

2018

PAGS PELVIC ANATOMY and GYNECOLOGIC SURGERY SYMPOSIUM

IN COLLABORATION WITH

**OBG
MANAGEMENT**

JOINTLY PROVIDED BY

UNIVERSITY OF
Cincinnati

Global Academy for
Medical Education

**REGISTER NOW!
SAVE UP TO \$690!**

THE PREMIER MEETING FOR ALL FACETS OF GYNECOLOGY

Earn up to 34.25 CME Credits (Including Workshop Credit)

COURSE CHAIRS

Tommaso Falcone, MD
Cleveland Clinic

Mickey M. Karram, MD
The Christ Hospital

SPECIAL KEYNOTE SPEAKER

Sawsan As-Sanie, MD, MPH

University of Michigan Hospitals and Health Centers

Faculty

Michael S. Baggish, MD
St. Helena Hospital

John B. Gebhart, MD, MS
Mayo Clinic

Linda D. Bradley, MD

Medical Center

Javier F. Magrina, MD
Mayo Clinic Phoenix

**Amanda Nickles
Fader, MD**
Johns Hopkins Hospital

Beri Ridgeway, MD
Cleveland Clinic

ENCORE AT WYNN Las Vegas

OPTIONAL OPIOID REMS COURSE NEW!
December 4, 2018

OPTIONAL HANDS-ON WORKSHOPS
December 5, 2018

SCIENTIFIC GENERAL SESSIONS
December 6-8, 2018

OPTIONAL HANDS-ON WORKSHOPS

LIMITED SPACE AVAILABLE. FIRST COME. FIRST SERVED!

- Tissue Extraction Techniques
- Laparoscopic Suturing - The "Vertical Zone"
- Technical Aspects of Vaginal Hysterectomy & Cystourethroscopy for the Gynecologist
- Office-Based Gynecologic Procedures **NEW!**

SPECIAL KEYNOTES

- Management of Chronic Pelvic Pain
- Non-Opioid Pain Management after Minimally Invasive Hysterectomy

PLUS

- Hysterectomy Techniques
Vaginal • Single Port • Robotic • Total Laparoscopic •
Morcellation • Preserving Level 1 Support •
When is it Appropriate to Remove the Ovaries?
- Incontinence and Prolapse Surgery
- Avoiding and Managing Complications
- Gynecologic Oncology for the Generalist
- Medical Legal Cases
- Fibroid Management
- Safe Use of Energy Devices in Gynecologic Surgery
- Surgical Tips for Successful Pelvic Surgery Video Session

**AND, Optional Post-Conference P.E.P. Practice
Management Workshop**

To register and for complete information please see our website: **PAGS-cme.org**.

TUESDAY, DECEMBER 4, 2018

Optional Opioid REMS Course **NEW!**

Free course. Pre-registration required.

Pain Management and Opioids: Balancing Risks and Benefits

3:00 PM - 6:00 PM

WEDNESDAY, DECEMBER 5, 2018

Optional Hands-On Workshops

Tissue Extraction Techniques

8:30 AM–12:30 PM

Laparoscopic Suturing - The "Vertical Zone"

8:30 AM–12:30 PM

Office-Based Gynecologic Procedures

8:30 AM–5:30 PM

Technical Aspects of Vaginal Hysterectomy & Cystourethroscopy for the Gynecologist

1:30 PM–5:30 PM

THURSDAY, DECEMBER 6, 2018

PAGS Scientific General Sessions

6:30 AM Registration/Breakfast/Exhibits

7:10 AM Breakfast Symposium

7:55 AM Course Overview
Mickey M. Karram, MD

PELVIC ANATOMY

8:00 AM Pelvic and Abdominal Anatomy from the Laparoscopic Surgeon's View
Tommaso Falcone, MD

8:40 AM Anatomic Considerations: Facilitating Vaginal Procedures Safely and Effectively
Mickey M. Karram, MD

INCONTINENCE AND PROLAPSE SURGERY

9:10 AM Panel Discussion: Evaluation and Non-Surgical Management of Female Pelvic Floor Disorders: What Every Generalist Should Know
John B. Gebhart, MD
Mickey Karram, MD
Beri Ridgeway, MD

9:55 AM Question and Answer Session

10:25 AM Break/Exhibits

11:10 AM Surgery for Stress Incontinence and the Future of Synthetic Slings
Beri Ridgeway, MD

11:40 AM Surgery for Pelvic Organ Prolapse: Do We Need to Perform and Teach More Transvaginal Native Tissue Suture Repairs?
John B. Gebhart, MD

12:10 PM Mesh-Augmented Prolapse Repair: Is There Any Role for Vaginal Mesh: Indication and Technique of Sacral Colpopexy
Beri Ridgeway, MD

12:40 PM Question and Answer Session

1:10 PM Luncheon Symposium

2:10 PM Dessert Break/ Exhibits

THURSDAY'S KEYNOTE LECTURE

2:40 PM Management of Chronic Pelvic Pain in Women
Sawsan As-Sanie, MD, MPH

FIBROID MANAGEMENT & PRINCIPLES OF ELECTROSURGERY

3:25 PM Safe Use of Energy-Based Devices for Gynecologic Surgery
Andrew I. Brill, MD

3:55 PM Myomectomy: Open to Robotic Approaches
Tommaso Falcone, MD

4:25 PM Break/Exhibits

4:40 PM The Hysteroscopic Treatment of Submucosal Fibroids and Polyps
Linda D. Bradley, MD

5:10 PM Question and Answer Session

FRIDAY, DECEMBER 7, 2018

7:00 AM Breakfast/Exhibits

7:10 AM Breakfast Symposium

HYSTERECTOMY - TECHNIQUE

8:15 AM The Difficult Vaginal Hysterectomy
Rosanne M. Kho, MD

8:50 AM When is it Appropriate to Remove Ovaries at Hysterectomy?
Amanda Nickles Fader, MD

9:25 AM Total Laparoscopic Hysterectomy
Andrew I. Brill, MD

10:00 AM Break /Exhibits

10:45 AM Robotic Hysterectomy
Javier F. Magrina, MD

11:15 AM Tissue Extraction Techniques (Morcellation)
Tommaso Falcone, MD

11:45 AM Techniques to Preserve Level 1 Support at the Time of Vaginal Laparoscopic and Robotic Hysterectomy
Beri Ridgeway, MD

12:15 PM Which Hysterectomy Approach is Best?
Case Presentation and Audience Participation – all speakers

12:45 PM Question and Answer Session

1:00 PM Luncheon Symposium

2:00 PM Dessert Break/Exhibits

FRIDAY'S KEYNOTE LECTURE

2:30 PM Non-Opioid Pain Management after Minimally Invasive Hysterectomy
Sawsan As-Sanie, MD, MPH

ONCOLOGY FOR THE GENERALIST

3:15 PM Surgical Management of Pre-Cancer Vulvovaginal Lesions
Amanda Nickles Fader, MD

4:00 PM Laparoscopic and Robotic Management of the Adnexal Mass
Javier F. Magrina, MD

4:45 PM Spectrum of Vulvovaginal Disorders
Michael S. Baggish, MD

5:30 PM Question and Answer Session

SATURDAY, DECEMBER 8, 2018

6:30 AM Breakfast

7:30 AM Management of Endometriosis
Tommaso Falcone, MD

8:30 AM Avoiding and Managing Urogynecologic Complications
John B. Gebhart, MD
Mickey M. Karram, MD

9:30 AM Avoiding and Managing Laparoscopic Complications
Tommaso Falcone, MD

10:30 AM Break

10:45 AM Medical Legal Cases
Michael S. Baggish, MD
Tommaso Falcone, MD

11:30 AM Surgical Tips for Successful Pelvic Surgery: Video Session
Surgical Management of Cornual Ectopic & Dermoid Cysts
Tommaso Falcone, MD
Techniques to Suspend the Apex at the Time of Vaginal Surgery
Mickey M. Karram, MD

1:00 PM PAGS Scientific Program Adjournment

2:00 PM Optional P.E.P. Practice Management

5:00 PM P.E.P. Program Adjournment

Optional Hands-On Workshops

Wednesday, December 5, 2018, Encore at Wynn Las Vegas

PAGS Hands-on Workshops are open to PAGS attendees only. Limited space available. First come, First served! For complete information please see PAGS-CME.org.

WORKSHOP A

TISSUE EXTRACTION TECHNIQUES

4 CME Credits Available

8:30 AM - 12:30 PM

Director: Rosanne M. Kho, MD

Faculty: Andrew I. Brill, MD; Keith B. Isaacson, MD

The objective of this workshop is to provide both didactic information and hands on experience using simulation models for tissue extraction at the time of laparoscopic surgery. General principles of safety concerns with the use of morcellation and electromechanical devices in particular will be reviewed. Techniques for morcellation that will be covered include vaginal and mini-laparotomy techniques in a contained and uncontained setting. Simulation using trainers will allow the participant to practice these techniques.

WORKSHOP B

LAPAROSCOPIC SUTURING - THE "VERTICAL ZONE" (SIMULATION LAB)

4 CME Credits Available

8:30 AM - 12:30 PM

Director: Charles H. Koh, MD

Proficiency in suturing is mandatory in performing advanced operative laparoscopy. The progressive algorithm for laparoscopic suturing as described in the "Vertical Zone" has been taught and tested over many years in national and international courses. This course includes a pre-test and post-test followed by instruction in a controlled setting. Previous results have shown that over 90% of the participants who attend this course achieve tying an intracorporeal knot in less than 3 minutes.

There is strong validity with using the technique described, as the relative hand positions and movements are immediately transferable from the trainer to the operating room. Algorithms from standing on the right and left side of the patient will be taught, with progression from simple interrupted to continuous and cinch knots.

This course equips attendees with improved suturing skills which can be applied in gynecologic surgery. Procedures requiring suturing will be described in videos and related to the drills performed. These include TLH vault closure, colposuspension, sacrocolpopexy, Burch, myomectomy, bowel, bladder, ureteral repair in endometriosis surgery and complications.

WORKSHOP C

OFFICE-BASED GYNECOLOGIC PROCEDURES: THE GYNECOLOGIST OF THE FUTURE NOW!

ALL-DAY WORKSHOP

8 CME Credits Available

8:30 AM - 5:30 PM

Director: Tommaso Falcone, MD

Faculty: Andrew Brill, MD; Linda D. Bradley, MD; Mark Dassel, MD; Laura Detti, MD; Oluwatosin Goje, MD; Keith Isaacson, MD; Mickey Karram, MD; James M. Shwayder, MD, JD

The objective of this workshop is to provide education on the most frequently performed office-based gynecologic procedures including saline infusion sonogram in 2 & 3 D, office diagnostic hysteroscopy, office therapeutic hysteroscopy, vulvar and vaginal biopsies and excisions, botulinum toxin and other injections for chronic pelvic pain, and energy-based procedures for vulvar and vaginal atrophy.

The increasing trend to office procedures requires proper patient selection, safe sedation practices, resuscitation equipment, and the ability to deal with emergencies and complications.

Lecture series will be followed by extensive lab-based training.

Part 2 - All Participant Practicum: all faculty

1:30 PM - 5:30 PM

During the practicum, participants will be divided into 3 groups and will rotate into the separate areas each lasting 60 minutes.

1. Vulvar/Vaginal Procedures/ including Energy Sources in the Vaginal Canal and on the Vulva: Injections and Excisions
2. Ultrasound: Saline Infusion Sonogram
3. Office Hysteroscopy

WORKSHOP D

TECHNICAL ASPECTS OF VAGINAL HYSTERECTOMY & CYSTOURETHROSCOPY FOR THE GYNECOLOGIST

4 CME Credits Available

1:30 PM - 5:30 PM

Director: Mickey M. Karram, MD

Faculty: Rosanne M. Kho, MD; Doug Miyazaki, MD

This workshop is intended to improve your surgical skills in performing vaginal hysterectomy and diagnostic and operative cystourethroscopy.

Surgical videos as well as unique hands on models will be used to teach the technical aspects performing simple and difficult vaginal hysterectomy.

Hands-on cystourethroscopy will be taught using porcine bladders.

Optional Pre-Conference Opioid REMS Course

Tuesday, December 4, 2018, Encore at Wynn Las Vegas

3:00 PM – 6:15 PM

3 CME Credits Available

This workshop is available free of charge, but pre-registration is required.

PAIN MANAGEMENT AND OPIOIDS: BALANCING RISKS AND BENEFITS

The misuse of extended-release and long-acting (ER/LA) opioids is a major public health problem. Centers for Disease Control and Prevention reported the following:

- From 2000 to 2015, more than half a million people died from drug overdoses.
- 91 Americans die every day from an opioid overdose.

The Pain Management and Opioids: Balancing Risks and Benefits course addresses this public health crisis. This comprehensive course was developed by renowned experts from Collaborative for REMS Education (CO*RE) and incorporates all six units outlined in the FDA blueprint for safe opioid prescribing by discussing biopsychosocial aspects of pain, the newest clinical guidelines on the treatment of chronic pain, and state policies about prescribing opioids.

*This course is not intended to advocate for the use of ER/LA opioids, but to ensure proper education about safe prescribing practices should a medical provider determine that ER/LA opioids are the best course of treatment.

Faculty: Edwin Salsitz, MD

LEARNING OBJECTIVES

Participants of this course will learn to:

- Accurately assess patients with pain for consideration of an opioid trial.
- Establish realistic goals for pain management and restoration of function.
- Initiate opioid treatment (IR and ER/LA) safely and judiciously, maximizing efficacy while minimizing risks
- Monitor and re-evaluate treatment continuously; discontinue safely when appropriate.
- Counsel patients and caregivers about use, misuse, abuse, diversion, and overdose.
- Educate patients about safe storage and ability to access general and specific information about opioids, especially those used in your practice.

Continuing Education

The Risk Evaluation and Mitigation Strategies (Opioid REMS) for Extended-Release, Long-Acting Opioids will offer continuing education (CME/CNE) credit for physicians and nurses. Credit will be awarded for those sessions attended and evaluated. Successful completion requires that participants register for the meeting, attend and participate, and complete an online evaluation and a posttest. Participants will receive their certificates immediately after they submit their evaluations online.

Physicians

The American Pain Society is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American Pain Society designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s)™. Physicians should claim credit commensurate with the extent of their participation in the activity.

Acknowledgement

This educational activity is supported by an independent educational grant from the ER/LA Opioid Analgesics Opioid REMS Program Companies (RPC). Please visit www.er-laopioidREMS.com for a listing of member companies. This activity is intended to be fully compliant with the ER/LA Opioid Analgesics Opioid REMS education requirements issued by the FDA.

Optional P.E.P. Practice Management Program

Saturday, December 8, 2018

2:00 PM – 5:30 PM

3.25 CME Credits Available

Open to
Non-Attendees—
So bring your
staff!

Make Your Practice More Profitable, Efficient, and Productive!

The PAGS optional practice management program will accomplish all these goals and more. The P.E.P. Practice Enhancement Program (Productivity, Efficiency, and Profitability), will give you the tools to take your practice to the next level. This 3.5-hour program is intended to provide you with the basic techniques to manage your business, navigate the Internet, and how to conduct financial planning so that when the time comes to retire, you can do so on your schedule.

Director

Neil H. Baum, MD

Associate Clinical Professor of Urology
Tulane Medical School and Louisiana State University
New Orleans, Louisiana

Dr. Neil Baum is the author of *The Complete Business Guide to a Successful Medical Practice* and *3-Stages of a Physician's Career*

- 2:00 PM** Course Overview
- 2:10 PM** Looking at the 4 Pillars of a Successful Practice in the Current Healthcare Environment
 - The 4 Pillars of a Successful Practice
 - How to Improve the Efficiency, Productivity, and Profitability of Your Practice
 - Online Reputation Management
 - Why Market and Promote Your ObGyn Practice
- 3:30 PM** Break
- 3:45 PM**
 - Using Social Media to Get to the Top of Google
 - Numbers You Need to Know
 - Moving from Volume to Value
- 5:00 PM** Q and A
- 5:30 PM** P.E.P. Adjournment

About Our Venue Encore at Wynn Las Vegas

The 2018 Pelvic Anatomy and Gynecologic Surgery Symposium (PAGS) will take place at the Encore at Wynn Las Vegas where we have arranged for a discount room rate

of **just \$189* a night for PAGS participants**. To make your reservation, please call (866) 770-7555. You must identify yourself as a Pelvic Anatomy and Gynecologic Surgery Symposium 2018 attendee or reference the block code: 6PAG1218 to receive the discounted rate.

Discount room rate expires November 6, but we urge you to make your arrangements as soon as possible as our room block will sell out.

*Plus \$25 amenity fee

To register and for complete information please see our website: PAGS-cme.org.

Who Should Attend?

The PAGS conference is designed for obstetricians/gynecologists, second, third and fourth-year residents in Ob/Gyn, as well as sub-specialty fellows and advanced practice clinicians. Residents and advanced practice health clinicians are welcome at reduced rates.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Global Academy for Medical Education, Inc. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this Live Activity for 20 AMA PRA CME Category 1 credits™ for the conference and (1) 8-hour pre-conference hands-on workshop at 8.0 AMA PRA CME Category 1 credits™, (3) 4-hour pre-conference hands-on workshops at 4.0 AMA PRA CME Category 1 credits™ each and (1) post practice management workshop at 3.25 AMA PRA CME Category 1 credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Register for PAGS

Online: www.PAGS-CME.org **Inquiries:** PAGS@globalacademycme.com

Mail: See website registration page for downloadable registration form

PAGS 2018 c/o Global Academy for Medical Education
7 Century Drive, Suite 301, Parsippany, NJ 07054

	Until Aug 3	Aug 4 – Sept 10	Sept 11- Nov 5	After Nov 5
Price Schedule				
■ Physicians	\$775	\$795	\$895	\$995
■ Residents, Fellows, Allied Health	\$575	\$595	\$695	\$795
■ P.E.P. Program only Also open to non-attendees	\$275	\$295	\$395	\$495
■ Best Buy! PAGS + P.E.P. Discount Combination Package	\$975	\$995	\$1,195	\$1,395
■ Office-Based Gynecologic Procedures: The Gynecologist of the Future All Day Workshop NEW!	\$395	\$445	\$495	\$595
■ Laparoscopic Suturing Morning Workshop	\$225	\$245	\$275	\$345
■ Tissue Extraction Techniques Morning Workshop	\$225	\$245	\$275	\$345
■ Vaginal Hysterectomy & Cystourethroscopy Afternoon Workshop	\$245	\$275	\$325	\$395
■ Opioid REMS Course Pre-registration required	Free	Free	Free	Free

Cancellation Policy: Full refund less a \$50 administrative fee as follows: Cancellations can be made using our online registration system until November 6, 2018. After November 6, 2018 no refunds will be granted. After the refund date, you have two options: you can send someone in your place, or we can mark a credit in the amount you paid minus \$50 administration fee (plus additional \$35 administration fee per workshop) to be applied to your registration for next year's conference. Refunds will not be issued to no-shows.
