DukeHealth

The Grove Park Inn Resort & Spa in Asheville, North Carolina is one of the American South's oldest and most famous grand resorts. Built in 1913 overlooking the Blue Ridge Mountains, the Inn is a favorite year-round destination. Its splendid views, old world charm, peerless amenities, long tradition of exceptional service and hospitality make it a place to savor as one of the most enduringly original and exciting resorts in America.

Amenities include golf, tennis, two pools, sports complex, 18-station Paramount fitness center, shops, fine dining and children's programs and the finest spa in North America with over 40,000 square feet dedicated to your relaxation.

Guest rooms in the Historic Main Inn are newly refurbished and contain original solid oak furnishings. Guest rooms in the Sammons and Vanderbilt wings are more spacious than those in the historic Main Inn. Additional features include CD stereo players, refrigerators, microwaves, coffee makers, irons and ironing boards, in-room safes, in-room pay movies, cable television, voice mail, dataports, and windows that open for fresh mountain air. Both mountain view and property view rooms are available in both the contemporary wings and historic Main Inn. The mountain view rooms face the Blue Ridge and Smoky mountain ranges with the golf course below and the City of Asheville in between. The property view rooms overlook the Spa or the front courtyard.
