SEE BRILLIANTLY

TOTAL Comfort^{1,2} All Month Long

Water Gradient Technology
features **nearly 100%** water at the outermost surface*, so nothing touches the eye but a gentle cushion of moisture.³⁻⁴

CELLIGENT® Technology
helps resist bacteria and lipid deposits for a clean lens.^{5-8*}

BLUE-VIOLET LIGHT FILTERING AND UV BLOCKING

TOTAL30® monthly replacement contact lenses filter 34% of blue-violet light rays (BVL)^{††} while blocking more than 90% of UVA and 99% UVB rays.^{9,10††}

*Based on laboratory testing of unworn lenses.

†There is no demonstrated clinical benefit to a 34% reduction in blue-violet HEV light at wavelengths below 450 nm.

††UV-absorbing contact lenses are NOT substitutes for protective UV-absorbing eyewear, such as UV-absorbing goggles or sunglasses because they do not completely cover the eye and surrounding area. The patient should continue to use UV-absorbing eyewear as directed.

MEET US IN THE BIG EASY!

What You've Come to Expect and More

This year, Academy members, visitors, and friends can look forward to another exceptional annual meeting. Academy 2023 New Orleans promises the continuing education, networking, and special events the Academy is known for, along with opportunities to meet with our exhibitors and learn about their latest innovations in the optometric industry.

To complement your attendance, the beautiful, culturally rich city of New Orleans offers a long colorful history, indulgent food and drink, and irresistible live music.

At Academy 2023 New Orleans, there is something for everyone!

Registration pricing includes:

Continuing Education Session Access:

including all educational programming except workshops, ACE courses, and leadership courses *(additional fees apply)*

Exhibit Hall Access

Social & Special Events:

including Saturday's Academy Celebration Banquet

Continuing Education Certificate

Registration locations:

Hilton New Orleans Riverside Satellite Registration:

- Dates and times TBA

New Orleans Ernest N. Morial Convention Center

Main Registration:

- Tuesday, October 10
1:00 p.m. — 5:00 p.m.
- Wednesday, October 11
7:00 a.m. — 6:00 p.m.
- Thursday, October 12
7:00 a.m. — 5:30 p.m.
- Friday, October 13
7:00 a.m. — 6:30 p.m.
- Saturday, October 14
7:00 a.m. — 5:30 p.m.

**Hours subject to change.*

2023 Cancellation Policy:

Requests for meeting refunds, which include registration fees, workshops, leadership courses, and banquet tickets, must be received in writing at the Academy office before August 10, 2023, at which time a full refund less \$25 will be administered.

Written requests received on or after August 11, 2023, and not later than September 30, 2023, will be assessed an administrative charge of 25% of the total fees. No refunds will be given to requests received after October 1, 2023.

REGISTRATION

Registration opens Monday, April 24. You may register:

- online: aaopt.org/annualmeeting • email: registration@aaoptom.org • call: (321) 319-4860 or toll free (844) 323-3937

Hotel information will be available as soon as registration opens. Once your online registration is complete, you will be presented with a link enabling you to make hotel reservations.

EDUCATION / All CE, All the Time™

Earn up to 32 hours of CE credit at Academy 2023 New Orleans. Our motto “All CE, All the Time™” means CE is available for all lectures, workshops, Section and Special Interest Group (SIG) symposia, and some special events.

Lectures and Workshops

Engage with the most cutting-edge speakers and researchers in the field with over 300 hours of lectures to choose from.

- Rapid Fire sessions have been planned to offer fast-paced, captivating talks in 12-minute increments.
- No need to register for individual courses. Every lecture (with the exception of Workshops, ACE and Leadership) is open to all registered participants on a first come/first served basis. RFID towers will automatically scan your badge upon entering each course. Be sure to enter and exit the doors where the towers stand.
- Hands-on workshops are available at an additional charge. You must be registered for the meeting on the day of the workshop to enroll.
- Academy Classroom Exchange (ACE) courses offer attendees a small group learning experience with emphasis on maximizing discussion and interaction with the course presenter(s). Available at an additional charge.
- CEE courses will be offered each day. Information on CEE examinations will be available via the mobile app and at the on-site Education desk onsite.

Scientific Program Papers and Posters*

Learn about the latest in research at the Academy’s Scientific Program and accumulate credit in 15-minute increments throughout the paper and poster sessions. Scientific and clinical education posters offer a visual presentation of cutting edge research, instructive case reports, clinical education, and clinical trials. Scientific and clinical education papers offer innovative research presented in 15-minute lectures.

Thursday Evening Poster Session Thursday, October 12, 4:30 – 6:30 p.m.

On Thursday, posters are presented in a single-evening session combined with a cocktail hour, including a complimentary drink with meeting registration. Plan to stop by for some CE before heading out to dinner.

Joint Scientific Program/ Residents Program Poster Session Friday, October 13, 1:00 – 3:00 p.m.

Join us at the Scientific Program’s first joint poster session with the Residents Program. Stop by for presentations given by your peers and/or residents.

Scientific Program Paper Sessions

Paper sessions will be offered throughout the meeting. The session schedule and details will be finalized July 2023.

Valerie Kattouf, OD, FAAO, Illinois College of Optometry and Susan Cotter, OD, MS, FAAO, President of American Academy of Optometry.

ACADEMY SPOTLIGHT: Young OD Reception

This event brings together residents and new ODs to network and share in the camaraderie of Academy 2023 New Orleans. Stop by for hors d'oeuvres and a drink.

Residents Reception

Attend this fun and energetic, resident-only reception to mingle amongst peers and hear an address from a leading innovator in the optometric profession.

Industry Innovation Lunch + Learn*

Nine industry-sponsored, 50-minute presentations will take place directly following the Plenary Session on Wednesday, October 11, at 12:00 p.m. Lunch is complimentary and seating is limited.

Academy Breakfast Talks*

These 45-minute sponsored presentations at the Hilton Riverside Hotel include breakfast and the latest industry developments and advancements in the profession.

Academy Innovation Station*

Learn the latest the industry has to offer as you enjoy a snack and a cup of coffee in these short 20-minute sessions.

Academy Celebration Banquet Saturday, October 14, 7:00 – 9:30 p.m.

Join us for an evening of fellowship and comradery as we come together to celebrate the Class of 2023 New Fellows and Diplomates and our volunteers and leadership with dinner and entertainment. More details to follow.

**No cost to attend. No CE provided.*

You can be a part of the program! Learn more at www.aaopt.org.

*The Scientific Program submission window will be open from May 1–31, 2023.

Special Events and Section/SIG Symposia

WEDNESDAY, OCTOBER 11:

FEATURE 10:00 a.m. – 11:40 a.m.

PLENARY SESSION: Mental Health in Optometry

This unopposed event features NFL player Brandon Marshall and his experience with mental health issues. We will also be joined by Bernadette Melnyk, PhD, Chief Wellness Officer and Dean of Nursing at The Ohio State University, who will discuss workforce mental health care and share data specific to Academy Fellows. *Be on the lookout for a survey, so the comparison data with other health care professions will be accurate.* Academy Fellow Dennis Pardo, OD, FAAO, LCSW, will cover how optometrists can help patients who are suffering mental health issues.

8:00 a.m. – 10:00 a.m. • American Academy of Optometry/Optometric Glaucoma Society Joint Symposium

1:00 p.m. – 3:00 p.m. • Professional Development while Maintaining Work-Life Balance (Academic Optometry SIG Symposium)
• Ocular Regenerative Medicine: Emerging Solutions to Clinical Challenges (Vision Science Section Symposium)

3:00 p.m. – 5:00 p.m. • The Personalized Glaucoma Risk Assessment (Glaucoma Section Symposium)
• From the Trenches: Complex Cases at Academic Medical Centers (AMCO SIG Symposium)

4:00 p.m. – 5:00 p.m. • Section on Cornea, Contact Lenses & Refractive Technologies Awards Ceremony and Max Schapero Lecture (.5 credit for continuing education)

THURSDAY, OCTOBER 12:

8:00 a.m. – 9:00 a.m. • Hot Topics in Discovery – choose from four tracks of cutting-edge science

9:00 a.m. – 11:00 a.m. • Diagnostic and Treatment Considerations in the Perinatal Patient (Comprehensive Eye Care Section Symposium)

10:00 a.m. – 11:40 a.m. • Monroe Hirsch Research Symposium: Age-related Macular Degeneration: Food for Thought – The Treatment Might Lie Beyond the Retina, Even in the Gut

• Social Determinants of Health and Access to Eye Care (Joint PHEV Section and ASCO DEI SIG Symposium)

1:30 p.m. – 3:30 p.m. • AA02AA0 Joint Symposium – Traumatic Brain Injury
• Panel Presentation on Advances in Anterior Segment Ophthalmic Laser Procedures (Ophthalmic Lasers SIG Symposium)
• Unpacking Identity, Health, and Cultural Competence in the Care of Latinx Patients (¡Salud! Latinx/Hispanic/Chicanx SIG Symposium)

FRIDAY, OCTOBER 13:

8:00 a.m. – 9:40 a.m. • **AWARDS CEREMONY**
Includes Prentice and Fry Lectures
NOTE: This is one hour of CE credit for two hours of attendance. Partial credit is not given.

10:00 a.m. – 11:40 a.m. • Myopia Management in 2023 and Beyond: Cutting-edge Concepts and Clinical Recommendations (Joint BVPP0/CCLRT Section Symposium)
• Autonomous Vehicles and Driver Assistance Technology: What Can They Do for Drivers with Vision Impairment Now, and What Does the Future Hold? (Low Vision Section Symposium)
• 2023 Updates in Retinal & Clinical Manifestations of Neurodegenerative Disorders (PHEV Section Symposium)

2:00 p.m. – 4:00 p.m. • Drop, Pulse, Cut or Implant? Next Generation Optometry (Anterior Segment Section Symposium)
• Lawrence Gray Symposium: Double Vision Dilemmas: Is it Neuro or Not? (Disorders in Neuro-optometry SIG)
• The Impact of Sleep on Ocular Health (Nutrition, Disease Prevention, and Wellness SIG Symposium)

The American Academy of Optometry is accredited by COPE to provide continuing education to optometrists.

Diplomate Prep Courses

Academy Fellows, be sure to add these courses to your registration.

TUESDAY, OCTOBER 10:

• Binocular Vision, Perception and Pediatric Optometry \$200/225

8:00 a.m. – 9:00 a.m.	David Cook	• Non-Classical Approach to Strabismus Management
9:00 a.m. – 10:00 a.m.	Graham Erickson	• Classical Approach to Strabismus Management
10:00 a.m. – 12:00 p.m.	David Cook Graham Erickson	• Strabismus Case Management Tips from the Non-Classical Approach vs. the Classical Approach

LUNCH

1:00 p.m. – 2:40 p.m.	Tracy Matchinski	• Evaluation and Management in Pediatric Vision Rehabilitation
3:00 p.m. – 4:40 p.m.	John Tassinari	• Strabismus Diagnosis and Therapy Open Lab Workshop

• Comprehensive Eye Care \$50

1:00 p.m.	Siva Meiyeppen	• Clinical Management of Binocular Vision
2:00 p.m.	Kriti Bhagat	• The VIPs of RGP Lenses: A Review of RGP, Hybrid, and Scleral Lens Candidates

THURSDAY, OCTOBER 12:

• Anterior Segment \$75

9:00 a.m. – 12:00 p.m.	John Conto Richard Weisenberger Nicholas Colatrella Zanna Kruoch	• Anterior Segment Slide Challenge
		• Anterior Segment Jeopardy
		• Analysis Paralysis: The Selection and Writing of Case Reports

• Optometric Education Section (Special Event, limited to 50 people) \$50

1:30 p.m. – 3:30 p.m.	• Adapting Your Teaching to the New iGeneration in a Post-Pandemic World
-----------------------	--

This will be an interactive session between current medical school educators (speakers) and optometric educators (target audience) and will focus on effective teaching strategies for our current and rising cohort of students, known as 'Generation Z' or 'iGeneration/iGen'. Particularly we will identify literature-based iGen characteristics and learning styles, and compare these to the characteristics of previous generations of students.

FRIDAY, OCTOBER 13:

• Glaucoma \$50

9:00 a.m.	Mitchell Dul	• Incorporating Predictive Value Into Your Glaucoma Workup: How Valid is Your Assessment?
10:00 a.m.	Jack Phu	• Clinical Perimetry in Glaucoma: "Bench to Bedside"

Schedule at a Glance

WEDNESDAY, OCTOBER 11

8:00 a.m. – 5:00 p.m.	Education
10:00 a.m. – 11:40 a.m.	Plenary Session: Mental Health in Optometry
12:00 p.m. – 1:00 p.m.	Industry Innovation Lunch + Learn
5:00 p.m. – 7:00 p.m.	Exhibit Hall Open
5:00 p.m. – 7:00 p.m.	Exhibit Hall Welcome Reception

THURSDAY, OCTOBER 12

8:00 a.m. – 4:30 p.m.	Education
11:30 a.m. – 1:00 p.m.	Student/Resident Awards Lunch
10:00 a.m. – 6:30 p.m.	Exhibit Hall Open
10:00 a.m. – 11:00 a.m.	Student Focus Exhibit Hall Hour
11:30 a.m. – 1:00 p.m.	Lunch Break
4:00 p.m. – 6:00 p.m.	Attendee Reception in Exhibit Hall
4:30 p.m. – 6:30 p.m.	Scientific Program Poster Session
6:30 p.m. – 8:00 p.m.	New Fellows Reception

FRIDAY, OCTOBER 13

8:00 a.m. – 10:00 a.m.	Academy Awards & Prentice/Fry Lectures
9:00 a.m. – 3:00 p.m.	Exhibit Hall Open
10:00 a.m. – 6:00 p.m.	Education
10:00 a.m. – 5:00 p.m.	Residents Program Education/Events
11:30 a.m. – 1:00 p.m.	Lunch Break
11:30 a.m. – 1:00 p.m.	Residency & Graduate Program Fair
1:00 p.m. – 3:00 p.m.	Joint Scientific Program/Residents Program Poster Session
6:00 p.m. – 8:00 p.m.	Alumni Receptions
9:00 p.m. – 12:00 a.m.	Academy Party

SATURDAY, OCTOBER 14

8:00 a.m. – 5:00 p.m.	Education
9:30 a.m. – 2:00 p.m.	Residents Program Education/Events
12:00 p.m. – 2:00 p.m.	Residents Program Career Development Lunch
7:00 p.m. – 9:30 p.m.	Academy Celebration Banquet

Student Fellowship

The Student Fellowship program is an opportunity for students to engage in advanced knowledge and technology through lectures, workshops, posters, and more. The program guides students in developing their skills as optometric or vision science professionals. To participate, you must be an OD student member of the Academy.*

Wednesday, October 11

- Student Welcome Reception
Time TBA

Thursday, October 12

- Student/Resident Awards
Time TBA
- Student Focus Exhibit Hall Hour
10:00 a.m. – 11:00 a.m.
- EssilorLuxottica Academic Challenge
Time TBA

Friday, October 13

- Residency & Graduate Program Fair
11:30 a.m. – 1:00 p.m.

VOLUNTEERS NEEDED

Students and Residents will have a chance to serve as room monitors at the meeting site. This is a great opportunity to fulfill one of the Student

Fellowship requirements, earn CE credits, and get involved with the Academy.

Additional information will be available in the coming months.

SPECIAL PROGRAMS

Merton C. Flom Leadership Academy

The Merton C. Flom Leadership Academy is a year-long training program that provides a framework and platform for leaders in optometry to learn from each other and hone their leadership skills for professional development. The program kicks off with a live, in person course called "Know Yourself: Foundations for Effective Leadership," which is held during Academy 2023 New Orleans.

Participants will then work through eight different virtual modules throughout the year, meeting with expert faculty and colleagues every 4-6 weeks for live activities and discussion sessions. The program culminates in a Capstone Celebration at Academy 2024 Indianapolis to honor the new graduates of the program and welcome them to an exciting Leadership Community in the Academy.

This innovative series will be available exclusively to Fellows and Candidates for Fellowship. The application window is open May 15 - July 14, 2023, 5:00 p.m. ET. This year-round program will be \$195 for those selected.

Continuing throughout 2024, the Leadership Academy will offer eight learning modules focusing on:

- Principles of Effective Leadership I
- Principles of Effective Leadership II
- Embracing Diversity in Leadership
- Effective Communication in Leadership
- Leader's Guide to Productive Meetings
- Public Speaking for Leaders
- Writing Skills for Leaders
- Mentorship: Present and Future Leaders

For more information visit www.aaopt.org/education/professional-development/#merton-flom.

**Participants must attend at least 6 of 8 sessions live in order to complete the program.*

Armed Forces Optometric Society (AFOS) and Academy Annual Meeting

The Armed Forces Optometric Society (AFOS) is excited to hold its meeting in conjunction with the Academy meeting on Monday, October 9, and Tuesday, October 10.

Plan on attending this great in person meeting in New Orleans, Louisiana, featuring excellent continuing education designed for optometrists, residents, and students in the Air Force, Army, Navy, Veterans Affairs, Public Health and Indian Health Services, and enjoy the camaraderie of your federal service colleagues.

The meeting will include the important service specific breakout sessions that enable optometrists to meet with their respective service specialty leaders and discuss current issues facing their service branch. In addition, there will be opportunities to attend hands-on workshops and interact with fellow federal service optometrists and friends at events, including the 2023 AFOS Awards Ceremony.

Join us at the AFOS meeting for continuing education, fellowship, an innovative exhibit hall, and much more. AFOS welcomes and encourages all interested in federal service optometry to attend, including students and residents. Register for the AFOS/AAO Bundle and plan on attending both meetings.

CATEGORY	EARLY BIRD (through 8/22)	REGULAR (8/23 — 10/20)	ON-SITE (after 10/20)
AFOS/AAO BUNDLE RATES			
Academy Member/AFOS Member	\$800	\$900	\$975

Women's Leadership Conference

Tuesday, October 10
1:00 p.m. – 6:00 p.m.

The Women In Optometry fifth annual Women's Leadership Conference will be held in conjunction with the Academy's annual meeting. Attendees will enjoy interactive presentations from inspirational speakers inside and outside of the profession and exchange ideas on how to engage boldly and confidently.

Women in Optometry is an online business and lifestyle publication targeting the fast-growing female OD segment.

Residents Program Education & Events

The Residents Program Committee is excited to announce an expansion of resident programming at the Academy 2023 New Orleans meeting. Residents are important student members of the Academy whom we hope will become Academy Fellows.

Residents, join us on Friday as we kick off of this year's Residents Program with an informative Case Report Workshop followed by a showcasing of Resident posters in a joint poster session with the Scientific Program. This year's Residents Program will also include two paper sessions, one which takes place on Saturday, and will conclude with a Residents Program Career Development Lunch.

Don't forget to join us on Friday evening to network with practitioners from the United States and abroad looking to hire residency-trained ODs in the near future. RSVP is required for this event – look for your invitation this summer.

WEDNESDAY, OCTOBER 11

8:00 p.m. – 10:00 p.m.	Young OD Reception
------------------------	--------------------

FRIDAY, OCTOBER 13
