Physician Engagement Education Series: Current Advances in Hepatobiliary and Pancreatic Disease

Cystic Lesions of Pancreas and Pseudocyst and Necrosis of Pancreas

Release Date: April 1, 2016

Expiration Date: April 1, 2018

Estimated Time of Completion: 1 hour

Description

The [Physician Engagement Education Series](#) is designed to provide health care providers the tools to stay up to date on the latest innovations and trends of key topics in esophageal diseases, as well as share valuable insights from their own experiences and practices. The interactive format includes discussion and case presentations by key opinion leaders from around the world with audience and faculty interaction, discussion, polling and debate.

The Cystic Lesions of Pancreas and Pseudocyst and Necrosis of Pancreas webcast reviews surveillance, imaging and recommendations for care of patients with cystic lesions of pancreas, pseudocysts, and necrosis of pancreas.

Learning Objectives

1. Assess the selective resection criteria in cystic lesions of the pancreas.
2. Identify surveillance, imaging and frequency recommendations for patients with cystic lesions of pancreas.
3. Discuss the current standards of care for the pseudocysts and necrosis of pancreas.

Target Audience

This activity is intended for family practice, internal medicine, gastroenterology, general surgery.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cleveland Clinic Foundation Center for Continuing Education designates this enduring material for a maximum of **1.0 AMA PRA Category 1 Credits** / Self-Assessment credits toward Part 2 of the ABS MOC Program. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council for Category 2 credit.

Maintenance of Certification

Course Self-Assessment towards Part 2 of the ABS MOC Program

Upon achievement of a score of 100% on the Self-Assessment towards Part 2 of the *American Board of Surgery Maintenance of Certification* Program, you will obtain your certificate of attendance. Physicians are then able to add this completion to their American Board of Surgery portfolio online form. Participants will have an opportunity to review responses and retake questions.

Activity Director and Faculty
