

**7<sup>th</sup> ANNUAL  
MEETING**

# Core Curriculum in Cardiac INTERVENTION

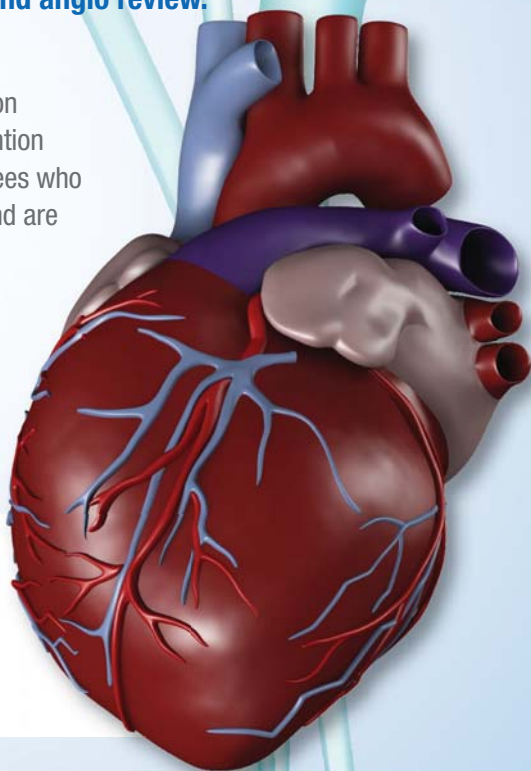

**Thursday 14th & Friday 15th April 2016**  
**The Queen's College, University of Oxford**

**A BCIS-endorsed course in Basic Coronary Intervention that  
will include lectures, simulator training and angio review.**

Organised on behalf of the Training and Education Committee of the British Cardiovascular Intervention Society, this course has been designed for trainees who have completed their core cardiology training and are planning a career in interventional cardiology.

**Organised by: Professor Adrian Banning  
and Professor Raj Kharbanda**

*This meeting is co-sponsored by  
BCIS and the British  
Cardiovascular Industry  
Association, whose members are  
Pharmaceutical and Healthcare  
Technology Companies*
