CME information
inside!

OVERVIEW

This course is designed to address the unmet educational needs of primary care providers who serve a diverse case mix that includes complex older adults. Content will be focused on clinical problems encountered in daily primary care practice. Content will be presented by geriatric faculty who are nationally recognized for their expertise in chronic disease management. Course content will combine best practice strategies and education through case studies and lectures. One-hour CME for ethics will be included. Each session will include time for questions and answers and an audience response system will allow immediate feedback regarding CME test questions. A full syllabus of educational materials will be provided.

NEEDS STATEMENT

Unfortunately the pool of Board Certified Geriatricians appears to be shrinking at a time when increased numbers are needed for the expanding population of the elderly. The combination of the aging of the Baby Boom population and an increase in life expectancy, will mean that older adults make up a much larger percentage of the U.S. population than ever before. Institute of Medicine's landmark report, *Retooling for an Aging America: Building the Health Care Workforce*, states "unless action is taken immediately, the health care workforce will lack the capacity to meet the needs of older patients in the future." 20,000 Geriatricians are needed currently to care for over 14 million older Americans. However, as of 2016, there were only 7,293 certified Geriatricians nationwide. Therefore, currently medical care for older Americans is often reliant on the Primary Care Physician. The purpose of this interactive course is for non-Geriatricians to learn to effectively identify, evaluate, and treat special care needs of the elderly.

TARGET AUDIENCE

Primary Care Providers, Internists, Family Medicine Practitioners, Hospitalists, General Medicine, Nurse Practitioners, and Physician Assistants

OBJECTIVES

At the conclusion of the conference, participants should be able to:

- Apply current evidence-based concepts in geriatric medicine to daily practice caring for elders
- Identify psychosocial problems and ethical issues in decision-making
- Diagnose and manage the major geriatric syndromes including Dementia, Depression, Delirium, Pain management, Falls, and Osteoporosis
- Identify basic principles of geriatric medicine

EDUCATIONAL METHODS

Lecture ▪ Audience Response ▪ Question and Answer Session

EVALUATION

Evaluation by online questionnaire will address program content, presentation, and possible bias.

ACCREDITATION/CREDIT DESIGNATION

Physician

AMA PRA Category 1 Credit™

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The ethics presentation, *Ethics/Decision Making*, has been designated by Baylor College of Medicine for 1.00 credit of education in medical ethics and/or professional responsibility.

ABIM MOC Points

Successful completion of this CME activity enables the participant to earn up to 7.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

Physician Assistant

This program is not yet approved for PA CME credit. Conference organizers plan to request 7.25 hours of AAPA Category 1 CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined.

NOTICE

Audio or videotaping is prohibited without written permission from the Activity Director and the Office of Continuing Medical Education, Baylor College of Medicine, Houston, Texas. Faculty, topics, program schedule and credits are subject to change.

DISCLOSURE POLICY

In order to meet the requirements of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of Baylor College of Medicine (BCM) that all individuals who are in a position to control the content of the CME activity (activity director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, current and objectively presented. Specific disclosure will be made to the participants prior to the educational activity.

FEE, REGISTRATION, AND CONFIRMATION INFORMATION

Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 10 business days before the activity start date, contact the Office of Continuing Medical Education (OCME) immediately.

If you plan to register on-site, contact OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

To register/pay online visit the activity website at **BaylorCME.org/CME/1569** and follow the instructions.

CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the OCME at least 10 business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a \$50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, OCME's liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.

ACCOMODATIONS

A block of rooms are reserved at Houston Marriot Medical Center, 6580 Fannin Street, Houston, Texas 77030, Reservation by calling 1-800-228-9290 or 713-796-0080 on or before June 4th 2018, identify as part of the Baylor College of Medicine group to receive group rate of \$99/night.
