

# 76<sup>th</sup> Annual Conference of **IRIA** **2024**

INDIAN RADIOLOGICAL &  
IMAGING ASSOCIATION

**Vijayawada**

25<sup>th</sup> - 28<sup>th</sup> January 2024

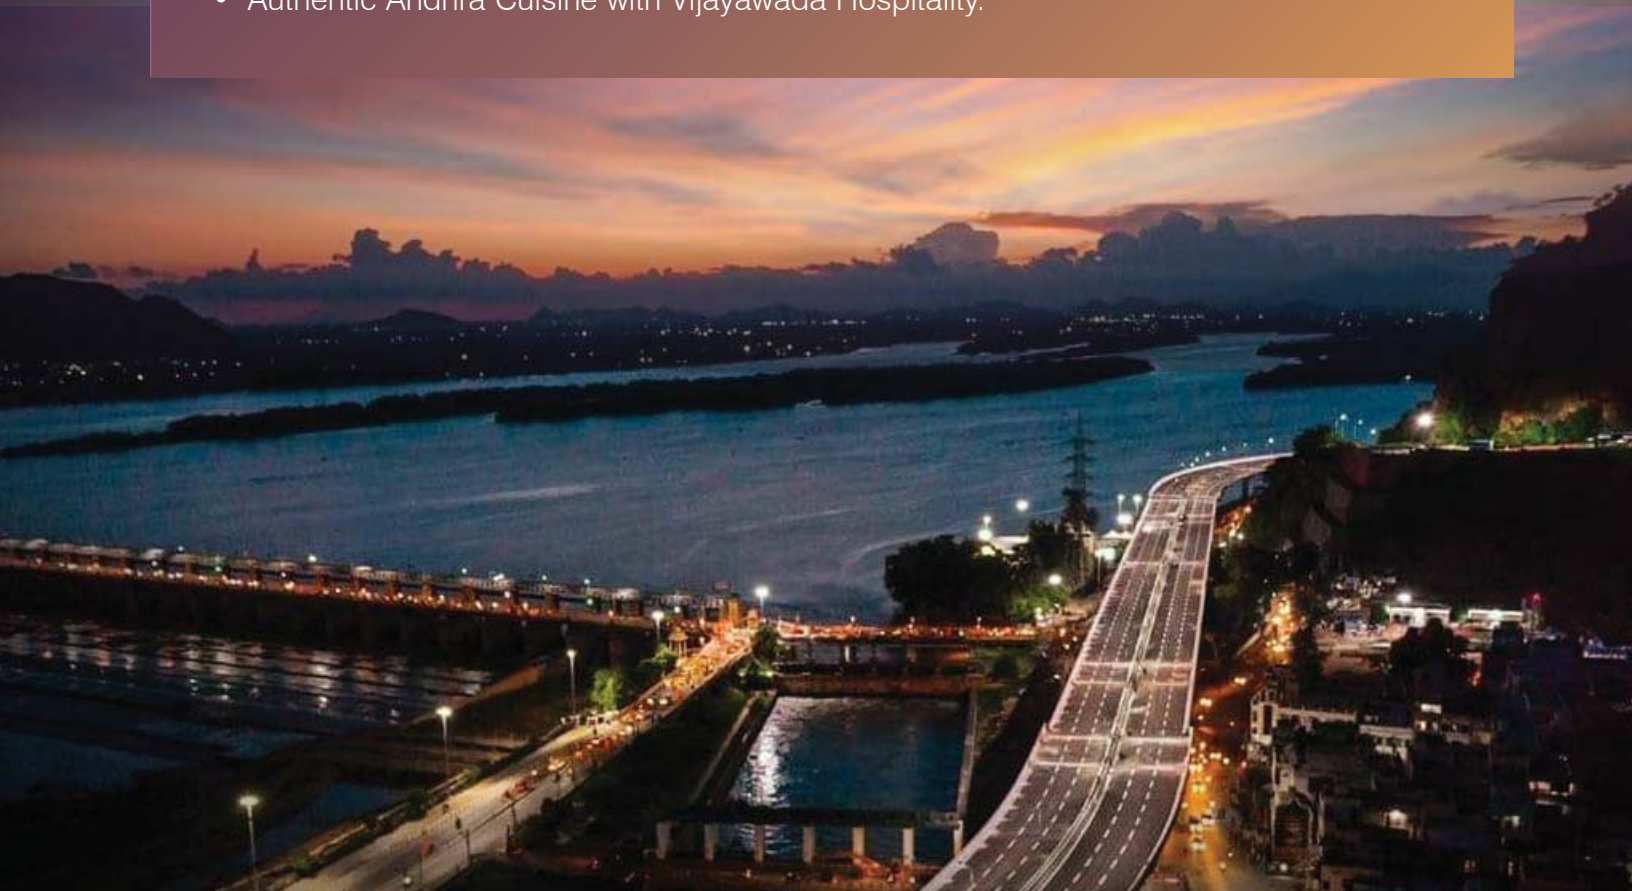

C.K. Conventions

Hosted by

**Indian Radiological & Imaging Association  
Andhra Pradesh Chapter**

# Highlights of IRIA 2024

- Constellation of most reputed International and National Speakers
- Scientific program, One of its kind, with trending topics
  - Majority are multi modality organ-based case discussions
  - Myths and facts
- Learn from at least 400 exceptional cases in 40hrs
- How to avoid common mistakes and how I do sessions
- Sessions on Multisystem diseases - How to suspect and how to fix.
- Scope for maximum on stage presentation of papers by residents and consultants
- Many new challenges such as best case report, Best Research paper, Best short lecture video by residents & consultants etc.,
- Share and sell your art - A stall dedicated for selling art, artifacts done by Radiologists
- National Radiology Quiz
- Workshop in Cardiac imaging, Musculoskeletal Radiology, Foetal Imaging & Biostatistics
- Superlative Focus on Sonography and practical points for day to day practice
- Assemblage of Prof. Kakarla Subbarao's master film collection
- Ask the expert for tailor made interactive sessions on
  - Practical issues on Medicolegal, Ethical Practices and PC PNDT
  - Investment in Radiology and other than Radiology
  - Indemnity Insurance
  - Career Opportunities in India and abroad (Skill enhancement, fellowships & jobs)
  - Research opportunities and grants
- Authentic Andhra Cuisine with Vijayawada Hospitality.

## Imaging Beyond Imagination

## 76<sup>th</sup> Annual Conference of

# IRIA 2024

INDIAN RADIOLOGICAL &  
IMAGING ASSOCIATION

**Vijayawada**

25<sup>th</sup> - 28<sup>th</sup> January 2024

C.K. Conventions

Dear Esteemed Colleagues in Radiology,  
My hearty greetings to you all!

Radiology in India has made rapid strides for which the Indian Radiological and Imaging Association - IRIA is responsible to a great extent. The key trends for Radiology and imaging are application of Artificial Intelligence solutions to improve clinical efficiency, automation of radiology workflows for optimized scalability, orchestration and coordination of radiology workflows, reliance on web based or cloud radiology systems and many more. Today, the challenges before the Radiologists are Tissue Characterization and the Invisible Radiologist. Now, Radiological technology is shifting from a disruptive period to a sustaining phase. At this juncture, IRIA has a "Big Role" to play in shaping and preparing the radiologists for future. Thanks to the dynamic IRIA leadership over the past few recent years, IRIA in association with ICRI is greatly promoting the knowledge skills of all the Radiologists of the country in multiple ways. In addition to bringing out a multi volume comprehensive world class text book of Radiology and conducting the much acclaimed regular online classes which won many world records, it has also taken up the gigantic task of launching the MICR exam which is acclaimed as one of the standard ones in its class, the world over.

Keeping pace with these motivating and purpose oriented efforts of IRIA, this 76<sup>th</sup> IRIA national Conference has invited reputable speakers from across India and the world who will impart their expertise on several topics of new innovations in Radiology which will keep our colleagues "AHEAD OF TIMES IN IMAGING".

I am sure by the end of the 4th day of the 76th IRIA conference at Vijayawada, every participant Radiology delegate will be enriched with skills of "IMAGING - BEYOND IMAGINATION".

The 76th Annual Conference of the Indian Radiological and Imaging Association will be held from 25<sup>th</sup> to 28<sup>th</sup> of January 2024 at Vijayawada, the historic city of Andhra Pradesh. Vijayawada, the City of Victory is also known as "The Venice of South", "The Financial Capital of Andhra Pradesh" and "The Fleet Street of Andhra" with a history of 2000 years. River Krishna and its canals, among them Buckingham Canal is the longest canal of 796Km, flowing from Vijayawada to Chennai. Vijayawada is a great Pilgrim Centre with Goddess Kanaka Durga Temple and some of the Ancient Churches, Mosques, Jain Temples and Gurudwaras.

As Chairman of the 76<sup>th</sup> National Conference of Indian Radiological and Imaging Association, I extend a warm and hearty Welcome to all the Radiologists from across the globe on behalf of all the Radiologists of the state of Andhra Pradesh.

Dr G V Mohan Prasad  
Organising Chairman

## Organising Committee

**Chief Patron:** Dr Rajeswara Rao T

### **Organising Chairmen:**

Dr G.V. Mohan Prasad  
Dr C Amarnath (Central)

### **Organising Vice Presidents:**

Dr V Suresh  
Dr Kishore CH

### **Organising Secretaries:**

Dr V N Varaprasad  
Dr Kuldeep K Chalasani  
Dr Sandeep Kavthale (Central)

### **Advisory Committee:**

Dr Apparao Mukkamala  
Dr K Chandra Sekhar  
Dr K R Varma

### **Scientific Committee:**

Dr Srinivas Dandamudi  
Dr Satish Babu M  
Dr Satish P

### **Treasurers:**

Dr B S R Prasad Babu  
Dr Pankaj Sharma (Central)

## EARLY BIRD REGISTRATION till 15<sup>th</sup> March 2023

| CATEGORY                                                                                                            |               |
|---------------------------------------------------------------------------------------------------------------------|---------------|
| Delegate - IRIA Member                                                                                              | ₹ 7,000*      |
| Delegate - Non IRIA Member                                                                                          | ₹ 8,000*      |
| Post Graduate**/ Resident                                                                                           | ₹ 6,000*      |
| Accompanying Person of IRIA Member                                                                                  | ₹ 6,500*      |
| Accompanying Person of Non IRIA Member                                                                              | ₹ 7,500*      |
| Trade Delegate                                                                                                      | ₹ 9,000*      |
| Presidents/ Past Presidents/ Emeritus Member                                                                        | Complimentary |
| Accompanying Person of Presidents/ Past Presidents/<br>Emeritus member Presidents/ Past Presidents/ Emeritus member | ₹ 8,000*      |

\* Registration fee exclusive of (GST 18%) and applicable payment gateway charges.

\*\* Copy of Recommendation Letter from HOD, Radiology and ID card should be submitted.

### **Mode of Payment**

Debit card, Credit card and Online payments
