IAIME Mid-Year MedicoLegal Training Course

July 30-31, 2021

The 2021 Mid-Year Training Course will be an exclusively virtual program and will follow a flipped classroom format for most segments. Attendees will receive video presentations and reading materials 2-4 weeks in advance of the live sessions.

THOSE WHO ATTEND THIS TWO-DAY COURSE CAN EXPECT TO:

- Identify the skills necessary for successful evidence-based medicolegal evaluation
- Properly apply impairment rating systems in different administrative environments
- Discuss methods, procedures and skills for proper evaluation of causation, treatment recommendations, and opinions regarding return to work.
- Apply proper use of the AMA Guides to the Evaluation of Permanent Impairment (4th, 5th, 6th, or 6th Digital 2021 Editions)
- Report and communicate medicolegal concepts to nonmedical and medical stakeholders

MEETING HIGHLIGHTS:

- Presenters from medical disciplines, psychology and neuropsychology, and the legal profession
- A highly engaging flexible format for participating remotely
- AMA CME and APA CE credits
- Live sessions will focus on case-based learning
- Recorded content will be available for replay August 2nd and will be available for 60 days

IAIME Mid-Year MedicoLegal Training Course live virtual 2-day conference pricing includes access to pre-conference materials, day of conference content and 60-day access to enduring material content.
