

The Ritz-Carlton, South Beach With its iconic address among the pastel palette skyline of Miami Beach Art Deco hotels, The Ritz-Carlton, South Beach puts you in the heart of the chic urban landscape of one of the city's most fabled neighborhoods. The landmark hotel, designed by famed architect Morris Lapidus in the Miami heyday of postmodernism style, embraces its glamorous past with a transformed contemporary spirit. The art of relaxation is something Miami mastered when the once fertile coconut farms became the playground of the rich and famous in the Roaring '20s. Located just steps from Ocean Drive and Lincoln Road—a 10-block pedestrian esplanade, The Ritz-Carlton, South Beach offers an oceanfront infinity pool, the beachfront DiLido Beach Club, personalized spa services and the luxury of strolling to the best restaurants, bars, nightclubs, shopping and entertainment that give Miami Beach its sizzling vibe.

Relax at The Ritz-Carlton Spa, recognized by readers of Allure Magazine as the Best Day Spa in Miami. Stay fit at the Fitness Center with state-of-the-art cardiovascular and strength-training equipment, personal training, and group exercise classes. Unwind at the elevated outdoor pool and private day beds overlooking the Atlantic Ocean. Buy souvenirs at The Signature Shop or marvel at the hotel's \$2 million original art collection featuring established and emerging artists. When it's time to dine, guests can choose from upscale dining and casually chic oceanfront lounge dining. All guestrooms feature contemporary furnishings, iPod docking stations with clock radios, laptop-compatible safe, soaking tub and separate stall shower, bathrobes, fully stocked mini refreshment bar and more.

Run of Standard City/Courtyard View (no balcony) will offer the hotel's choice of a view overlooking the lights of the Magic City or of the hotel's courtyard. Partial ocean view rooms (no balcony) will feature partial views of the ocean and beach. The hotel is located approximately 13 miles from Miami International Airport (MIA), 32 miles from the Ft. Lauderdale/Hollywood International Airport (FLL), and 78 miles from Palm Beach International Airport (PBI). Overnight Valet Parking is available for approximately \$27 per day, and \$40 for overnight parking. Pricing subject to change without notice.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. All rooms are non-smoking.

Run of Standard City/Courtyard View (no balcony): \$249
Partial Ocean View Room, (no balcony): \$324

- 1 King or 2 Double beds
- Rates are per night, for single or double occupancy plus 14% tax and \$10 per person, in/out bellman charge. Triple and quad occupancy, add \$25 additional per person, per night.
- Rollaway beds available in King rooms only at no charge based upon availability at time of arrival.

Resort Fee is WAIVED for those who book their room through NWAS/NWWT ONLY (Otherwise, it's approximately \$28 per room, per night). Services and amenities include:

- Complimentary 5MB wireless Internet access for up to 5 devices in guest rooms, lobby, and most common areas
- Beach chairs and umbrellas, beach activities including boogie boards, skim boards, beach paddle tennis, bocce ball and corn hole court
- One hour daily fitness class and 24-hour access to fitness center
- Use of hotel bicycles
- Unlimited local calls
- Bottled water in guest rooms
- Access to daily tour of the hotel's art collection

Resort fee inclusions subject to change without notice.

Due to the high demand over these dates, rooms will sell out early and pre/post date requests may not be available. Reserve early to avoid disappointment!

DEPOSIT REQUIRED: First night deposit plus tax within 10 days of booking to hold your room.

CANCELLATIONS: Cancellations of room reservations accepted without penalty up to 6 days prior to arrival. Cancellation inside 6 days will result in charge for 1 night room plus tax. Early departure fees may apply. **Travel insurance is recommended.**

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, certified registered nurse anesthetists, physician assistants, nurse practitioners, registered nurses and other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 *AMA PRA Category I Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CEC; AANA Code #1033950; Expiration Date 12/21/2017.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category I Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

South Beach (Miami), Florida has been called the American Riviera and an Art Deco playground, yet there's more to experience here than fine white sand and exuberant architecture. South Beach offers an eclectic mix of world-class boutiques, galleries, and also rates as a culinary hot spot for gourmet to casual cuisine. For the intrepid shopper, numerous specialty shops are here for the picking. At night, South Beach comes alive with crowds dressed in party-casual chic.

Numerous museums, such as The Wolfsonian, offer visitors a thought-provoking journey through the modern age. Showcasing American and European decorative and fine arts produced between 1885 and 1945, the array of objects is an eclectic mix including everything from propaganda posters to World's Fair memorabilia. The Jewish Museum of Florida is comprised of two restored synagogues connected to a skylighted bistro. The museum opened in the 1936 Art Deco synagogue which features 80 stained glass windows, Deco chandeliers, and a Moorish copper dome. Not enough excitement? For the daring, there is always the World Erotic Art Museum.

Many first-rate spas and golf courses are located in Miami as well. Stroll the beautiful grounds of the Miami Beach Botanical Gardens or banish your winter blues lying on the beach. Play a game of beach volleyball, sail, snorkel, or float. The southern tip of South Beach is a great place to watch cruise ships sailing out to sea.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel.com

University of Louisville
Louisville, Kentucky

Course Registration 17DSB

TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early <i>(Paid by 9/19/17)</i>	\$950	\$900	\$800
Regular <i>(Paid after 9/19/17)</i>	\$1000	\$950	\$850
Daily	\$255	\$243	\$218

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 October 19, 2017 to November 18, 2017. No refund after November 18, 2017; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
