# Frontiers in Intestinal and Colorectal Disease

## St Mark's Hospital's 17th Annual International Congress

### 27th-29th November 2019

Hosted by the Royal College of Physicians, London

We are delighted to announce that our visiting professors for 2019 will be Sebastian Biondo (Centro Médico Teknon, Barcelona), Siew Ng (Prince of Wales Hospital, Hong Kong) and Neil Shepherd (Cheltenham General Hospital).

This congress will offer a variety of cutting edge symposia including:

- The liver and gut disease
- Our practise and the law
- Biomarker-led therapy for IBD
- Dealing with emergencies, including diverticulitis and lower GI bleed
- Quality in rectal cancer surgery - what is it and how to achieve it

Please get in touch and secure your place now!
