(9:00am-4:30pm ET, M-F)

THE BOARD REVIEW COURSE MORE PHYSICIANS HAVE COME TO DEPEND ON THAN ANY OTHER. **WHY?**

Because preparation for the Qualifying and ConCert™ exams is nothing short of a daunting and very stressful experience.

With approximately 4,000 pages combined, tackling Rosen® and Tintinalli® is an impossible task to even consider.

Because well-intentioned promises to study in advance are often sabotaged by the press of clinical practice and family obligations.

Because the NEMBR was created for one reason – to help physicians pass their exam. Period! No fluff, no nice-to-know material and nothing controversial – just highly focused bread and butter Emergency Medicine.

Because the faculty are among the best in the nation – knowledgeable, energetic and enthusiastic – year after year they consistently present the material in an engaging and upbeat fashion.

Because the directors and faculty of the NEMBR fully understand and appreciate the investment of time and money that you will be making when you choose our review course – **and we'll deliver!**

Because we know you want a course that produces – not only core content but also must-know material that is often not seen in clinical practice:

- ✓ Toxicology syndromes
- ✓ Atypical pediatric rashes
- ✓ Various stroke presentations
- ✓ Atypical ECGs – Brugada, WPW and LGL
- ✓ Botulism vs. Guillain-Barre
- ✓ Acute chest syndrome of sickle cell
- ...And literally hundreds more

Because the course is available in two formats to meet your needs:

- ✓ A **live course** for those who want to immerse themselves in a four-day intensive learning experience without distractions.
- ✓ A **self-study course** (streaming video, MP3 audio, video DVDs and audio CDs) that retains the energy and passion of the live course and provides the same focused and intense review.

Course Content Updated and Revised for 2019!

HERE'S WHAT YOU'LL RECEIVE:

✓ **Instruction by a small, select cadre of full-time emergency medicine educators/clinicians**

Our emergency physicians have been specially chosen for their ability to communicate and their knowledge and enthusiasm for the specialty.

✓ **A focus on material likely to be covered in the exams**

No "fluff" or "nice to know" material to distract from retention of core material.

✓ **A detailed session on strategies to help you optimize your test-taking skills**

Plus, you'll learn the psychology of how to be a better test taker.

✓ **Three comprehensive "tag-team" evening review sessions**

Note: Only Q&A sets are provided with the self-study course.

✓ **A comprehensive course manual**

Our course manual (provided on a USB flash drive on-site) is designed for rapid review and retention of information. It consists of the actual slides used to teach the course – there is a detailed index, the print is large making for easy reading and key points are bulleted. In addition, there are 20 review questions for each of the 18 main lecture topics to help reinforce information key points from the lecturers.

• **Notes about the course manual**

We advise you to bring a laptop with a USB flash drive port with you to view the materials. A printed copy of the course manual (to be received on-site) is available for an additional \$75 in advance or \$95 on-site.

✓ **Up to 34.75 AMA PRA Category 1 Credits™**

✓ **A full color atlas containing 224 "need to know" clinical images**

✓ **Free access to the EMsono ultrasound tutorial program**

Live & Self-Study Participants Receive the Third Edition of the Aldeen and Rosenbaum's 1,200 EM Question Book and Access to the Digital Version PLUS up to 40 Additional CME Credit Hours.*

Each Question Contains a Detailed Explanation for the Correct and Incorrect Answer Choices.

A \$350 Value!

*Access instructions for the digital version and how to receive CME credit will be provided in the hard copy version of the question book.

If Live or Self-Study Participants Don't Pass Either the Qualifying or ConCert™ Exam Offered by the American Board of Emergency Medicine (ABEM) or Equivalent AOBEM Exam, We'll Refund Their Tuition.*

*Your request for a refund must be received in writing or by e-mail within 90 days of receipt of notification of failure. The letter designating failure needs to accompany a request for a refund. Attendance at another NEMBR course may be requested in lieu of a refund.

**An Honest
97%
Pass Rate!**

AWARD-WINNING FACULTY

"Excellent – best I've attended in 30+ years."

"Great course! Lots of high yield information in a compressed, no fluff format."

"Great news! I got a 93% on my ConCert exam. The NEMBR course was instrumental. 10 years ago, after I took the course, I got a 94%."

"This course was a focused educational experience and I could not think of a better way to prepare for the exam."

"The best review course I've ever been to."

"This course seemed to get to the heart of the material and was a good review overall."

"This is the BEST faculty I have ever had at any conference."

"The hardest course I've ever loved. The best use of humor, best use of time, the best syllabus and most professional presenters."

Over 1,700 Participants in 2018 | Over 30,000 Since Inception!

"Some of the best lecturers out there. It's hard to keep everyone's interest while reviewing the entire EM core curriculum, but you all pulled it off!"

"This was a thorough and stimulating review by people who clearly know their stuff."

"I can't say enough about the course - I have already recommended the course to several friends."

"The course was great - I was able to follow along and never lost interest or became fatigued."

"Keep it up. Very helpful. Helped me pass both times. Thank you."

"The excellent presentations made this rigorous review of EM a lot more interesting and palatable."

"Great course - really enjoyed it and will be coming back for re-cert."

"This is my third time taking the course and I find it to be excellent."

Ace Your ABEM/AOBEM Certifying and Recertifying Exams the First Time - *Guaranteed!*

"Awesome course. Well worth the money and the time spent!"

"Excellent course and great materials. I like the review questions after each lecture."

TUITION

Physician	\$1,195

ACCREDITATION

CME Accreditation - Live Course

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Center for Emergency Medical Education (CEME) and The Center for Medical Education, Inc. The Center for Emergency Medical Education is accredited by the ACCME to provide continuing medical education for physicians.

The Center for Emergency Medical Education (CEME) designates this Live activity for a maximum of 34.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 34.75 hour(s) of ACEP Category I credit.

The AOA Council on Continuing Medical Education has approved this program for 34.75 AOA Category 2-A CME credits.

Target Audience

Targeting emergency physicians who are required to take their certification or recertification exams.

Learning Objectives

At the conclusion of this CME activity, participants will be able to:

- Comprehensively review the core content of emergency medicine
- Identify the fundamental concepts and key topics needed to successfully complete the emergency medicine initial written certification and recertification examinations
- Effectively translate the acquired knowledge into practice, improving diagnostics and therapeutic strategies to positively impact patient care

"The best review course I've ever been to."

"I think this course is one of the most concise and entertaining."

"The speakers at this course were better than at other courses I've attended."

"This course had more interesting and engaging speakers. This course was more focused on EM and the board exam."

FACULTY

Only a small number of faculty have been chosen to teach our course. Unlike other “board review courses,” the use of a large faculty has been specifically avoided in order to provide a course that is tightly orchestrated and conducted by faculty who are known to be particularly energetic and effective educators.

W. Richard Bukata, MD – Course Co-Director

Dr. Bukata was the Founding Editor of *Emergency Medical Abstracts* and, as such, has been studying the literature of emergency medicine in depth since 1977. He has personally given presentations at over 250 CME courses and has been the co-moderator of a monthly 90-minute CME audio program for over 30 years. As a result of his educational endeavors, Dr. Bukata was awarded the Education Award from ACEP and the College's Outstanding Speaker of the Year Award. Dr. Bukata is a Clinical Professor of Emergency Medicine at the University of Southern California and Medical Director of the Center for Medical Education, Inc.

Diane Birnbaumer, MD – Course Co-Director

Dr. Birnbaumer is Senior Faculty in the Department of Emergency Medicine at Harbor-UCLA Medical Center, Torrance, and Emeritus Professor of Clinical Medicine at the University of California, Los Angeles. A lecturer on emergency medicine topics nationally and internationally, Dr. Birnbaumer received both the Outstanding Speaker of the Year Award and the Outstanding Contribution to Education Award from the American College of Emergency Physicians. Her areas of interest are airway management, infectious diseases, emergencies in the elderly patient and clinical educator development.

Amal Mattu, MD

Dr. Mattu is a frequent speaker on the national and international CME circuit on topics related to emergency cardiology and geriatrics. He is the author of the best-selling texts *ECGs for the Emergency Physician* Volume 1 and Volume 2 and editor of over a dozen other texts in emergency medicine. He has received numerous awards, including ACEP's Outstanding Contribution to Education Award. Dr. Mattu currently serves as Professor and Vice Chair of Emergency Medicine at the University of Maryland School of Medicine.

William "Billy" Mallon, MD

Dr. Mallon was the Program Director at the Los Angeles County / University of Southern California Medical Center for over 10 years and most recently Professor of Clinical Emergency Medicine at the State University of New York at Stony Brook. He has won multiple teaching awards including ACEP's highest recognition for medical teaching, its Outstanding Contribution in Education Award in 2014.

Wm. Kenneth Milne, MD

Dr. Milne is the Chief of Staff and Chief of Emergency Medicine at South Huron Hospital Association in Exeter, Ontario, Canada. He is an Adjunct Professor of Emergency Medicine at Western University in London, Ontario and recently won the Teacher of the Year Award from the Canadian Association of Emergency Physicians. He is currently the American College of Emergency Physician Section Chair for Rural Medicine. He also is the Social Media Editor for the Society of Academic Emergency Medicine. Dr. Milne is passionate about skepticism and critical thinking. He is the creator of the knowledge translation project, *The Skeptics' Guide to Emergency Medicine*.

Ryan Orwig, MS

Creator of the STAT Program and a reading and learning specialist, Mr. Orwig has worked exclusively with medical students and physicians. He has assisted hundreds of clients from across the country to overcome problems with the way they train for boards and “interface” with boards-style questions. As a result, he has helped struggling students improve in the medical classroom and has guided clients toward improved performances on a variety of specialty medical boards, including Emergency Medicine.

Jan Shoenberger, MD

Dr. Shoenberger is the immediate past Program Director at the Los Angeles County / University of Southern California Medical Center, a position that she held for 7 years and is currently Vice-Chair for Operations and Clinical Education as well as an Associate Professor. Dr. Shoenberger was the recipient of the 2018 California ACEP Education Award and, in addition to being boarded in Emergency Medicine has boards in Hospice and Palliative Care Medicine.

Peter Sokolove, MD

Dr. Sokolove has been the recipient of the ACEP National Emergency Medicine Faculty Teaching Award, the ACEP Outstanding Speaker of the Year Award, the ACEP Rookie Faculty of the Year Award, and the Cal/ACEP Education Award. He served as an Emergency Medicine Residency Director for more than 10 years. He is currently Chairman of the Department of Emergency Medicine at the University of California, San Francisco, and has recently completed a Robert Wood Johnson Health Policy Fellowship where he worked for the Committee on Finance of the U.S. Senate. In addition to his extensive administrative and teaching experience, Dr. Sokolove has co-authored more than 100 publications.

Stuart Swadron, MD, FRCP(C)

Dr. Swadron is a senior member of the faculty in the Department of Emergency Medicine at the Los Angeles County/University of Southern California Medical Center and a former Residency Program Director. He is a Fellow of the Royal College of Physicians and Surgeons in Canada and was awarded the ACEP National Emergency Medicine Faculty Teaching Award, the AAEM Program Director of the Year Award and the Master Teacher Award at the University of Southern California. His emergency medicine knowledge base is both broad and deep, and he has a particularly engaging speaking style coupled with a dry wit.

Drs. Bukata, Birnbaumer, Mallon, Mattu and Sokolove have all been recipients of ACEP's Highest Education Award.
