

3rd ANNUAL
EUROPEAN
MICROBIOME
CONGRESS

*"A real state of the art update
of a rapidly changing and
exciting area."*

- Consultant General, Vale Healthcare

27-29 November 2017
Millennium Mayfair, London, UK

Translating Academic Research into
Clinically and Commercially Viable Therapeutics

KEY INFORMATION

-  **200+** DELEGATES
-  **50:50** RATIO OF
ACADEMICS - INDUSTRY
-  **5+** MICROBIOME
NICHES COVERED
-  **40+** LEADING
TOP SPEAKERS
-  **10** HOURS OF
DEDICATED NETWORKING
-  **1** DEDICATED POSTER SESSION
for successful poster applicants
-  **5** 'RISING STAR' TRAVEL GRANTS

THE MICROBIOME PORTFOLIO

**ANIMAL MICROBIOME
CONGRESS**
30th - 31st October 2017,
LONDON

**HUMAN
MICROBIOME
CONGRESS 2018**

**HUMAN
MICROBIOME CONGRESS**
6th-8th FEB 2018,
SAN DIEGO

 **MICROBIOME
INVEST**

MICROBIOME INVEST
30th-31st MAY 2018,
LONDON

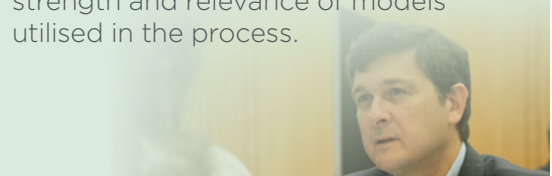

UNPUBLISHED DATA FROM OVER FIVE KEY MICROBIOME NICHES: GUT, LUNG, ORAL, VAGINAL, AND SKIN.

Engage with the latest pivotal research from the leading academics and industry in the microbiome field.

TRANSLATION OF RESEARCH INTO CLINICALLY VIABLE THERAPEUTICS

The objective is no longer just defining the structure and diversity of the microbiome, but rather, overcoming the barriers to translation of research into commercially and clinically viable therapeutics, and understanding the strength and relevance of models utilised in the process.

KEY TOPICS

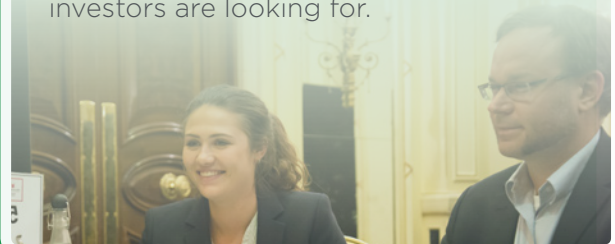

HOW TO DESIGN EFFECTIVE CLINICAL TRIALS

With an increase in clinical trials assessing the safety and efficacy of novel therapeutics, it is more important than ever to be able to design an effective trial. Learn from the lessons of experts who have created effective clinical trial protocols.

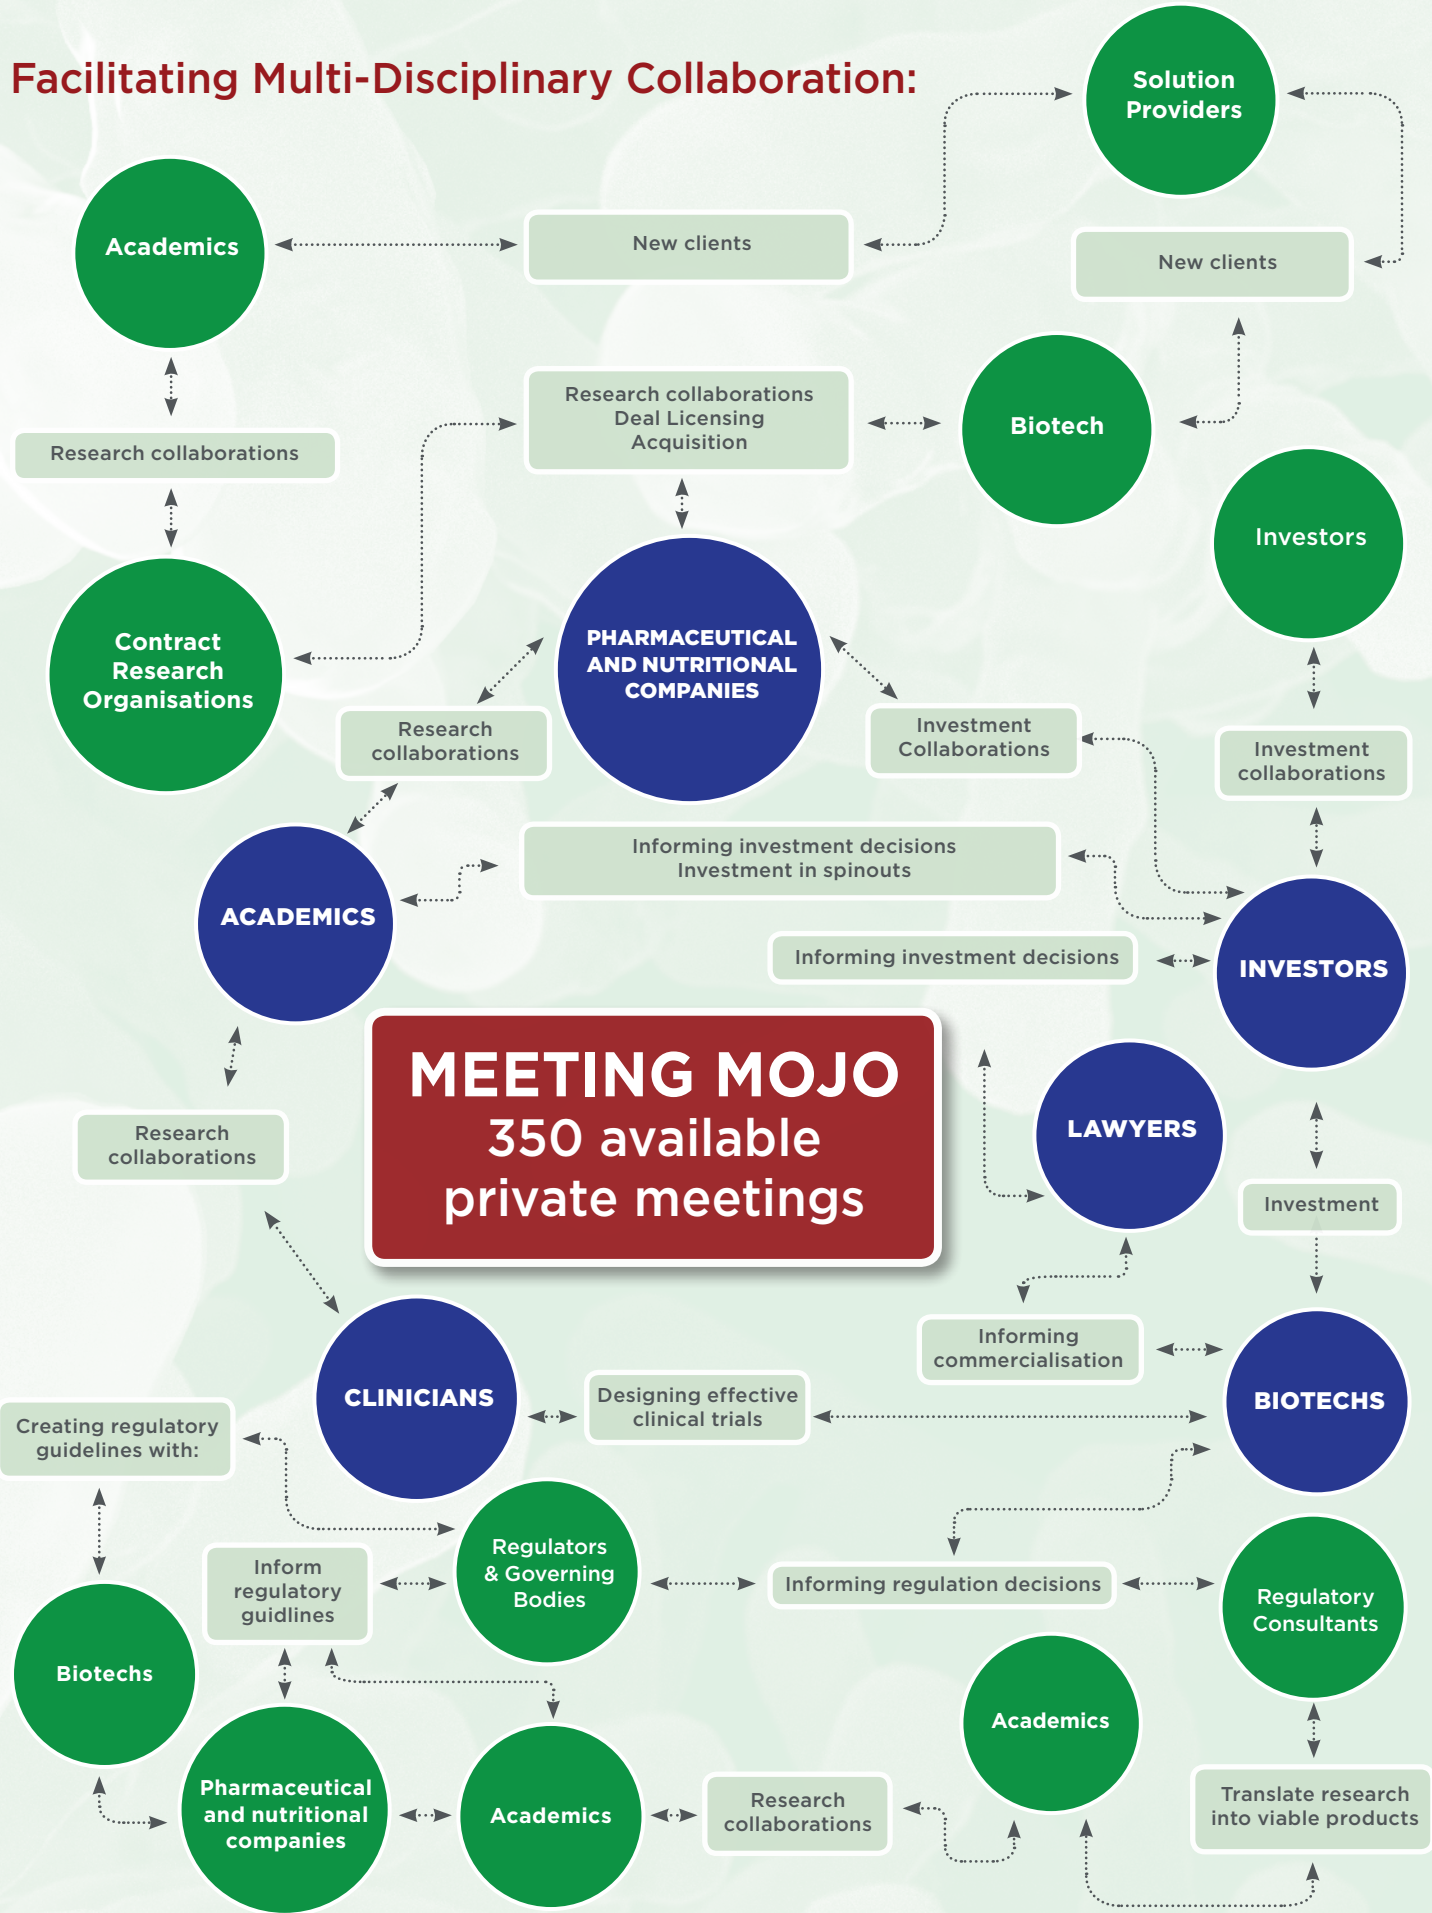

COMMERCIALISING THE MICROBIOME

Moving closer to clinical implementation of microbiome based solutions has made it necessary to explore commercialising the microbiome: presenting opportunities for academic – industry collaborations, turning IP into a viable business; and analysing what investors are looking for.

CONGRESS CHAIRS

Joseph Sliman
Synthetic Biologics

Gregor Reid
Western University

Our early confirmed speakers include:

Dr Trevor Lawley
Group Leader
Host- Microbiota
Interactions Laboratory
Wellcome Trust
Sanger Institute

Professor Tim Spector
Professor of Genetic
Epidemiology
Kings College
London

Professor Max Nieuwdorp
Professor of internal
medicine and diabetes
AMC Amsterdam

Céline Druart
Assistant Researcher,
Metabolism and Nutrition
Research Group
Louvain Drug
Research Institute

David Kyle
CEO
Evolve Biosystems

Marie Drago
Founder
Gallinee

Shannon Doyle
Founder
SmartFLora

Jean de Gunzburg
CSO
Davoltera

Dr David Cook
Chief Scientific Officer
Seres

Dr Larry Weiss
Chief Medical Officer
AOBiome

Arpita Maiti
Senior Director, External
R&D Innovation,
Inflammation &
Immunology and
Microbiome
University of Oxford

Professor Gregor Reid
Professor of
Microbiology and
Immunology
and Surgery
Western University

Professor Curtis Huttenhower
Associate Professor of
Computational Biology
and Bioinformatics
Harvard School of
Public Health

Professor Jeroen Raes
Group Leader,
Bioinformatics & (eco-)
Systems Biology, VIB
KULeuven

Denise Kelly
Investment Advisor
Seventure Partners

Prof. Dr. Michael Schlöter
Head of the Research
Unit for Comparative
Microbiome Analyses
Helmholtz Zentrum
München

Professor Julian Marchesi
Professor of Human
Microbiome Research
Cardiff University

Mike Romanos
CEO
Microbiotica

Johan van Hylckama Vlieg
Vice President
Microbiome & Human
Health Innovation
Chr. Hansen A/S

Nicola Segata
Principle Investigator,
Computational
Metagenomics Lab
University of Trento

Professor David Berry
Associate Professor,
Microbial Ecology
University of Vienna

Dr James Kinross
Senior Lecturer in
Colorectal Surgery
Imperial College
London

VENUE & ACCOMMODATIONS

Millennium Mayfair Hotel

Grosvenor Square
London W1K 2HP

Kisaco Research is pleased to offer attendees of The European Microbiome Congress a discounted £195 (excl vat) rate including breakfast at the Millennium Mayfair Hotel during the duration of the event.

TO BOOK ACCOMMODATION

Telephone: 0044 (0) 207 629 9400 quote KISA261117 when booking.

Email: reservations.mayfair@millenniumhotels.co.uk quote KISA261117 when booking.

Cut off date for rooms is 29 October 2017

Pricing Information

PASS TYPE	EARLY BIRD 1 Pricing through 1st Sept	EARLY BIRD 2 Pricing through 6th October 2017	STANDARD PRICING
Academics, Clinicians, Students & Post-Doctoral Researchers	£695 + VAT	£795 + VAT	£995 + VAT
Pharmaceutical And Biotech	£1395 + VAT	£1695 + VAT	£1995 + VAT
Service Providers, Vendors	£1,695 + VAT	£1995 + VAT	£2295 + VAT
Poster Session	£50

Industry Rates Only: Team discounts cannot be combined with any other discount or offer

Book a Team of 3+	Save an Additional 10% Off
Book a Team of 5+	Save an Additional 15% Off

Payment Terms for the Microbiomes Conference:

- Please note that a £49 processing fee will apply to any invoices requested.
- * You must email us a signed letter from the Hospital / Clinic Supervisor or University / Laboratory with confirmation of your status upon payment
- All Prices are in GBP
- All Early Bird discount prices, including Group Discounts, must be paid in full by deadlines provided above.
- All discount offers cannot be combined with any other offer.
- Please view our Cancellation Policy.
- All Price exclude GB VAT of 20% - GB201759917

Dedicated Poster Session

If you are looking to highlight your recent work to the wider microbiome community, the dedicated poster session is a great way to get your research noticed and further involve yourself with the congress.

To present a poster, please register as a delegate. Poster space is assigned on a first come, first served basis. Your presentation will be displayed in a dedicated poster area. The Congress also charges an admin fee for industry delegates towards the various cost involved in producing the poster session. Academic delegates can present for free.

TO SUBMIT: Email events@kisacoresearch.com for the submission form. All forms must be submitted by 14th November.

TRAVEL GRANTS: The Congress is offering £200 to five young researchers who submit posters of exceptional quality to cover travel costs to the Congress. In order to be considered for these awards, please submit your poster before 31st October.

Interested in Brand Solution Opportunities?

Far from the typical 'meet-and-greet' exhibition experience, you – as a sponsor or exhibitor – will be positioned as a partner of the event with a focus on the benefits of your product and brand, rather than just a name on an exhibition list. With our extensive marketing experience and strategy, your partnership with the conference will grant you a sponsorship package that is an extension and enhancement of your current marketing and branding efforts. Ask us about the different ways you can get involved. **Contact Mark Gavhure to find out more about each package by emailing at events@kisacoresearch.com or by calling +44 (0)20 3696 2920.**
