Physician Engagement Education Series: Hot Topics in Epilepsy for Children and Adults

Epilepsy Surgery

Release Date: September 15, 2016**Expiration Date:** September 15, 2018**Estimated Time of Completion:** 2 hours, 45 minutes

Description

Part of the Physician Engagement Education Series, **Hot Topics in Epilepsy for Children and Adults** webcasts feature a multidisciplinary team from Cleveland Clinic reviews epilepsy surgery, treatment and management, and new advancements.

Epilepsy Surgery webcast reviews successful re-operation after incomplete transsective hemispherectomy, surgical options for patients with complicated refractory focal epilepsy, and candidates for early epilepsy surgery.

Learning Objectives

Target Audience

This activity is intended for adult and pediatric epileptologists, neurologists, neurosurgeons, family

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this enduring material for a maximum of **2.75 AMA PRA Category 1 Credits** / Self-Assessment credits toward Part 2 of the ABS MOC Program. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council for Category 2 credit.

Maintenance of Certification

Course Self-Assessment towards Part 2 of the ABS MOC Program

Upon achievement of a score of 100% on the Self-Assessment towards Part 2 of the *American Board of Surgery Maintenance of Certification* Program, you will obtain your certificate of attendance.

Physicians are then able to add this completion to their American Board of Surgery portfolio online form. Participants will have an opportunity to review responses and retake questions.
