

INFECTIOUS DISEASE MEDICINE FOR PRIMARY CARE

**Walt Disney World Resort, Florida – Disney's Grand Floridian Resort & Spa
June 22 – 24, 2018**

Participating Faculty

Steven M. Brown, MD

Fellow, American College of Chest Physicians
Medical Director
Lung Center of Milwaukee

Vincent P. Hsu, MD, MPH, FACP

Executive Director for Infection Prevention & Hospital Epidemiologist
Assistant Director, Florida Hospital Internal Medicine Residency
Florida Hospital
Orlando, Florida

John F. Toney, MD, FACP, FIDSA

Director of Healthcare Epidemiology, Antimicrobial Stewardship, and
Infectious Disease Clinical Research Programs
James A. Haley VA Hospital
Professor of Medicine
Division of Infectious Diseases and Internal Medicine
University of South Florida Morsani College of Medicine
Tampa, Florida

Steven M. Brown, MD

Fellow, American College of Chest Physicians
Medical Director
Lung Center of Milwaukee

Dr. Brown received his undergraduate degree from Princeton University, graduating Magna cum laude, and his medical degree from Yale University School of Medicine. He completed an internship and residency in Internal Medicine at Northwestern University in Chicago, followed by a fellowship in Pulmonary Medicine at New York University Medical Center.

Dr. Brown is a member in several professional societies including the American Thoracic Society, the National Sleep Foundation, and the American Association of Cardiovascular and Pulmonary Rehabilitation. He is board certified in Internal Medicine and Pulmonary Medicine. Dr. Brown was awarded the Alfred Richman Award, American College of Chest Physicians in 1981. He has been involved in numerous publications and presentations.

Vincent P. Hsu, MD, MPH, FACP

Executive Director for Infection Prevention & Hospital Epidemiologist
Assistant Director, Florida Hospital Internal Medicine Residency
Florida Hospital
Orlando, Florida

Dr. Vincent Hsu is the Hospital Epidemiologist and Executive Director for Infection Prevention at Florida Hospital in Orlando. He also serves as an Assistant Director for the Florida Hospital Internal Medicine Residency Program with faculty appointments from the Colleges of Medicine of both Florida State University and the University of Central Florida. After obtaining his medical degree from Loma Linda University School of Medicine, he completed his residency in Internal Medicine at Legacy Good Samaritan and Emanuel Hospitals in Portland OR. He continued with fellowship training in Infectious Diseases at the University of Southern California, and obtained a Master of Public Health at UCLA. He spent three years at the Centers for Disease Control and Prevention as an Epidemic Intelligence Officer participating in investigations into the 2001 anthrax attacks and 2003 SARS epidemic, with an emphasis on international outbreaks and public health research.

Dr. Hsu is a Fellow of the American College of Physicians, is board-certified in Infectious Disease and Preventive Medicine, and has published in several peer-reviewed journals. Dr. Hsu's areas of interest include prevention of hospital-associated infections, hospital preparedness for seasonal and pandemic influenza and strategies to improve patient safety.

John F. Toney, MD, FACP, FIDSA

Director of Healthcare Epidemiology, Antimicrobial Stewardship, and
Infectious Disease Clinical Research Programs

James A. Haley VA Hospital

Professor of Medicine

Division of Infectious Diseases and Internal Medicine

University of South Florida Morsani College of Medicine

Tampa, Florida

Dr. Toney is the Director of Healthcare Epidemiology, Antimicrobial Stewardship, and Infectious Diseases Clinical Research Programs at the James A. Haley Veterans' Administration Hospital in Tampa, Florida and Professor of Medicine in the Division of Infectious Disease and International Medicine, Department of Internal Medicine at the University of South Florida Morsani College of Medicine. His research interests include investigational anti-infectives and investigational vaccines. He has over 25 years of national and international experience with STD and HIV training including Founding Medical Director of the Southeast Region STD/HIV Prevention Training Center created in 1988; the Center participated as one of the CDC National Network of STD/HIV Prevention Training Centers from 2000-2011.

Internationally, Dr. Toney has participated in clinical STD and HIV training in India annually in 2006-2009 in conjunction with USF College of Medicine and College of Public Health CHART-India program. He has participated in over 100 publications and abstracts; he has been the Primary Investigator or Co-Investigator in over 90 clinical trials.

Dr. Toney received his Medical Degree as a member of the Charter Class from the Marshall University School of Medicine, Huntington, West Virginia, in 1981 and completed his Residency in Internal Medicine and Fellowship in Infectious Diseases at the USF College of Medicine. He is board certified in infectious diseases and internal medicine and a Fellow of both the American College of Physicians and the Infectious Diseases Society of America. He is also a past President of the Florida Infectious Diseases Society.

Friday, June 22nd:

7:30 am – 8:00 am

Registration and Hot Breakfast

8:00 am – 9:00 am – John F. Toney, MD, FACP, FIDSA

Bone and Joint Infections

Presentation on the most important syndromes and pathogens involved in bone and joint infections – e.g., osteomyelitis, septic arthritis, bursitis, prosthetic joint infections and others – including related diagnostic, therapeutic and prevention pearls.

9:00 am – 10:00 am – John F. Toney, MD, FACP, FIDSA

Immunizations: Update 2018

Presentation on key vaccine preventable diseases and their presentations with an emphasis on the latest recommendations including newest schedules, safety and efficacy information

10:00 am – 10:10 am

Coffee Break

10:10 am – 11:00 am – Steven M. Brown, MD

Emerging Infectious Diseases

Novel influenza viruses, resurgence of vaccine-preventable diseases, zoonoses and disease related to animal exposures (including vectors such as mosquitoes that bear west Nile virus and dengue), bioterrorism and food/waterborne illness

11:00 am – 11:50 am – Steven M. Brown, MD

Gastrointestinal Infectious and Clostridium Difficile

Presentation on important enteric pathogens and their recognition, diagnosis and management; special emphasis on clostridium difficile colitis and related updates from the ID and infection control literature

11:50 am – 12:40 pm – John F. Toney, MD, FACP, FIDSA

Case Presentations – Don't Miss It: Ambulatory Care Infectious Disease

Emergencies

Case-based interactive discussion around exemplary cases that addresses key diagnostic and management strategies for potentially emergent outpatient infectious disease challenges

12:40 pm

Session Adjourns

Saturday, June 23rd:

7:30 am – 8:00 am

Hot Breakfast

8:00 am – 9:00 am – John F. Toney, MD, FACP, FIDSA

Genitourinary Diseases: Update 2018

Presentation on a relevant and clinically practical approach to the patient with genitourinary complaints focusing on the latest guidelines for the range of urinary tract infections and highlights of selected and important sexually-transmitted disease syndromes.

9:00 am – 10:00 am – Steven M. Brown, MD

Case Presentations: Respiratory Tract Infections

A case-based interactive discussion highlighting critical points regarding the diagnosis and management of pneumonia and bronchitis – with a focus on the impact of multidrug resistant pathogens

10:00 am – 10:10 am

Coffee Break

10:10 am – 11:00 am – Steven M. Brown, MD

Evidence-based Healthcare-associated Infections

Presentation on important pathogens in the healthcare setting and related clinical, epidemiologic and infection control information (please note that the discussion on blood-borne pathogens will NOT suffice for standard hospital CME requirements for BBP training)

11:00 am – 11:50 am – Vincent P. Hsu, MD, MPH, FACP

Skin and Soft-tissue Infections

Presentation on important skin and soft-tissue infections and their prompt recognition, emphasizing evaluation and management strategies

11:50 am – 12:40 pm – Vincent P. Hsu, MD, MPH, FACP

Central Nervous System Infections

Presentation on common CNS infectious disease presentation and syndromes including basic epidemiology, diagnosis and treatment strategies

12:40 pm

Session Adjourns

Sunday, June 24th:

7:30 am – 8:00 am

Continental Breakfast

8:00 am – 9:00 am – Vincent P. Hsu, MD, MPH, FACP

Tuberculosis: What the Primary Care Clinician Should Know - 2018

2018 update on the basic epidemiology, microbiology, diagnosis, therapy and manifestations of TB including latent TB, drug-resistance and disease complications.

9:00 am – 10:00 am – Vincent P. Hsu, MD, MPH, FACP

Case Presentations: Infectious Disease Syndromes in the Special Host

Case-based interactive discussion involving important infectious disease syndromes in three special hosts: the diabetic patient, the HIV/AIDS patient and the pregnant woman

10:00 am

Conference Adjourns

Target Audience

This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives

Upon completion of this program, participants should be better able to:

- Discuss the most important approaches to the febrile patient with potentially life-threatening diseases in both hospital - and clinic-associated settings
- Discuss emerging infectious diseases including resurgence of vaccine-preventable diseases, zoonoses, and diseases related to animal exposures
- Diagnose and manage important infectious disease syndromes in a range of organ-based systems (CNS, respiratory, gastrointestinal, skin and soft-tissue, bone and joint)
- Identify the 2018 updates for immunizations, genitourinary infections (including selected sexually-transmitted diseases) and tuberculosis
- Describe important strategies for the evaluation of infections in immunocompromised hosts

Learning Outcome

To provide updates in primary care medicine to office based providers

Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

The **faculty** reported the following financial relationships with commercial interests whose products or services may be mentioned in this CME activity:

<i>Name of Faculty</i>	<i>Reported Financial Relationship</i>
Steven M. Brown, MD	No financial relationships to disclose
Vincent P. Hsu, MD, MPH, FACP	Consulting Fees: Merck (MSD vaccines), Pfizer (vaccines) Speakers' Bureau: Sanofi-pasteur
John F. Toney, MD, FACP, FIDSA	No financial relationships to disclose

The **content managers** reported the following financial relationships with commercial interests whose products or services may be mentioned in this CME activity:

<i>Name of Content Manager</i>	<i>Reported Financial Relationship</i>
MER content managers	No financial relationships to disclose
MER nurse planner	No financial relationships to disclose

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications on dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

All lectures incorporate time for questions and answers.

Due to last-minute updates by the faculty, flash drives may differ from the actual presentations.

Accreditation

Physician Accreditation

Medical Education Resources is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

Medical Education Resources designates this live activity for a maximum of 11 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians

This Live activity, *Infectious Disease Medicine for Primary Care*, with a beginning date of June 22, 2018 has been reviewed and is acceptable for up to 11 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association

These programs are approved for 11 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians

This program is approved by the American College of Emergency Physicians for a maximum of 11 hours of ACEP Category I credit.

Canadian Physicians

The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

American Academy of Physician Assistants

AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 11 hours of Category I credit for completing this program.

Nursing Accreditation

Medical Education Resources is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This CE activity provides 11 contact hours of continuing nursing education.

Provider approved by the California Board of Registered Nursing, Provider Number 12299, for 11 contact hours.

Pharmacy Accreditation

Medical Education Resources (MER) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. MER designates this continuing education activity for 11 contact hours (1.1 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: 0816-0000-18-061-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form. Certificates of credit will be provided at the conclusion of the activity. This activity is certified as Knowledge-based CPE.
