Disease Management Clinical Decisions

Acute Ischemic Stroke Evaluation and Management

Release date: July 21, 2023**Expiration date:** July 20, 2026**Estimated Time of Completion:** 1 hour**Description**

Each lesson in the Disease Management Clinical Decisions series provides a brief, case-based review of management strategies related to the topic. Questions and multiple-choice answers about the case presented include the rationale for the correct answer. Throughout this case-based lesson, you may proceed to the next question once you answer the question correctly.

Learning Objectives

After completing this case the reader should be able to:

- Identify the signs and symptoms of acute ischemic stroke.
- Interpret results from various acute ischemic stroke imaging technologies.
- Compare and contrast potential treatment options in the acute ischemic stroke setting.

Target Audience

Directed to primary care physicians including family practitioners and internists.

Accreditation**American Medical Association (AMA)**

Cleveland Clinic Center for Continuing Education designates this enduring activity for a maximum of **1.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

ABIM MOC: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **1.0** Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Your credit will be reported to the ABIM within 30 days of claiming credit.

ABA MOC: This activity contributes to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements. *Maintenance of Certification in Anesthesiology™ program and MOCA® are registered trademarks of The American Board of Anesthesiology®. MOCA 2.0® is a trademark of The American Board of Anesthesiology®.*

Your credit will be reported to the ABA within 30 days of claiming credit.

ABS MOC: This activity qualifies for **1.0** self-assessment credits toward Part 2 of the American Board of Surgery (ABS) Maintenance of Certification (MOC) Program.

Please Note: It is the participant's responsibility to self-report their participation to the American Board of Surgery, per board policy.

Certificate of Participation

A certificate of participation will be provided to other health care professionals for requesting credits in accordance with their professional boards and/or associations.
