Dear Fellow Colleagues,

On behalf of the scientific committee, we are delighted to invite you to take part in the 3rd edition of **International Multidisciplinary Breast Conference**, co-sponsored by the UAE Chapter of the American College of Surgeons and the American Society of Breast Surgeons that will be held on March 5-7, 2020 at Conrad Hotel, Dubai, UAE.

The event will once again take place in the context of very tangible advances made for breast cancer patients in prevention, diagnosis, treatment and survivorship that driven by research in recent years, emphasizing the successful application of a multidisciplinary approach.

The meeting will also promote breast sub-specialization among different medical specialties that deal with breast diseases. In addition to the one and half day comprehensive general sessions, there will be a pre-conference didactic course and oncoplastic hands on workshop – a first-of-its-kind workshop in the region.

The participation of world-renowned speakers as well as local experts in the field will ensure fruitful and productive lectures. This will be a platform for professional networking amongst global leaders from the United Arab Emirates and abroad.

I look forward to seeing you soon in Dubai.

Sincerely,

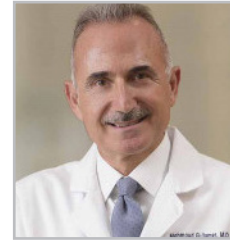

Prof. Safwan Taha, MD, FACS, FRCSGlasg
