WELCOME MESSAGE

Dr. Aiman Rahmani

Dr. Junaid Khan

Dear Colleagues,

On behalf of the scientific committee, it gives us immense pleasure to announce the **"10th SEHA International Neonatology Conference"** which is going to be held on 5-7 March, 2020 at Jumeirah at Etihad Towers in Abu Dhabi, UAE.

We cordially invite neonatologists, pediatricians, researchers, nurses and other health care professionals who are interested in sharing their knowledge and research in the arena of Neonatal-Prenatal Medicine to join our leading faculty.

This year's conference is endorsed by several international medical organizations and features outstanding national and international experts and known neonatologists from premier medical institutes in the United States and the United Arab Emirates.

The program will discuss the recent advances, as well as the approach and management of a wide range of common neonatal diseases in multiple subspecialties presented by world class neonatal staff with real expertise in order to create a platform for communication between leading experts and professionals in the arena of Neonatology.

The program will highlight what is new in neonatology, birth complications, neonatal cardiology, neonatal nutrition, neonatal infection, neonatal surgery, brain injury, neuroprotection quality, ethical issues and neonatology in future and many more other interesting topics, giving the opportunity to interact and share clinical and research experiences with colleagues in the neonatology community.

This unique Neonatal-Prenatal Conference also encourages the active participation of young researchers as we are hosting Poster Award Competition at the conference venue.

As the premier event, we have developed a high quality scientific program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the region but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions and livelier interaction with leaders and experts.

This forum provides an excellent chance to network with your peers, share views, exchange knowledge and establish academic and clinical collaborations.

This is an opportunity not to be missed! Looking forward to welcome you in March 2020 in the magnificent city of Abu Dhabi.
