Time: 12 hours
8 hours of presentation and
4 hour of preparation and post test

CEU

SUMMARY: Of the 150,000+ physical therapists in the United States, only 14,392 have attained Board Certification. The Orthopedic Clinical Board Certification (OCS) is a rigorous examination that covers a very broad spectrum of orthopedic physical therapy topics. Dr. Eric Wilson has been teaching the ***OCS Prep Course*** for over 20 years and past participants have posted an impressive 88-90% pass rate. In this webinar series, Dr. Wilson will provide a final "tune-up" review that hits upon commonly asked questions and topics for the OCS exam. He will also field questions and provide advice on final examination preparations. This Webinar series is a must-have for physical therapists taking the OCS Exam in this year.

PRESENTER: Dr. Eric Wilson, PT, DSc, DPT, OCS, SCS, NASM-PES, CSCS, FAAOMPT is one of just a handful of PTs in the nation to attain dual board certifications as well as the FAAOMPT credential and is a nationally renowned lecturer and clinical educator. He has published in numerous peer-reviewed periodicals, published chapters in textbooks, and spoken at State and National Conferences. As a former SCS Exam question-writer, Dr. Wilson understands how question-writers review the literature for questions as well as how these very difficult questions are designed.

FORMAT: This is a 12-hour course equivalent to 1.2 CEUs offered as a live webinar. Instructors present this course content via an internet website displaying real time power points. Learners will receive a PDF of the course materials before the event. Instructors lecture through a phone conference call connection or your computer if you have audio capability on your computer. Questions may be asked during the webinar using the chat feature or the "raise hand" feature for live discussion.

PT CEU's Motivations Inc is an approved provider of Physical Therapy continuing education by these professional bodies: Texas Chapter of the American Physical Therapy Association, ILDPR- Illinois Department of Professional Regulation Approved PT CE Sponsor, NY- New York State Education Department, Office of the Professions. Physical Therapy Board of California. Many state boards recognize these for pre-approval purposes. Contact us if you would like verification for your state.

AGENDA:

Pre Study: Plan to read the course materials, references and review the post test before the start time. Also please be prepared to share patient case study related question during the discussion time. (Allow 30 minutes for these study tasks)

Post test: Research, identify, and submit your post test question answers on the online form. This is an open book test you can take multiple times if needed to obtain the 70% score (Allow 30 minutes for these completion tasks)
