ROME NOSE WEEK

October, 16 -18 2019

a full immersion on rhinoplasty

the open approach from the
essential to the complex
lessons, panels, discussions

9 live surgeries with a rotation
of participants in O.R.

A 3 DAYS FULL IMMERSION

The experience of four renowned surgeons acquired through thousands of rhinoplasties will be transmitted to the participants during three days of full-immersion surgical experience. 9 live surgeries will alternate with lectures, discussions, and patient case analysis. A restricted attendance of 20 participants will confer everyone the opportunity to engage in a direct and informal relationship with faculty members. All attendees in turn will have the exclusive opportunity to interact with the surgeons directly in the operating room. The surgeries will be broadcast in the classroom in Full-HD video and the procedures will be explained step by step by the surgeons.
