3rd Abu Dhabi Obstetrics, Gynecology & Midwifery Congress 2015 8th-9th October 2015, Jumeirah Etihad Towers, Abu Dhabi, UAE

مستشفى المفرق
Mafrq Hospital

The third installment of the Abu Dhabi Obstetrics, Gynecology & Midwifery Congress 2015 aims to raise the profile of women's health, in addition to providing improvements through the sharing of knowledge and promoting the best practices among the healthcare community.

This congress will focus on contemporary advancement in the field of women's health and update research on and treatment in obs-gyne specialization. It will provide findings and interpretations of leading edge research that promotes productive medicine and fertility. The two-day event will be accredited for Continuing Medical Education (CME) hours and is sure to provide delegates with current initiatives and state-of-the-art innovations from a host of internationally renowned speakers.

The 3rd Abu Dhabi Obstetrics, Gynecology & Midwifery Congress 2015 will offer high caliber scientific material, delivered via renowned experts in the field of women's health, who will be converging on the cosmopolitan city of Abu Dhabi.

To participate in what promises to be one of the most informative, highly acclaimed women's health forums in the region, be sure to register early to guarantee your spot!
