UNIVERSITY OF TORONTO

FACIAL INJECTABLE WORKSHOP \$200

Friday, Nov 1, 2019 4 – 6 pm

Course Director: Dr. Jamil Asaria

WORKSHOP DESCRIPTION

This course is designed for the practicing otolaryngologist who wishes to enhance his or her knowledge in facial rejuvenation. The material will be presented via a didactic lecture on review of critical anatomy and aesthetic goals. This will be followed by presentation of current techniques in facial neuromodulator and filler injection using live demonstrations in a small group setting.

WORKSHOP OBJECTIVES

After active participation in this update meeting, participants will be able to:

- Discuss the critical anatomy relevant for facial injection
- Present current techniques in facial modulator and facial filler injective for facial rejuvenation
- Review possible complications and their management algorithms

FACIAL PLASTIC & RECONSTRUCTIVE SURGERY UPDATE 2019: HOW I DO IT...

COURSE DESCRIPTION

This course is designed for the practicing otolaryngologist, plastic surgeon, dermatologist, and oculoplastic surgeon who wishes to enhance his or her knowledge of various topics spanning the different subspecialties of facial plastic surgery including rhinoplasty, facial rejuvenation, otoplasty, local flap reconstruction. The material will be presented via didactic lectures followed by audience participation in question and answer sessions along with panel discussions on management of interesting cases.

COURSE OBJECTIVES

After active participation in this update meeting, participants will be able to:

- Discuss in depth the current concepts and techniques in aesthetic and reconstructive facial plastic surgery
- Tackle difficult rhinoplasties in both primary and secondary cases with expert guidance
- Accurately select appropriate candidates for aesthetic and reconstructive facial plastic surgery procedures and skin case
- Understand the relevant anatomy important to the surgical and non-surgical techniques in facial rejuvenation and reconstruction to add predictability and safety to these procedures

Disclosure

Speakers will be requested to disclose to the audience any real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of the program.

Accreditation

Continuing Professional Development (CPD), Faculty of Medicine, University of Toronto, is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME), a subcommittee of the Committee on Accreditation of Canadian Medical Schools (CACMS). This standard allows CPD to assign credits for educational activities based on the criteria established by The College of Family Physicians of Canada, and the Royal College of Physicians and Surgeons of Canada. As a result of a reciprocal agreement between the Royal College of Physicians and Surgeons of Canada, The American Medical Association, and The European Union for Medical Specialists, CPD is permitted to assign respective credits.
