nuances, indications and techniques for single port and vaginal hysterectomy and "conventional" laparoscopy vs. robotic surgery.
- Explain the role and cost of hysteroscopic surgery, including hysteroscopic sterilization techniques.
- Identify and manage breast lumps in women of different age groups.
- Develop awareness of current and gynecologic oncology practices.
