

Neuropathic-Pain2019

The International Conference on Controversies in **Neuropathic Pain**

23-24 October 2019 | Munich, Germany

Dear Valued Supporters,

On behalf of Conference Chair Prof. Nanna Brix Finnerup and Conference Organizer, Bioevents, we take great pleasure in inviting your support to **The International Conference on Controversies in Neuropathic Pain** (Neuropathic-Pain2019) taking place 23-24 October 2019 in Munich, Germany.

Neuropathic pain is a common and disabling condition. Our knowledge of the underlying mechanisms is continually expanding, but improvements in treatment are only slowly progressing. The aim of this conference is to provide a platform for discussions of controversial and burning issues in the field of neuropathic pain to bridge this gap. There will be ample time for discussions between speakers and delegates.

The conference will welcome medical professionals, researchers, treatment experts, industry leaders and other experts to the metropolitan city of Munich.

The prospectus outlines the sponsorship and exhibition opportunities available at the Conference and bespoke packages are also available upon request.

We look forward to welcoming you as a valued Sponsor and Exhibitor in Munich!

Kind Regards,
