

Seventh Annual Clinical Congress

The State-of-the-Art in Diabetes & Endocrinology

Oct. 10-12, 2019 | Oman Convention & Exhibition Center | Muscat, Oman

**BE PART OF THE LARGEST
ENDOCRINOLOGY AND DIABETES
CONGRESS IN THE MENA REGION**

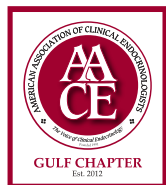

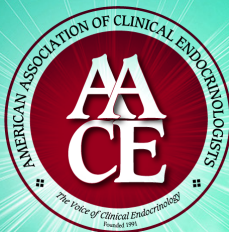

VISION

International AACE Chapters enhance the mission of AACE by improving the ability of clinical endocrinologists worldwide to provide the highest quality of patient care and in fostering educational programs that allow for a closer relationship among the members and potential members. International chapters also expand the market for AACE programs and services to help increase the visibility of AACE as an advocate for patient care issues in endocrinology, diabetes, metabolism and nutrition. Supporting the development of International AACE Chapters, in accordance with proper guidelines governed by the AACE Board of Directors and the Chapters Committee, is an extension of AACE's vision to be recognized worldwide for its clinical leadership.

MISSION

The American Association of Clinical Endocrinologists is the organization focused on endocrinology, diabetes, and metabolism that is most:

- Recognized worldwide for its clinical leadership
- Valued by clinical endocrinologists and other healthcare professionals
- Trusted by patients
- Respected by healthcare decision-makers and the public

ABOUT THE AACE GULF CHAPTER

The Gulf Chapter of AACE is a professional community of physicians in the Gulf Cooperation Council (GCC) countries, specializing in endocrinology, diabetes, and metabolism, committed to fostering advanced educational and research programs to enable its members to provide the highest quality of patient care.
