# FOOT AND ANKLE ARTHROSCOPY:

## ST. LOUIS SURGICAL SKILLS COURSE

Sponsored by the Missouri Podiatric Medical Association in affiliation with  
Saint Louis University School of Medicine

**[HTTP://PA.SLU.EDU](http://pa.slu.edu)**

**SAINT LOUIS**

**UNIVERSITY™**

An offering through:

Practical Anatomy & Surgical Education,, Department of Surgery  
Saint Louis University School of Medicine

## COURSE DIRECTOR

### Brian Carpenter, DPM

Professor, Department of Orthopaedics  
University of North Texas  
Health Science Center  
Ft. Worth, TX

## FACULTY

### J. Randolph Clements, DPM

Assistant Professor of Orthopaedic Surgery  
Department of Orthopaedic Surgery  
Foot and Ankle, Co-Section Chief  
Virginia Tech - Carilion School of Medicine  
Carilion Clinic  
Roanoke, VA

### Meagan Jennings, DPM

Attending, Silicon Valley Foot and Ankle Reconstructive Fellowship,  
Palo Alto Medical Foundation  
AAFAO Advisory Committee  
Mountain View, CA

### Steve A. Mariash, DPM, FACFAS

Fellow, American College of Foot and Ankle Surgeons  
Board Certified in Foot and Teconstructive Rearfoot/Ankle Surgery  
Board of Medical Advisors, International Foot and Ankle Foundation  
Faculty, American Academy of Foot and Ankle Osteosynthesis  
Private Practice, St. Louis Orthopedic Associates  
Sartell, MN

### Jack M. Schuberth, DPM

Chief, Foot and Ankle Surgery  
Department of Orthopedic Surgery  
Kaiser Hospital  
San Francisco, CA

Faculty subject to change, for updates, please go to <http://pa.slu.edu>

# FOOT AND ANKLE ARTHROSCOPY:

## ST. LOUIS SURGICAL SKILLS COURSE

### Friday, January 26, 2018

7:30 AM - 6:30 PM

- Welcome, Introduction, and the Rules
- Overview and History of Arthroscopy
- Arthroscopic Instrumentation (Set Up, Portals, Pumps, Distraction, Maneuvers, Pistoning, & Rotation)
- Complications of Arthroscopy (Related to Approach/Prevention of Complications)
- Arthroscopic Anatomy (Including STJ and Ankle Arthroscopic Portals)
- Soft Tissue Pathology
- **Hands-on Cadaver Lab:**  
Portals/Triangulation Anatomy/Foreign body Extraction/Soft Tissue Pathology
- Arthroscopy of OCD (Including Bone Grafting, Retrograde Drilling)
- Cartilage Replace Techniques
- Anterior Lip Arthroscopy
- **Hands-on Cadaver Lab:**  
Anterior Lip/ Micro/Nanofracture, Retrograde Drilling, Cylindrical Osteocartilage Graft Transfer, Particulate Cartilage, Transmalleolar Portals
- Reception/Case Discussions

### EDUCATIONAL OBJECTIVES

- Understand basic arthroscopic principles, instrumentation and maneuvers
- Be able to apply arthroscopic techniques to commonly encountered ankle and foot pathologies
- Understand advanced techniques of arthroscopy, including arthrodesis, intra-articular bone grafting, and the applications for trauma.

### CONTINUING EDUCATION

The Foot and Ankle Arthroscopy, St. Louis Surgical Skills Course will be held on January 26 and January 27, 2018. This Course is approved by the Missouri Podiatric Medical Association, an approved sponsor of Continuing Education in Podiatric Medicine.

Continuing Education Contact Hours (CECH) are awarded based on actual days in attendance at the conference lectures and hands-on cadaver workshops with a maximum of 13.0 CECH.

### Saturday, January 27, 2018

7:30 AM - 3:45 PM

- Posterior Ankle Arthroscopy (Procedures for Periarticular Pathology, Impingement after Total Ankle)
- Subtalar Arthroscopy
- **Hands-on Cadaver Lab:**  
Posterior Ankle Arthroscopy, Subtalar Arthroscopy
- Arthroscopic Assisted Trauma (Including Syndesmosis Eval)
- Arthroscopic Ankle Arthrodesis (AAA)
- **Hands-on Cadaver Lab:**  
AAA, Talar Neck Fracture, Syndesmosis Debridement
- Course Wrap Up/Questions and Answers/Evaluations

### TUITION:

Physicians/Residents/Fellows/USA Military .....\$1,600

*The education the participant gains through our CME activities does not satisfy training requirements to perform the surgery.*

**Refund Policy:** A refund less 10% registration fee will be refunded if cancellation is received before January 20, 2017. Please note that it will take 5-10 business days for the refund to post back to your account.
