## REGISTRATION BROCHURE

Vancouver Convention Centre East  
Vancouver, B.C., CANADA

# DEAR ASNR MEMBERS, VISITORS, AND NEUROSCIENCE COLLEAGUES:

© 2013 Vancouver Convention Centre

It is my pleasure to invite you to the ASNR 56<sup>th</sup> Annual Meeting in the beautiful city of Vancouver, B.C., Canada from June 2–7, 2018. An eventful Symposium and Annual Meeting have been planned at the Vancouver Convention Centre East. Vancouver boasts a downtown metropolis filled with vibrant restaurants, activities, and tourist attractions.

ASNR enthusiastically presents **Neuroradiology: Adding Value and Improving Healthcare** at the Symposium of the Foundation of the ASNR, as well as the common thread throughout the Annual Meeting. The Foundation of the ASNR Symposium 2018 will be held June 2–3. Implementing a value-based strategy in imaging has grasped the attention of nearly every healthcare provider; in particular with Radiologists understanding that the future will demand their imaging practices deliver better value. Value in healthcare can be defined in many ways but it is typically described as those imaging strategies that yield improved outcomes, lower costs, or both.

The 56th Annual Meeting will continue from June 4–7, with a focus on how to keep up with the constant changes of healthcare reform, maintaining quality, considering cost, and teaching best practices. The theme emphasizes imaging that improves health outcomes, while considering costs, thus adding value. Our discussions will incorporate many innovative approaches to how neuroimaging currently does and will continue to improve overall healthcare performance. Informative updates will be provided on general Neuroradiology and showcase specialty programming from the ASFNR, ASHNR, ASPNR, ASSR, and SNIS.

The heart of the meeting will be invited lectures, original presentations, scientific posters, parallel paper sessions, and educational exhibits.

There will be approximately 40.75 hours of continuing medical education credit available, including at least 14 Self-Assessment Module (SAM) Sessions. We will again feature valuable, non CME “How-To-Sessions” and other offerings sponsored by our commercial partners, updating you on the capabilities and use of their hardware and software. Our special Keynote speaker, Mr. Andy DeLaO will discuss the value of neuroradiology in the changing healthcare environment today.

Among its most valuable functions, the Annual Meeting allows attendees to immerse themselves in innovative brain, spine, and head & neck imaging while connecting with over 1,700 fellow physicians, exhibitors, keynote speakers, and most importantly, colleagues and friends! Please visit the [ASNR 2018 Annual Meeting website](#), where new information is constantly being added. I look forward to an exciting meeting, and extending a warm welcome to you in Vancouver, B.C., Canada!

Pina C. Sanelli, MD, MPH, FACR  
ASNR 2018 Program Chair / President-Elect

# >>>ASNR 56<sup>TH</sup> ANNUAL MEETING

## Neuroradiology: Adding Value and Improving Healthcare

The ASNR Executive Committee invites you to participate in our 56<sup>th</sup> Annual Meeting & The Foundation of the ASNR Symposium 2018, June 2-7, 2018. Our meeting venue for the week is the beautiful Vancouver Convention Centre East, located in the midst of ocean breezes, cruise ships, and attractions galore. Vancouver is bustling with dining, accommodations, shopping, and adventures.

### FOOD SERVICE:

- **Saturday:** ASNR will provide an Afternoon Beverage Break.
- **Sunday:** ASNR will provide Morning & Afternoon Beverage Breaks, Breakfast & Lunch service.
- **Monday through Wednesday:** ASNR will provide Morning & Afternoon Beverage Breaks, Breakfast & Lunch service.
- **Thursday:** ASNR will provide Morning Beverage Break and Breakfast service.

### REGISTRATION FEE ALSO INCLUDES:

- ASNR Annual Meeting Proceedings on the Meeting Portal.
- Complimentary Food Service.
- Sunday evening Closing Reception of the Symposium.
- Monday evening Annual Meeting Reception with Technical Exhibitors.
- Access to Annual Meeting App on Guidebook

## SOCIAL PROGRAMMING

### CLOSING RECEPTION OF THE SYMPOSIUM

#### Pan Pacific Vancouver

**Sunday, June 3, 2018**

**6:30PM – 7:30PM PST, Crystal Pavilion Ballroom (Lobby Level)**

All Symposium attendees and exhibitor representatives are invited to a networking reception. Join us for music, light food and beverages, and attendee interaction.

### ANNUAL MEETING RECEPTION WITH TECHNICAL EXHIBITORS

#### Vancouver Convention Centre East

**Monday, June 4, 2018**

**6:15PM – 7:30PM PST, Exhibit Hall B (Convention Level)**

Enjoy mingling with ASNR attendees and exhibitors at our Annual Meeting Reception. Located in the Technical Exhibit Hall B, with light food and beverages.

## >>>HIGHLIGHTS

- General Neuroradiology, Interventional, Functional, Spine, Head and Neck, & Pediatrics.
- Sessions with expanded “Hands-On” experiences with image analysis and review on vendor specific workstations.
- Healthcare Policy Programming and CSI: (Computer Science and Informatics Programming).
- Sessions in collaboration with AOSNHNR, ESNR, CSNR, SNNMI, and SILAN.
- Young Professionals Programming.
- Case of the Day.
- IHIWG - CSF Flow Group: New this year! CSF Flow Group will be integrated into the Annual Meeting program.
- Electronic Scientific Posters, Educational Exhibit Posters, Electronic Educational Exhibits (eEdE's), Guided Poster Tours.
- Technical Exhibits showcasing new technologies and equipment, offering a full range of service and equipment providers dedicated to the field of neuroradiology.
- 14 Self-Assessment Module (SAM) Session Programming throughout the week.
- Earn approximately 40.75 credit hours of Continuing Medical Education (CME) hours.

**KEY** **AOSNHNR** = Asian – Oceanian Society of Neuroradiology and Head & Neck Radiology  
**CSNR** = Canadian Society for Neuroradiology  
**ESNR** = European Society of Neuroradiology

**IHIWG** = The International Hydrocephalus Imaging Working Group - CSF Flow Group  
**SILAN** = Sociedad Ibero Latino Americana de Neurorradiología Diagnóstica y Terapéutica  
**SNNMI** = Society of Nuclear Medicine and Molecular Imaging

# >>>THE FOUNDATION OF THE ASNR SYMPOSIUM 2018

## Neuroradiology: Adding Value and Improving Healthcare

### TARGET AUDIENCE

The **Foundation of the ASNR Symposium 2018** will focus on adding value and improving healthcare in neuroradiology. It will center on how neuroimaging adds value in many subspecialty areas, including brain, spine, head & neck, pediatric and neurointerventional procedures. The target audience will include practicing neuroradiologists, other radiologists charged with interpreting neuroimaging studies, radiology fellows and residents, neuroscientists interested in the latest advances, and non-radiology colleagues whose practices include neuroimaging.

Dedicated topic areas include screening and diagnostic neuroimaging, evidence based neurointerventional treatment, emergency neuroimaging use and usefulness, advanced imaging strategies, and healthcare reform.

### ACCREDITATION STATEMENT

The American Society of Neuroradiology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American Society of Neuroradiology takes responsibility for the content, quality, and scientific integrity of the CME activity.

### CREDIT DESIGNATION STATEMENT

The American Society of Neuroradiology designates this live activity for a maximum of 12.75 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

THE FOUNDATION OF THE ASNR

### OBJECTIVES

- Discuss neuroimaging adding value in clinical care by improving health outcomes and healthcare delivery.
- Explore the extensive utilization of neuroimaging in the emergency setting.
- Diagnose low back pain and recommend other spine imaging and interventions.
- Report on incidental findings and how to manage follow-up evaluations.
- Review normal imaging and understand how negative exams are identified as positive results for patients.
- Evaluate head and neck imaging and determine patient management and treatment.
- Describe ways to improve quality and safety in pediatric neuroimaging.
- Review methods to improve patient outcomes utilizing advanced neuroimaging.
- Discuss the meaning and future of healthcare reform for Neuroradiologists.

# >>>ASNR 56<sup>TH</sup> ANNUAL MEETING

## Neuroradiology: Adding Value and Improving Healthcare

### TARGET AUDIENCE

**ASNR 56<sup>th</sup> Annual Meeting** is the premiere Neuroradiology meeting in the world. The target audience includes:

- Neuroradiologists in practice and research
- General radiologists who interpret neuroimaging studies
- Young Professionals, Trainees and Students
- Brain, Spine and Head & Neck imaging Scientists
- Non-radiology Physicians and Trainees from related disciplines
- Research Scientists

The ASNR 56<sup>th</sup> Annual Meeting is designed to help us deal with the healthcare challenges today and what's new in the advancing field of neuroimaging. These challenges are seen in the clinical, scientific, educational and socio-economic arenas. A variety of learning formats will be offered, to allow for individual learning preferences, featuring educational focus sessions, parallel scientific paper presentations, electronic and traditional posters, Self-Assessment Modules (SAMs), interactive audience response for case-based learning and programming of particular interest to young professionals in training or early practice.

### ACCREDITATION STATEMENT

The American Society of Neuroradiology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American Society of Neuroradiology takes responsibility for the content, quality, and scientific integrity of the CME activity.

### CREDIT DESIGNATION STATEMENT

The American Society of Neuroradiology designates this live activity for a maximum of *28.0 AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## OBJECTIVES

- Discuss the value and future developments of the clinical fMRI service.
- Determine how healthcare reform is impacting Radiologists and Neuroradiologists today.
- Examine solutions for better healthcare while reviewing different payment modules.
- Identify the roles and devices of aneurysm treatment.
- Discuss the role of CT, CTA, Perfusion and Vessel Wall Imaging in acute ischemic stroke.
- Review imaging biomarkers in vascular diseases.
- Define and discuss current stroke therapy.
- Review artificial intelligence and machine learning in neuroimaging.
- Review the value of neuroimaging for psychiatric disorders.
- Define the value of imaging in spinal oncology.
- Explore ways to bring value to the imaging report.
- Review tools in Neuroradiology education and training.
- Define value in PET-MRI for neurological disorders.
- Learn about training across the education continuum.
- Comprehend the basis for and applications of Evidence-Based Medicine as applied to Neuroradiology.
- Identify safety and toxicity to the pediatric brain for MR imaging.
- Review the evidence of spinal interventions.
- Identify and discuss how radiologists are compensated around the world.
- Discuss the value of head and neck imaging in tumor staging.
- Review sinonasal cavity and anterior cranial base anatomy and pathology.
- Identify and discuss lifelong learning for Neuroradiologists.
- Discuss Gadolinium use in neuroimaging.
- Interpret cases in pediatric head & neck imaging.
- Define and discuss temporal bone imaging.
- Review best practices for Neuroradiologists in their early years of their career.
- Analyze imaging genomics for brain tumors.
- Identify social media tools to enhance Neuroradiology practice.
- Discuss vascular lesions in the head & neck.

# >>>PROGRAMMING PREVIEW

## Keynote Speaker

### The Radiology Renaissance: Shaping the Future of Healthcare

Mr. Andy DeLaO  
Keynote speaker

**Introducing Mr. Andy DeLaO  
to ASNR 2018 on  
Monday, June 4, 2018 at  
8:00AM PST – 9:00AM PST**

This keynote will highlight the changing world of radiology inside of healthcare. Radiologists at one point were referred to as the "doctor's doctor." Radiologists were the trusted advisor to help physicians from primary care to specialists such

as surgeons and oncologists make clinical decisions based on imaging. As technology evolves, the role of the radiologist undergoes transformation. Today we are seeing the emergence of another technology evolution in healthcare. It presents an opportunity for Radiologists to transition once again, but the choices they face today will determine the future role of Radiology.

### NEURORADIOLOGY FELLOWS, RESIDENTS, GRADUATE STUDENTS, AND MEDICAL STUDENTS

**Become an ASNR Member-In-Training and register for the meeting at the REDUCED ASNR Member-In-Training Fee.**

1. Select 'Join ASNR' under the "Membership" tab at [www.asnr.org](http://www.asnr.org), complete and submit the online *Member-in-Training* application form.
2. You will be notified via email by the ASNR Membership Department regarding your membership status.
3. Upon receiving email confirmation that you are an ASNR *Member-In-Training* you may register at the reduced registration fee.

# >>>STUDY GROUPS

## ASNR Study Groups

**Study Groups target areas of critical importance to the field of Neuroradiology and are composed of neuroradiologists, neuroscientists, and investigators from associated disciplines, who are united in their interest in higher level, sophisticated investigations of these target areas. These sessions will be offered during the 56<sup>th</sup> Annual Meeting. They are open to all attendees on a first-come, first-serve basis. No CME credit will be awarded for these sessions.**

### CLINICAL TRANSLATION OF FUNCTIONAL DIFFUSION MRI STUDY GROUP

**Monday, June 4, 2018 | 4:45pm – 6:15pm**

The ASNR Study Group for the Clinical Translation of Functional and Diffusion MRI represents an international multidisciplinary endeavor to identify critical knowledge gaps that must be addressed to translate these advanced neuroimaging techniques into sensitive/specific clinical tools for the diagnosis of diseases affecting the brain. The Study Group is comprised of representatives from neuroradiology, neurology, neurosurgery, psychiatry, pediatrics, and the neurosciences, thereby leveraging a broad interdisciplinary perspective to develop a strategic framework of key action items to address these knowledge gaps. To this end, the Study Group has been organized to focus on two primary aims: 1) To investigate the reproducibility of functional and advanced diffusion MRI techniques, which is necessary for translation of these methods into robust diagnostic imaging tools, and 2) To review and disseminate the current evidence to date supporting the use of functional and advanced diffusion MRI methods in clinical practice. Additional manuscripts are being developed to review the methodological breadth of advanced diffusion imaging, as well as the evidence supporting the clinical use of functional and advanced diffusion imaging techniques, as applied to a variety of clinical entities (e.g., psychiatric disease, preterm birth, brain tumors, multiple sclerosis, etc).

### INTRACRANIAL AND CERVICAL VESSEL WALL IMAGING STUDY GROUP

**Tuesday, June 5, 2018 | 4:45pm – 6:15pm**

With the recent success of high-resolution cervical vessel wall imaging for defining stroke risk beyond that achievable by angiography, the Study Group has now turned its attention to the intracranial vessel wall, a new frontier in neurovascular imaging. Recognizing this, the ASNR has supported the formation of this Study Group which is mandated to take a leading role in advancing both clinical applications and research in this new and growing field. This Study Group is composed of a multidisciplinary team organized to develop methodologies and share clinical expertise for redefining knowledge of both cervical and intracranial vasculopathies. Its primary goals are to establish uniform imaging protocols, promote multi-institutional research, and develop educational programs and materials. This group offers a variety of opportunities for making seminal and impactful contributions in this field.

### IMAGING GENOMICS STUDY GROUP

**Wednesday, June 6, 2018 | 4:45pm – 6:15pm**

The ASNR Imaging Genomics Study Group serves as a unified voice and body for advancing the clinical and research applications of imaging genomics. For this mission this Study Group is working on the development and validation of imaging genomics biomarkers and biomarker signatures. This Study Group seeks to pool genomic data from multicenter image-guided tumor biopsies in combination with quantitative data from anatomic and physiologic MR. Imaging genomics correlates and investigates the relationship between imaging features of tumors and metabolomic and proteomic expression data to form the most complete imaging-molecular data analysis possible. This Study Group is also focusing on the need for standardization of imaging across vendors, software platforms, post-processing techniques, etc., and on enhancing awareness and multidisciplinary collaboration among the imaging and non-imaging communities to advance imaging genomic paradigms within these fields. This Study Group has finalized for publication the *ASNR Imaging Genomics White Paper* exploring the current state and future directions of imaging genomics in brain tumors.

# >>>HOTEL ACCOMMODATIONS

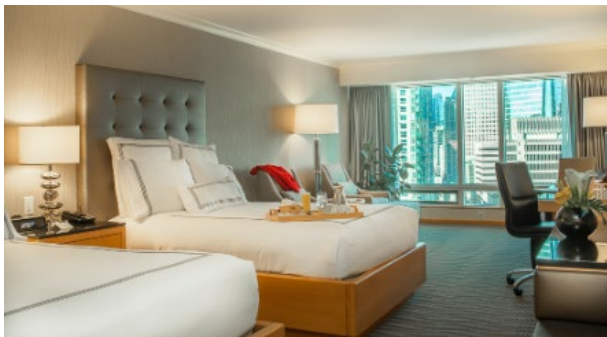

## Pan Pacific Vancouver

### HEADQUARTERS HOTEL

999 Canada Place, Vancouver, BC

© Pan Pacific Vancouver

© Pan Pacific Vancouver

The Pan Pacific Vancouver Hotel in British Columbia is situated on the downtown waterfront of this vibrant metropolis, which is home to some of Vancouver's top business venues and tourist attractions. Pan Pacific Vancouver has a sleek, contemporary style, which is beautifully complemented by the soothing majestic Pacific West Coast skyline. The 503 expansive rooms offer magnificent views from the floor-to-ceiling windows, which also provide natural light.

#### Guest Accommodations

All Pan Pacific Vancouver 4-Diamond (non-smoking) guest rooms are equipped with spacious living and dining areas, rain steam showers, bathrobe, hairdryer, personal digital safe, ironing board and pillow-topped beds. Check-in time is 4:00PM PST and check-out time is 12:00PM PST. The negotiated conference rate offers in-room complimentary high-speed internet. The hotel offers on-site dining options including a patio terrace with outdoor dining.

| Room Type                                                                                                                                                                        | Rate Per Night         | Advance Room Deposit* |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|-----------------------|
| <b>Deluxe Room</b>                                                                                                                                                               | \$280 CAD<br>\$223 USD | \$269 USD             |
| <b>Deluxe Harbour</b>                                                                                                                                                            | \$302 CAD<br>\$238 USD | \$291 USD             |
| <i>Daily in-room internet access, pool, fitness center, and business center are all INCLUDED in the room rate.</i><br><i>*As of 11/10/17, total of 17.5% hotel tax per room.</i> |                        |                       |

\*Both hotels will charge in Canadian dollars based on current exchange rate.

## Advance Housing Deposit

### WHY IS IT REQUIRED?

ASNR has incurred attrition charges for rooms in our hotel block where reservations were cancelled or "no-shows" at the last minute at several of our recent annual meetings. ASNR is charged the room rate plus tax for every room below our contracted numbers. As a part of ASNR's plan for eliminating attrition, the Advanced Housing Deposit policy was implemented in 2002 along with review of all future hotel contracts, reductions in the contracted hotel room blocks to better reflect current use patterns, and weekly monitoring of hotel reservations for the current year's meeting.

This plan has been successful in helping ASNR limit the financial burden resulting from high attrition fees. The amount of last-minute cancellations and no-shows has decreased significantly in recent years. As a result, the amount of attrition fees charged to ASNR has also decreased. The forfeited funds resulting from the Advanced Housing Deposit policy has enabled ASNR to pay incurred attrition fees.

If you should have any questions concerning these policies in effect for the ASNR 56<sup>th</sup> Annual Meeting, please contact:

**Lora Tannehill, CMP-HC**  
**ASNR Director of Scientific Meetings**  
**630-574-0220 ext. 229**

# >>>HOTEL ACCOMMODATIONS

## Fairmont Waterfront Vancouver

### OVERFLOW HOTEL

900 Canada Place Way, Vancouver, BC

© Fairmont Waterfront

© Fairmont Waterfront

Nestled on Vancouver's harbor and offering spectacular water views of Stanley Park, coastal mountains and sparkling city skyline, Fairmont Waterfront truly embodies relaxed West Coast luxury. Fairmont Waterfront embraces a sustainable philosophy through its commitment to economic, environmental, and social programming through the Fairmont Sustainability Partnership as experienced, for example, in its Bee Sustainable Program.

### Guest Accommodations

This 4-Diamond urban retreat features spacious, clean, guest rooms (non-smoking) and suites, upscale comfort, and personalized service. All rooms have Sealy Posturepedic pillow-top beds, in-room safe, large working desk with chair, personal Keurig coffee system and tea, and bath amenities. Check-in time is 3:00PM PST and check-out time is 12:00PM PST. The negotiated conference rate offers in-room complimentary high-speed internet. The hotel offers on-site dining ARC Restaurant – urban artisan food, servicing breakfast, lunch, and dinner.

| Room Type                                                                                                                                                          | Rate Per Night         | Advance Room Deposit* |

# >>>2018 HOUSING AND MEETING REGISTRATION POLICIES

Attendee hotel reservations for the ASNR 56<sup>th</sup> Annual Meeting must be made by booking online at [2018.asnr.org](http://2018.asnr.org) or by fax at (630) 574-0661.

## 3 Easy Ways To Register and Reserve a Hotel Room

- 1. Online** [2018.asnr.org](http://2018.asnr.org)
  - 2. Fax** (630) 574-0661  
Attention:  
Meetings Department
  - 3. Mail** ASNR  
800 Enterprise Drive,  
Suite 205  
Oak Brook, IL 60523-4216  
U.S.A.
- Questions?** Please contact the Meetings Department at (630) 574-0220 ext. 231 or by e-mail at [meetings@asnr.org](mailto:meetings@asnr.org)

*Enclose money order or check for the Advance Housing Deposit or guarantee to a major credit card.*

## Booking Your Housing Reservation

**Housing Reservation Deadline: FRIDAY, APRIL 13, 2018**

### ONLINE:

1. Before you can make a hotel reservation you must register for the ASNR Annual Meeting.
2. Provide ASNR with the advance housing deposit of \$269 USD or \$291 USD depending on room type at the Pan Pacific Vancouver – \$247 USD or \$271 USD depending on room type at the Fairmont Waterfront.
3. At that time you will also provide your arrival and departure dates along with any special room requests.
4. Once you have paid the advance housing deposit and have confirmed your housing details, you will receive an acknowledgement from the Pan Pacific Vancouver or Fairmont Waterfront. Your housing reservation will not be complete unless you have received the confirmation.
5. The deposit will appear as a credit on your room account folio upon arrival check-in.

### FAX:

1. Fax your reservation form to ASNR (630) 574-0661.
2. ASNR will charge you the advance housing deposit of \$269 USD or \$291 USD depending on room type at the Pan Pacific Vancouver – \$247 USD or \$271 USD depending on room type at the Fairmont Waterfront.
3. Once you have paid the advance housing deposit and have confirmed your housing details, you will receive an acknowledgement from the Pan Pacific Vancouver or Fairmont Waterfront. Your housing reservation will not be complete unless you have received the confirmation.
4. The deposit will appear as a credit on your room account folio upon arrival check-in.

### REFUNDS:

- All ASNR reduction and cancellation penalties apply upon payment of the advance housing deposit.
- Refunds will be issued 6–8 weeks after the close of the meeting.
- Refunds will not be issued for no-shows.

### REMINDERS:

- CANCELLATIONS made in writing BEFORE 5:00pm PST on Friday, April 13, 2018 will result in a \$100 USD cancellation fee.
- CANCELLATIONS made AFTER 5:00pm PST on Friday, April 13, 2018 will result in NO REFUND.
- CHANGES in Housing Reservations made AFTER 5:00pm PST on Friday, May 4, 2018 can be made directly with the Pan Pacific Vancouver and Fairmont Waterfront.

## Meeting Registration

### BADGES

- Name badges will be picked up on-site
- Requests for a new badge are subject to a \$15 USD replacement fee

### CHANGES

All Registration changes and cancellations must be made in writing by Friday, April 13, 2018. There is an administration fee of \$25 USD for changes.

- Fax all requests for changes to: **(630) 574-0661**
- Email all requests for changes to: [meetings@asnr.org](mailto:meetings@asnr.org)
- Send all requests for changes to:  
**ASNR 56<sup>th</sup> Annual Meeting**  
**Attention: Meetings Department**  
**800 Enterprise Drive, Suite 205**  
**Oak Brook, Illinois 60523-4216 U.S.A.**

### CANCELLATIONS

- Cancellations made prior to 5:00pm PST Friday, April 13, 2018 will result in a \$100 USD cancellation fee
- Cancellations made after 5:00pm PST Friday, April 13, 2018 will **NOT BE REFUNDED**
- **Cancellations will not be accepted by phone!**

### REFUNDS

- Refunds will be issued 6-8 weeks after the close of the meeting
- Refunds will not be issued for no-shows

### Phone Inquiries:

**Canada and International:**  
**+1 (630) 574-1376**  
**U.S.A. (Toll-Free): 1 (888) 734-7300**  
**Email Inquiries: [meetings@asnr.org](mailto:meetings@asnr.org)**

## 3 Easy Ways To Register

| 1. Online* at:                                                                 | 2. Fax:                                                                 | 3. Mail:                                                                                                           |
