

Synthetic Morphogenesis:

From Gene Circuits to Tissue Architecture

EMBO | EMBL
Symposium
17–20 March 2019
Heidelberg | Germany
EMBL Advanced Training Centre

ABSTRACT SUBMISSION
DEADLINE
26 November 2018

REGISTRATION DEADLINE
3 February 2019

ORGANISERS

Stefano De Renzis
EMBL Heidelberg, Germany

Miki Ebisuya
EMBL Barcelona, Spain and RIKEN, Japan

Wendell Lim
University of California, San Francisco, USA

James Sharpe
EMBL Barcelona, Spain

SPEAKERS

Naama Barkai
Weizmann Institute of Science,
Israel

Buzz Baum
University College London, UK

Christopher Chen
Boston University, USA

Justin Crocker
EMBL Heidelberg, Germany

Michael Elowitz
California Institute of Technology,
USA

Zev Gartner
University of California, San
Francisco, USA

Darren Gilmour
University of Zurich, Switzerland

Anne Grapin-Botton
University of Copenhagen,
Denmark

Veronica Grieneisen
John Innes Centre, UK

Jeff Hasty
University of California, San
Diego, USA

Meritxell Huch
University of Cambridge, UK

Mustafa Khammash
ETH Zurich, Switzerland

Anna Kicheva
Institute of Science and
Technology, Austria

Michael Levin
Tufts University, USA

Wendell Lim
University of California, San
Francisco, USA

Alfonso Martinez Arias
University of Cambridge, UK

Milica Radisic
University of Toronto, Canada

Joachim Spatz
Max Planck Institute for Medical
Research, Germany

Dora Tang
Max Planck Institute of Molecular
Cell Biology and Genetics,
Germany

Manuel Théry
CEA, France

Ron Weiss
Massachusetts Institute of
Technology, USA
