Dermatologist, Dermatopathologist, Laboratory Director
Trident Dermatology
Charleston, SC

Aimee C. Smidt, MD, FAAD

Chair - Department of Dermatology
University of New Mexico School of Medicine
Albuquerque, NM

The South Carolina Academy of Dermatology and Dermatologic Surgery Annual Meeting (Program #214100) is recognized by the American Academy of Dermatology for 8.25 AAD Recognized Credit(s) and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the South Carolina Medical Association and the SC Academy of Dermatology and Dermatologic Surgery.

The South Carolina Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

The South Carolina Medical Association designates this "live activity" for a maximum of 8.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To be compliant with the AMA's "Physician's Recognition Award and Credit System,"¹ we require physicians to attest to the amount of time they are claiming credit – which should be commensurate with the extent of time they participate in a CME activity.

To assure compliance, we now require all physicians attending or participating in an accredited CME activity, to complete the "contact information" portion of the evaluation and, specifically, sign where indicated on the evaluation.

The 2018 SCADDS's Scientific Symposium is designed for dermatologists. The SCADDS reserves the right to modify speakers, topics, and learning objectives as needed. The SCADDS will gladly assist registrants with special needs. Please make requests in writing on or before March 13, 2018.
