Executive and Leadership

NCAD is not only a clinical conference, but also offers dedicated sessions for owners and operators of treatment centers.

- A Strategic Communication Approach in Times of Crisis
- Sober Living Panel: Practice and Policy at the Eye of the Storm
- The Addiction Treatment Technology Conundrum, Presented by Credible Behavioral Health
- I Have the Best Admissions Team Ever, Presented by Dreamscape Marketing
- Are Treatment Centers Losing the Message Battle?
- The Challenge of Integrated Addiction Treatment: Treating the Person not the Payer, Presented by The Echo Group
- The Shift to Fee-for-Outcome: What Every Treatment Center Executive Needs to Know to Prepare

Marketing

NCAD has partnered with the Behavioral Health Association of Providers (BHAP) to bring you three days of education that will help you become a more effective, ethical treatment center marketer. The exclusive on-site training counts toward a specialized certificate program.

Continuing Education Credit hours will be available from CCAPP

Smart Approaches to Marijuana (SAM)

Wednesday, August 22, 2018, 8:30 AM - 5:30 PM

Project SAM’s leaders are among the world’s most prominent voices calling for science-based marijuana education and awareness. Among the speakers will be Kevin A. Sabet, PhD, director of the Drug Policy Institute at the University of Florida and co-founder of Project SAM, as well as author, consultant, advisor to three U.S. presidential administrations, and assistant professor. Join SAM for this full day of education with sessions on:

Legalization 5 Years Later • The How's and Why's of Fighting DUIs on the Roadways • High Means DUI, But Why Does It Matter? • Marijuana Cases from the Front Lines • Cannabis Use Disorder: Clinical Presentations, Interventions and Limitations

NOTE: This day-long Summit requires a separate registration.

THANK YOU TO OUR SPONSORS
