WELCOME TO ICR 2023

International Congress of Radiology "ICR" – International Society of Radiology "ISR".

International Society of Radiology (ISR) is a federation of the world's national radiological societies with a mission to facilitate the global endeavors of the ISR's member organizations in order to improve patient care and population health through diagnostic medical imaging and image-guided interventions.

And It is ISR's honor to announce that The International Congress of Radiology (ICR) 2023 will take place in Egypt, hosted and organized by the Egyptian Society of Radiology and Nuclear Medicine "ESRNM".

All dear colleagues are welcomed to join us, kindly register or submit your abstract and be part of the most globally renowned Radiology Conference ICR 2023.

Our astonishing event ICR comes from 15th to 17th March, 2023 on the shores of the Red sea at the beautiful city of Hurghada Egypt, at Steigenberger ALDAU Hotel in Hurghada.

We are looking forward to welcoming an outstanding number of attendees, promising them great networking opportunities with fellow radiologists as well as leaders of the industry, ambitious investors, and innovators.

Our extensive scientific agenda is rich in most recent updates, top trending topics, and lectures by the most distinguished speakers covering all subspecialties in medical imaging.
