## **CECILIA CHEN ESQ.**

Cecilia Chen is a dental attorney who specializes in representing dentists and specialists in purchase and sale of dental practices, leases, associate agreements, partnerships, as well as forming dental service organizations. Cecilia received her undergraduate degree in finance from Boston University and her Juris Doctorate from American University. Cecilia's background was representing large fortune 500 companies in mergers and acquisition transactions when she began her practice in 2004, founded her own law firm in 2009 and has been focusing in the dental and healthcare niche since 2011. Cecilia is based in southern California but works with clients throughout California and nationwide.

## **MARC R.LEFFLER DDS ESQ**

Dr. Marc Leffler received his D.D.S. degree from Columbia University, after which he completed residency training in oral and maxillofacial surgery at Bellevue Hospital Center/New York University, subsequently becoming board-certified in oral and maxillofacial surgery. Dr. Leffler then received his law degree from New York Law School, serving as a member and editor of the Law Review, and went on to practice trial law in New York, representing dentists and dental specialists in dental malpractice litigation, dental board disciplinary actions, and peer review proceedings. Outside of professional activities, he serves as a United States Coast Guard Auxiliary Flotilla Commander and a Flotilla Staff Officer. After representing MedPro's insureds as an attorney for years, he joined MedPro as an oral surgery and dental consultant prior to working in his current position as Dental Risk Solutions Lead. Dr. Leffler regularly provides closed malpractice case study articles, known as Malpractice Minutes, which discuss underlying case facts, the litigation events, and a series of risk management takeaways; these are sent to MedPro insureds, dental students, and specialty residents. Additionally, Dr. Leffler has provided risk management presentations to student groups and dental associations. He works closely with MedPro's dental risk team to serve the risk needs of insureds. Risk Solutions is an integral commitment of MedPro.

## **MANOLITA ABBY TEH DMD**

Dr The has more than 30 years' experience in the dental field. Dr Teh is teaching at Fullerton Dental Assistant School and Downey Unified School District (Downey Adult School) as instructor. Dr The is also BLS Instructor from American Heart Association. Currently member of ADAA (American Dental Assistant Association), CTA (California Teacher Association), table clinic judge in CDA and program director of Fullerton Dental Assistant for continuing education specializing on Infection Control and Dental Practice Act. Dr Teh is former Dental Consultant and Subject Matter Expert on Curriculum Evaluation for RDA Exam for the Dental Board of California. Infection Control Outline: Legal and ethical aspect of infection control procedures. Terms and protocols specified in the regulations of the board regarding the minimum standards for infection control. Sharp management, Waterline maintenance, Regulatory and non-regulatory waste management, California Code of Regulation, Title 16, Section 1005 will be covered in its entirety.
