FireSky Resort & Spa Step through the sweeping front doors of FireSky Resort & Spa, and you're immediately enveloped by this cozy deluxe resort, "The Elements." Fire, water, earth, and air sumptuously blend to create a magical world of comfort and beauty. Guest rooms feature a patio or balcony plus fully-stocked honor bars with organic options, laptop safe, iHome docking station with alarm clock, iron/board, hairdryer, plush bathrobes and spa-inspired bath amenities, and more.

Scottsdale's filled with 330 days of sunshine, the pool at FireSky Resort & Spa is a great setting to soak up the sun. With two pools to choose from and a shady lagoon you can have a little of everything. Enjoy the action and family fun at the sandy beach pool, sneak away with your favorite book to one of your private sitting area by the lagoon, cuddle up at night by the torch-lit pools and nearby fire pits. Once you're fully rejuvenated, explore Old Town Scottsdale, the World-class golf courses, shopping, Scottsdale dining and art galleries.

When it's time to dine, Taggia serves breakfast, lunch, dinner and cocktails with Mediterranean-inspired simplicity and coastal Italian flair. Menu highlights include fresh fish flown in daily, cured meats, pastas and wood oven-fired pizzas, all prepared in a deliciously straightforward way. Acqua Bar, set amidst the pools and gardens offers a bevvy of drinks from the Morning After Mimosa to the Energizer (Finlandia Grapefruit Vodka and Red Bull) as well as a smattering of appetizers, salads, pizza and sandwiches.

The FireSky Resort & Spa is located about 12 miles from Phoenix's Sky Harbor International Airport (PHX).

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. NNAS/NWWT room rate includes complimentary internet access in guest room.

Daily resort fee is reduced to \$15 + 13.92%, per room, per day (from \$22 + tax) for those who book their room through NNAS/NWWT only.

Resort fee includes: Self and valet parking, Wi-Fi access throughout the resort (does not include the meeting room), s'mores to roast over fire pits, complimentary coffee and tea in hotel's living room each morning, seasonal favorite non-alcoholic beverage available all day in the living room and at Paradise pool, and access to the 24-Hour fitness center and business center. **Resort fee inclusions subject to change without notice.**

Run of House Room:
Single/Double Occupancy: **\$209** Triple Occupancy: **\$224** Quad Occupancy: **\$239**
• 1 King bed or 2 Queen beds
• Due to fire codes, rollaway beds are only allowed in rooms with one King bed.

DEPOSIT REQUIRED: First night's deposit within 10 days of booking required to hold your room. Rooms are limited and available only through Northwest-Worldwide Travel. Rate and availability not guaranteed until deposit received.

CANCELLATIONS: Cancellations of room reservations accepted until 6 days prior to arrival. Early departure fee applies if checkout prior to reserved departure date. Travel insurance is recommended.

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, CRNAs, physician assistants, registered nurses, and other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 CEC; AANA Code #1031976; Expiration date 5/14/16.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NNAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

“ Outdoor activities beckon, whether you're looking for an energizing desert hike, a thrilling off-road tour. ”

Scottsdale Located in the beautiful Sonoran Desert, Scottsdale, Arizona is bordered by Phoenix to the west and the McDowell Mountains on the east. Scottsdale has you covered with age-appropriate activities and attractions that everyone will enjoy. Exciting desert adventures, hands-on museum exhibits, and kid-friendly restaurants are ready to be added to your itinerary.

Saddle up for an adventure with horseback riding excursions, head over to Rawhide Western Town and Steakhouse for a variety of Old West-inspired fun like quaint souvenir shops and an authentic Blacksmith, live-action stunt shows and shoot-outs, and cowboy tunes in the saloon. Golf lovers will find more than 200 courses in the city and surrounding area. Outdoor activities beckon, whether you're looking for an energizing desert hike, a thrilling off-road tour, or tracks that will put your bike handling skills to the test. Scottsdale's McDowell Sonoran Preserve, in the city's northern reaches, is the largest urban wilderness area in the United States and features more than 60 miles of trails through diverse and scenic desert terrain.

Downtown Scottsdale is the ultimate destination for visitors to enjoy art galleries, specialty retail, dining venues that range from casual to upscale, southwestern cultural attractions and an extraordinary nightlife. Country roots still run deep, even beyond the cowboys, ranchers and farmers that swept into town in the late 1800s. Acclaimed chefs create bold flavors that flirt with your taste buds at more than 600 restaurants serving up regional and global specialties. Sophistication and robust wine lists top it all off with fabulous al fresco dining. No matter what type of cuisine you're craving, you'll find plenty of flavors to savor. Scottsdale's shopping scene is bursting with magnificent malls, designer boutiques and out-of-the-way gems that are ideal for indulging in some well-deserved retail therapy.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel1.com

Baltimore, Maryland

Course Registration		11MAY16 – 16MSA		
TUITION: In USD		MD/DO	CRNA/PA	RN/Others
Early	(Paid by 2/11/16)	\$900	\$850	\$750
Regular	(Paid after 2/11/16)	\$950	\$900	\$800
Daily: 1 st Day Attending		\$315	\$295	\$225
Additional Day(s)		\$220	\$210	\$200

PAYMENT METHODS:
Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NNAS.

SCHEDULE AND FACULTY CHANGES:
Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:
We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NNAS and NWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:
\$100 March 12, 2016 to April 11, 2016. No refund after April 11, 2016; however, 50% of tuition paid may be applied toward tuition for another NNAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):
FAP lets you accumulate points based on dollars spent with NNAS including net hotel and tuition booked through NNAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NNAS.

ERRONEOUS PRICING NOTICE:
Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
