

ESPU Educational Committee Masterclass Posterior Urethral Valves**May 25, 2018****Pediatric Urology, Medical University Vienna****Vienna, Austria**

Masterclass is a concept introduced by the Educational Committee of the European Society for Paediatric Urology (EC-ESPU). The aim of such a meeting is to thoroughly discuss one chosen topic in a small group with specialists. Only a limited number of participants can be accepted. It is our privilege to invite you on behalf of the EC-ESPU and The Interdisciplinary Center of Pediatric Urology, Medical University Vienna to participate in this Masterclass designed for clinicians who look after children with posterior urethral valves and chronic renal impairment.

Program:

- Prenatal diagnosis, fetal MRI, treatment and counseling in PUV
- Primary management of PUV
- Long-term management, bladder management and transplantation
- Research: fetal uropathy
- Controversy in PUV
- Research and Patient registry

Audience: Pediatric Urologists and other professionals dealing with posterior urethral valves

Registration fee: 60EUR for ESPU members, 75 EUR for non ESPU members

(number of participants restricted to 30)

Course Directors: Alexander Springer / Rafal Chrzan / Berk Burgu

Venue: Medical University Vienna, General Hospital, Department of Pediatrics (BT61.1), Währinger Gürtel 18-20, 1090 Vienna, Austria
