Associate Professor, Division of Pediatric Surgery

COURSE DESCRIPTION

The 45th Annual Postgraduate Course in Surgery is intended to update practicing surgeons on current topics, concepts, issues and problems relative to the broad field of general surgery. Guest faculty and MUSC faculty will conduct this course which is sponsored by the Department of Surgery, Medical University of South Carolina.

Participants will have the opportunity to interact with the course faculty through case presentations, panel discussions and during scheduled breaks.

OVERALL OBJECTIVES

At the conclusion of this conference you should be better able to:

- Formulate treatment and management plans for the broad area of general surgery and in GI, endocrine and breast cancer surgery.
- Implement strategies to prevent or minimize complications.

Specific learning objectives will be included in the online agenda beginning in February 2016.

ACCREDITATION

The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMERICANS WITH DISABILITIES ACT

Americans With Disabilities Act: It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in the continuing medical education activity, please call 843-792-4487 or attach a note to your registration.

DISCLOSURE STATEMENT

In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

SAM OFFERED FOR MOC

Self-Assessment Measurement questions will be sent at the end of each day. Attendees will have approximately two weeks to complete the assessment following the course. Once all questionnaires have been closed, participants will receive a certificate for their credit.

CME CREDIT

The Medical University of South Carolina designates this live activity for a maximum of 17.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING CREDIT

Most states accept CMEs that apply to specific nursing specialties as nursing continuing education. Please check with your respective State Board of Nursing to ascertain the equivalent number of contact hours offered for 17.75 AMA PRA Category 1 Credit(s)™.

SOCIAL ACTIVITIES

We are keeping all dinner and lunch times free of organized activities so that the participants may have the opportunity to enjoy Charleston's fine restaurants. Tours can be arranged through the hotel.

Refer to the 45th Annual Postgraduate Course in Surgery

The hotel is offering Single/Double Rooms for a discounted rate of \$239 per night plus tax. Our block of rooms has been reserved at this hotel until March 28, 2016, or until the room block is sold out. After the room block is filled, any available rooms can be reserved at the regular rate. Because of the unique appeal of Charleston, the area has become a very popular tourist travel destination. Therefore, we urge you to make your hotel accommodations immediately (please do not wait for your registration confirmation).

The hotel charges a daily parking rate of \$25.

ABOUT CHARLESTON

For the third year in a row, Travel + Leisure Magazine has designated Charleston the #1 travel destination in North America and in 2015 named Charleston the #2 travel destination in the world.

The natural beauty of Charleston is spectacular in the springtime. Glorious gardens, historic homes and churches overlook Battery Point and Charleston Harbor which are within walking distance of the DoubleTree Hotel. In addition to convenient access to many fine shops and restaurants, horse drawn carriage tours are also available just outside of the hotel.

This is the perfect time to enjoy our beautiful beaches and championship golf courses. Average temperatures for April and May are variable, with highs in the 70s and lows in the mid-60s. But, be prepared for warmer or cooler weather. Bring a sweater or jacket. (Not to mention, the conference room is often chilly!)

The DoubleTree Guest Suites feature the largest one or two bedroom suites in Historic Charleston. Located adjacent to Charleston's City Market, it is also steps away from famed restaurants, King Street boutiques, antebellum mansions, Rainbow Row, Waterfront Park, gardens, theaters, carriage rides and more.

PAST ATTENDEE TOP REASONS TO ATTEND THIS CONFERENCE:

- Location, location, location!
- Practical nature, everyday, bread-and-butter type topics with real-world updates.
- Exposure to practicing surgeons experienced in advanced, new techniques.
- Small personal group. Easy access to presenting speakers.
- Topics pertinent to my practice.
- Broad variety of clinical topics and excellent faculty.
- Candid discussions.
- Excellent course with excellent speakers!
