

About Phoenix

While in Phoenix, don't miss these top attractions!

Camelback Mountain is just 20 minutes from downtown and offers very strenuous and steep trails as well as easier hikes. www.phoenix.gov/parks/trails/locations/camelback-mountain

The **Musical Instruments Museum** is where you can see, hear and even play instruments from every corner of the world. www.mim.org

At the **Desert Botanical Garden** you'll find more than 50,000 desert plants on display throughout five thematic trails. www.dbg.org

Be on the lookout at the **Phoenix Zoo** for Asian elephants, Sumatran tigers and towering giraffes roaming the Savanna. www.phoenixzoo.org

Tours of **Talesin West** show how Frank Lloyd Wright was inspired by the desert surroundings for his winter home. franklloydwright.org/eight-frank-lloyd-wright-sites-inscribed-on-unesco-world-heritage-list/

The internationally acclaimed **Heard Museum**, is one of the best places to experience the myriad cultures and art of Native Americans of the Southwest. www.heard.org

Roosevelt Row is home to galleries, mural-splashed walls, boutiques and restaurants. rooseveltrrow.org

Drive, bike or hoof it at **South Mountain Park and Preserve** with its 50 miles of trails through 16,000 acres of the Sonoran Desert. www.phoenix.gov/parks/trails/locations/south-mountain

The **Phoenix Art Museum** is the Southwest's premier destination for world-class visual arts. phxart.org

Southwestern arts and hip eateries line the streets of **Old Town Scottsdale**, a popular destination for Greater Phoenix shopping and nightlife. www.experiencescottsdale.com

Like the 19th-century homes nearby, the restaurants in downtown's **Heritage Square** are making history and winning awards. The area is also home to the **Arizona Science Center**, which offers eye-opening fun with interactive exhibits and a state-of-the-art planetarium. www.azscience.org

Tempe is a vibrant urban oasis in Metropolitan Phoenix and where you'll find sports, shopping, and **SEA LIFE Arizona** and amazing encounters with a vast array of creatures! www.visitsealife.com/arizona/

Visit www.visitphoenix.com and www.tempetourism.com for more information on attractions and activities!

About Your Hosts

The **Podiatry Institute** is a non-profit educational foundation that offers a variety of programs, conferences, workshops and postgraduate courses. The Institute has achieved international recognition for its leading role in developing and advancing podiatric medicine and surgery. The faculty members are all volunteers who serve without compensation. They are committed to ongoing education in the area of foot and ankle surgery.

The mission of the **Arizona Foot and Ankle Medical Association** is to advance the science and practice of podiatry. The AFAMA provides and/or sponsors specific seminars and training sessions for its members. These events may be done in association with the medical schools and/or universities. For more information, please visit www.azpma.org.

5:30 PM

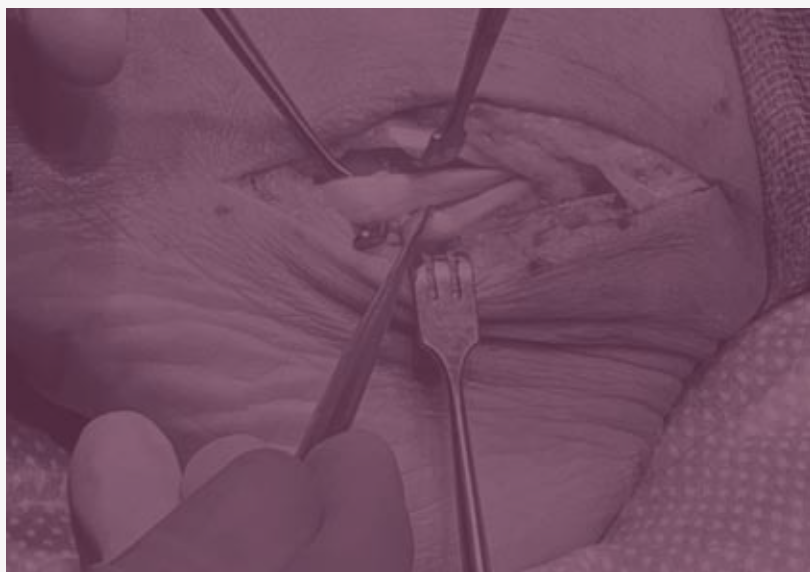

RISK MANAGEMENT SESSION

Let's Talk Risk – Protecting Your Reputation and Your Livelihood

Healthcare is a customer service industry and your practice will live or die based on the quality of care provided, and the daily interactions between the physician, staff and patients. Excellent customer service involves meeting and surpassing patients and their families' expectations. It means showing the customer how important he or she is to you and the business, by interacting with them in a friendly, helpful, and positive way. We will discuss strategies which your practice can implement, that will assist you and your staff in dealing with difficult, demanding and non-compliant patients.

Note: There will be a separate sign-in for this lecture.

6:30 PM THURSDAY SESSION ADJOURNS

1st Metatarsal Osteotomy vs. Lapidus Arthrodesis

Short First Ray: Grafting vs. Distraction

First Ray Complications Panel / Question & Answer

6:30 PM **FRIDAY SESSION ADJOURNS**

Conference Objectives

At the conclusion of the conference, the participant should be able to:

Trauma: The attendee will gain the basic knowledge to recognize, evaluate, diagnose and manage common disorders seen in trauma to the foot and ankle and the long term sequelae in different groups.

Forefoot: The attendee will be exposed to the various options in the repair of hammertoes and to address the options, risks and long term complications of different procedures on the 2nd MPJ.

Hallux Valgus: The attendee will become familiar with all different surgical procedures in the management of hallux valgus and associated deformities and their roles.

Diabetic Foot: The attendee will become familiar with the current treatment options and advanced therapies in treating the diabetic foot.

Heel and Hindfoot: The attendee will discuss the goals and expected outcomes in the rearfoot. This includes soft tissue management, fractures, heel surgery and management of failed tendon surgeries.

Medicine & Topics of Interest: The attendee will gain knowledge and understanding of different products and their cost, diagnosis of carcinoma, understanding of the mechanism of ankle fractures and some less common anatomical variants and procedures.

SATURDAY April 10

7:00 AM BREAKFAST WITH THE EXHIBITORS

7:30 AM TRAUMA & REARFOOT
