

# INTEGRATIVE Biology & Medicine

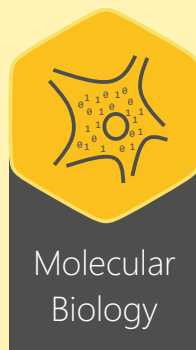

2-7 October, 2017 | Kyiv, Ukraine

**Integrative Biology & Medicine** is the conference in Ukraine focused on computational biology (systems biology and bioinformatics) and translational medicine.

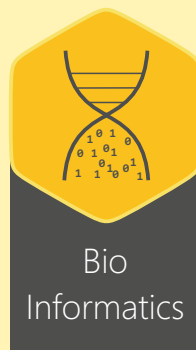

**Our mission** is to create the atmosphere for sharing integrative approaches to understand life and disease.

# INTEGRATIVE

## Biology & Medicine

### SPONSORSHIP OPPORTUNITIES

**Integrative Biology & Medicine** is the first conference in Ukraine focused on bioinformatics, systems biology, evolution, and personalized medicine. The conference is organized by enthusiastic early-career researchers. It will take place on October 2-7, 2017 in Kyiv (Ukraine).

**25+ speakers** from 12 countries of the globe will present their recent research in detailed lectures. You are very welcome as a partner, sponsor, visitor, participant.
