

Autumn Meeting 2024

20 -22 November

Excel, London & Online (Hybrid meeting)

Five top tips for getting the most out of your meeting:

1. Record your attendance

Online: Attendance should be recorded by clicking “Sign in for CPD today” on the event platform each day you attend.

In person: Attendance should be recorded by scanning in at the registration desk using the QR code on your joining email or providing your name.

You will receive a CPD certificate for the days you have joined ‘live’ online only. **Viewing the content post-event won’t be certified, but certificates are not required to claim CPD via the RCP diary.**

2. Give feedback

Please take the time to fill out the feedback form after each day. It is mandatory for CPD but also helps us improve our conference and provides invaluable information to our speakers about their presentation.

3. Visit our sponsors

Please review the symposia and spotlight sessions in this programme and consider watching. Challenge yourself to spend 5 minutes during the next 3 days to speak to a sponsor.

4. Join the discussion

All delegates are encouraged to ask questions for the speakers and panel discussions. If you are thinking it, someone else is too, so please use the ‘Ask’ function on the online platform or the microphone in the room. If you’re tweeting, tag us at **@GeriSoc** and use the hashtag **#BGSConf**.

5. Get social

Chat with attendees, join a socialising event or interact in a group discussion.

With grateful thanks to our sponsors:

Flynn Pharma, Eli Lilly

Flynn Pharma and Eli Lilly have provided a sponsorship grant towards this independent programme. They have had no editorial input into or control over the agenda, content development or choice of speakers, nor opportunity to influence, except for the Flynn Pharma and Eli Lilly sponsored symposia presentations. They have not had any input or influence as to the content of the programme. Sponsored symposia and Spotlight on sessions are not eligible for external CPD and are intended for a healthcare professional audience in the UK.

We are excited to welcome delegates back to in-person conferences and we can't wait to share the delights of London with you. We hope this Autumn Meeting will offer you the opportunity to refresh, relax and refocus. Please take time during the conference to reflect, sit a while or catch up with colleagues.

We have organised a number of social activities throughout the conference which we encourage you to take part in, as well as explore the delights that East London has to offer. Please see the below timetable to help plan your time.

SOCIAL PROGRAMME * This social programme is self funded, independent from our sponsor's support.		
WEDNESDAY 20 November	THURSDAY 21 November	FRIDAY 22 November
17.00 - 18.00 Group meetups Room 1&2 Join colleagues after the sessions. We will have meet up points for specific interests as well as a meetups with our Arts and Humanities group.	13.15 Trainees Meetup Room 5/6/7 17.00 - 18.00 Drinks and Canapes Room 1&2 Join colleagues over a drink and canapes after the sessions. All are welcome to attend, for a chance to catch up with colleagues before exploring the delights that London has to offer.	13.45 NAHP Meetup Room 5/6/7

Those attending the meeting in person will notice some changes to our event delivery as part of our commitment to environmental sustainability.

- We are continuing with the use of **digital platforms** as a core part of our conference and meetings delivery and reducing material used at conferences through paperless conferences.
- The meeting recordings will be **accessible online** for you to watch on demand for 12 months, for all those attending in person.
- We encourage you to **walk, cycle or travel by public transport** to the conference venue where possible.
- Try and remember to bring a **reusable water bottle** with you to the venue. Water will be available from water coolers throughout the venue as well as some packaged water. Please recycle packaging by disposing of it at the correct recycling point.
- We are offering a greater choice of **sustainable, meat-free options** as part of our catering for the event.
- This is a **paperless** meeting and we are not printing hard copies of the programme. Please consult the programme online (www.bgs.org.uk/Autumn24) for session details and timings. This is accessible online via your devices before and during the conference. Large poster programmes will be displayed on boards around the venue for reference.
- CPD certificates will be emailed rather than printed. Remember to scan in each day you are attending at registration, or use the **'Sign in for CPD today'** button on the online platform.
- We will be displaying **paperless posters** in place of traditional physical posters at the meeting. Please look at the poster platform (<https://posters.bgs.org.uk>) in advance and use the onsite computers and screens at the venue to browse and comment.
- Bring your own pen and pad if you have them, however, the lanyards, pens and pads at our conference are all from recycled origins.

Flexible attendance options: In person or online

There is no difference in registration fees for in person and online meeting attendance. The registration fee provides access to the conference or online platform for the days you are registered. On demand viewing post event will be limited to the days for which you have registered and paid.

There is a flexible transfer from in person to online attendance as clinical service and life balance require. Please check our [FAQs](#) first for any queries you may have about attendance or on demand watching.

Guest Lecturer

Professor Chris Whitty,
Chief Medical Officer and DHSC Chief Scientific
Adviser, Department of Health and Social Care
(DHSC)

Professor Chris Whitty is Chief Medical Officer (CMO) for England, the UK government's Chief Medical Adviser and head of the public health profession.

Chris is also Chief Scientific Adviser for the Department of Health and Social Care (DHSC), with overall responsibility for the department's research and development, including the National Institute for Health Research (NIHR), the government's major funder of clinical, public health, social care and translational research. He represents the UK on the Executive Board of the World Health Organization.

Chris is a practising NHS Consultant Physician at University College London Hospitals (UCLH) and the Hospital for Tropical Diseases, and Gresham Professor of Physic at Gresham College.

Chris is an epidemiologist and has undertaken research and worked as a doctor in the UK, Africa and Asia. He was Professor of Public and International Health at the London School of Hygiene and Tropical Medicine (LSHTM) before becoming CMO.

KEYNOTE: Thursday 21 Nov 15.45

Chris was the interim Government Chief Scientific Adviser from 2017 to 2018, including during the Novichok poisonings. Before that, he was the Chief Scientific Adviser at the Department for International Development (DFID), which included leading technical work on the West Africa Ebola outbreak and other international emergencies.

KEYNOTE: Friday 22 Nov 12.45

Trevor Howell Guest Lecturer

Professor Ken Rockwood, Professor of Geriatric
Medicine, Dalhousie University & Nova Scotia
Health

Consultant Physician, NHS Fife and Honorary
Professor, University of Edinburgh.

Kenneth Rockwood, MD, FRCPC, FRCP, is Professor of Medicine (Geriatric Medicine & Neurology) and Clinical Research Professor of Frailty and Aging at Dalhousie University. A leading authority on frailty, he has key roles on numerous studies in Canada and elsewhere. Ken received his MD from Memorial University in St. John's, NL, completed training in Internal Medicine at the University of Alberta, and in Geriatric Medicine from Dalhousie University. He is also an Hon Professor of Population Health and Experimental Medicine at UCL.

Accommodation in recent years has increased in costs and this year keeping costs low is important.

To secure the best accommodation within your budget we recommend you book as early as possible, other events are taking place at ExCel during the week and hotels are busy.

[Click here to see available options and rates via Hotel Map](#) for available options and rates

Other sites and booking directly with the hotels may be cheaper - please do shop around.
BGS members can also access preferential rates at the Hilton chain using the details below.

HILTON

- Log on to www.hilton.com
- Put in the location and dates
- Click on advanced search
- Click on 'Add a special rate code'
- In the corporate account box, type in **113011292**

Use the table below to help plan how you will spend your first day at the conference. More detailed information about the sessions in each stream can be found on the following pages.

	STREAM 1 Room 3	STREAM 2 Room 4	STREAM 3 Room 5,6,7
8.30	Registration		
9.15	KEYNOTE President's Opening Address		
9.30 - 11.00	Community and Primary Care Proactive care in Primary Care	Stroke	BGS Update
11.00	Free time		
11.30 - 13.00	Community and Primary Care Population Data, Digital and Care Homes	Stroke	Wellbeing
13.00	Lunch and posters		
13.00	Group Meetups Join colleagues over lunch to catch up Rooms 1 & 2. Look out for the signs indicating where to meetup.		
13.30	Sponsored symposium - Room 4 This is a promotional symposium sponsored and organised by Flynn Phama intended for GB HCPs only		
14.00 - 15.00	Community and Primary Care Proactive Care in Action	Stroke	Clinical Quality Session
15.00	Free time		
15.30-16.30	Community and Primary Care Masterclass	Stroke	Nurse and Allied Health Professional Community of Practice
16.30	The power of story in medicine		
17.00	Social programme: Networking Group meetups - SAS Grade, Trainees, Nurses and AHPs, Researchers, Workforce Rooms 1 & 2		

STREAM 1: Room 3

KEYNOTE

President's Opening address

09.00

Opening words from BGS President, Professor Jugdeep Dhesi

Community and Primary Care

Proactive care

LEFT SHIFT OF CARE: how do we become proactive in a system focused on reactive care?

Moderator: Deb Gompertz9.30 -
11.0009.30 **Left Shift of Care: How do we get the right care first time? Reflections on the Frailty Blueprint**

Dr Tom Downes, National Clinical Director for Older People, NHSE

09.55 **Proactive Care for Older People: Meat on the bones of proactive care blueprint**

Dr Eileen Burns, BGS Past President, Retired Geriatrician, formerly Leeds NHS Teaching Hospitals

10.20 **What does Care Closer to Home mean? How can primary care and community integrate?**

Dr Adrian Hayter: RCGP Medical Director, RCGP

10.45 Discussion

11.00

Free time

Community and Primary Care

Population Data, Digital and Care Homes

What's Digital got to do with it? Lessons from the South West

Moderators:11.30 -
13.0011.30 **ICGA in the Community: Evidence for Proactive Care: Using this to commission services**

Dr David Attwood, GP and Associate Medical Director, Livewell Southwest, Plymouth, Devon

12.00 **Digital Integrated Neighbourhood Teams : Using Brave AI to deliver targeted Personalised Care in Somerset**

Dr Matthew Dolman, Chief Clinical Information Officer (CCIO), and Helen Rostron, Occupational Therapist NHS Somerset

12.30 Panel Discussion

13.00

Lunch

13.00

Group Meetups

Join colleagues over lunch to catch up. Rooms 1 & 2. Look out for the signs indicating where to meetup.

STREAM 2: Room 4

Stroke

Cerebrovascular disease / Stroke

Moderators: Jane Masoli and Chakravarthi Rajkumar

9.30 - 11.00	09.30 Developments in Stroke Care - Setting the Scene Professor Chakravarthi Rajkumar - Chair of Geriatric & Stroke Medicine, Brighton & Sussex Medical School; Consultant in Geriatric and Stroke Medicine, University Hospitals Sussex NHS Foundation Trust; Member of Intercollegiate Stroke Working Party; Member of NICE Chronic Heart Failure Committee
	09.40 Evidence-based Stroke Care: The new UK Clinical Guideline for Stroke Professor Martin James, Consultant Stroke Physician/Associate Professor, Royal Devon & Exeter Hospital/University of Exeter Medical School
	10.10 Innovations in stroke care Dr David Hargroves, Consultant Stroke Physician, East Kent Hospitals University Foundation Trust (EKHUFT) & National Clinical Director for Stroke Medicine – NHS England
	10.40 Haemorrhagic stroke, aetiology and difficulties with management Professor David Werring, Professor of Clinical Neurology and Honorary Consultant Neurologist at the Stroke Research Centre, UCL Queen Square Institute of Neurology and the National Hospital for Neurology and Neurosurgery; Chair of the Association of British Neurologists Stroke Advisory Group
11.10	Free time

Stroke

Cerebrovascular disease / Stroke

Moderators: Khalid Ali

11.30 - 13.00	11.30 Anticoagulants for all older patients? Prof. Francesco Mattace-Raso, Head Division of Geriatric Medicine, Department of Internal Medicine, Erasmus MC University Medical Center, Rotterdam
	12.00 Recent advances in the management of atrial fibrillation resistant to conventional treatments Dr Riyaz Kaba, Consultant Cardiologist and Cardiac Electrophysiologist, St George's Hospital London and Ashford and St Peter's Hospitals, Surrey
	12.30 Transient retinal ischaemia, does it matter? Dr Fiona Humphries – Consultant in Stroke Medicine and Geriatric Medicine, University College London Hospitals NHS Trust
13.00	Lunch
13.00	Group Meetups Join colleagues over lunch to catch up. Rooms 1 & 2. Look out for the signs indicating where to meetup.

STREAM 3: Room 5/6/7**BGS update and Lightning Round Posters****Moderator:**

09.30 - 11.00	09.30 BGS Update Sarah Mistry, CEO, BGS 10.00 Selected abstracts will be presented live at the conference by the authors in 3-minute vignettes. This is a new (for the BGS) method of poster presentation recently adopted and not at all meetings.
11.00	Free time
Wellbeing Moral Injury	
11.30 - 13.00	At a time where resources are stretched, healthcare professionals cannot always provide the quality of care they want to, and this has a negative impact on them as well as patients. The impact on doctors' health from moral distress and moral injury can be significant, being linked to severe mental health conditions such as depression and PTSD. Coping with pressures to deliver (potentially) substandard care, rushing assessments in ED, discharging people to free up beds before all issues are sorted out
13.00	Lunch
13.00	Group Meetups Join colleagues over lunch to catch up. Rooms 1 & 2. Look out for the signs indicating where to meetup.

STREAM 1: Room 3**Community and Primary Care**

Proactive Care in Action

Moderators: Liz Lawn

14.00 - 15.00	14.00 The Integrated Frailty Unit at the Jean Bishop Centre, Hull Dr Dan Harman, Consultant Community Geriatrician, Clinical Lead, and Dr Anna Folwell Consultant Physician in Elderly Medicine, ICC Frailty Team City Health Care Partnership CIC, Jean Bishop ICC 14.30 Stories from the Frontline: LEEDS INTs - where health meets care George Winder, GP, Oakwood Lane Medical Practice, Joanna Quigley and Rebecca Long Proactive Care Practitioners, Seacroft PCN
15.00	Dedicated poster viewing time: A selection of posters from submissions will be displayed. The authors will be able to take questions and provide more detail to the inperson audience. Those online can submit questions via the BGS Poster platform

Community and Primary Care

Community and Primary Care Clinical Masterclass

Moderators: Philly O'Riordan

15.30 - 16.30	15.30 Top tips for community clinicians: A rundown Dr Sean Ninan, Consultant Geriatrician, Leeds Teaching Hospitals NHS Trust 16.00 Delirium- Community management lifelines Jennifer Stone, Mental Health ACP, Royal Berkshire NHS Trust 16.15 Heart failure at home Becky Hyland, Heart Failure Nurse Consultant Practitioner, Wiltshire Health and Care
16.30	The power of story in medicine Dr Rachel Clarke, Palliative Care physician, Katharine House Hospice, Oxford Room 3
17.00	Networking Group meetups - SAS Grade, Trainees, Nurses and AHPs, Researchers, Workforce Room 2

STREAM 2: Room 4

Stroke

Latest Developments and Guidelines

Moderators: Jane Masoli and Chakravarthi Rajkumar

14.00 - 15.00	14:00 Hypertension in the stroke patient Professor Mike Okorie, Consultant Physician and Associate Medical Director for Medicines Safety and Prescribing; Professor of Clinical Pharmacology and Therapeutics, Brighton and Sussex Medical School; RCP Regional Specialty Adviser for Clinical Pharmacology in Kent, Surrey & Sussex 14:30 Ethnicity and Stroke Professor Pankaj Sharma, Professor of Neurology, Royal Holloway College, University of London; Director, Institute of Cardiovascular Research; Consultant neurologist, Imperial College Healthcare NHS Trust
15.00	Dedicated poster viewing time: A selection of posters from submissions will be displayed. The authors will be able to take questions and provide more detail to the inperson audience. Those online can submit questions via the BGS Poster platform.

Stroke

Latest Developments and Guidelines

Moderator: Khalid Ali

15.30 - 16.30	15.30 Rehab Guidelines in Stroke Dr Elizabeth Warburton, Consultant physician in stroke medicine, Neurology Unit, School of Clinical Medicine, University of Cambridge 15.55 Caring for the Stroke Patients Ms Chandrika Kaviraj, Carer 16.10 Discussion
16.30	The power of story in medicine Dr Rachel Clarke, Palliative Care physician, Katharine House Hospice, Oxford Room 3
