CHAIRMAN MESSAGE

The 8th Singapore International Parkinson Disease and Movement Disorders Symposium will be held from 28 to 30 June 2018 at Academia, Singapore General Hospital. This successful biennial symposium started in 2002 and had attracted a broad audience of more than 400 participants of clinicians, scientists and allied health professionals each, throughout its seven successful meetings.

At our 8th Symposium, we will focus on the causes, diagnosis and management of Parkinson disease and movement disorders. We will be organising two pre-symposiums on 28 June on Translational Research in Parkinson Disease and Movement Disorders and Deep Brain Stimulation for Parkinson Disease. The main symposium on 29 and 30 June will include plenary sessions, parallel sessions/workshops, and poster/video presentations. We have invited the following renowned international experts as members of our faculty. They, together with other regional and local experts, will enable us to put together an academically rich and enjoyable programme for participants from Singapore and the region.

This Symposium will provide an opportunity for participants to learn about the latest research and perspectives, to listen to renowned speakers, and to be exposed to the most up-to-date information in the field of Parkinson disease and movement disorders. All sessions will be conducted in English.

We welcome all medical professionals; doctors, researchers, nurses, rehabilitation therapists and other allied health professionals from Singapore and the region to attend this Symposium. We also invite you to submit interesting clinical videos or research abstracts for presentation.

We look forward to meeting you at the Symposium.

Associate Professor Louis Tan
Chairman, Organising Committee
8th Singapore International Parkinson Disease and Movement Disorders Symposium

ORGANISING COMMITTEE

CHAIRMAN

Assoc Prof Louis TAN
National Neuroscience Institute

VICE-CHAIRMAN

Prof TAN Eng King
National Neuroscience Institute

MEMBERS

Assoc Prof AU Wing Lok
National Neuroscience Institute

Dr Nicolas KON Kam King
National Neuroscience Institute

Assoc Prof Prakash KUMAR
National Neuroscience Institute

Ms LI Wei
National Neuroscience Institute

Assoc Prof Erle LIM Chuen Hian
National University Health System

Assoc Prof LIM Kah Leong
National Neuroscience Institute
National University of Singapore

Ms NG Hwee Lan
National Neuroscience Institute

Dr Dawn TAN
Singapore General Hospital

Dr TAY Kay Yaw
National Neuroscience Institute

Dr WEN Ming-Ching
National Neuroscience Institute

Mr David ZHANG
Tan Tock Seng Hospital

INTERNATIONAL SPEAKERS

Prof Jean-Marc BURGUNDER
University of Bern, Switzerland

Assoc Prof Simone ENGELENDER
Technion-Israel Institute of Technology,
Israel

Assoc Prof Alfonso FASANO
University of Toronto, Canada

Prof Hyder A JINNAH
Emory University School of Medicine,
USA

Prof ZHANG Su-Chun
Duke-NUS Medical School,
Singapore

Prof Andres LOZANO
University of Toronto, Canada

Prof Martin J MCKEOWN
University of British Columbia,
Canada

Assoc Prof Darren MOORE
Van Andel Research Institute, USA

Prof Sven PETERSSON
Karolinska Institutet, Sweden
Lee Kong Chian School of Medicine,
NTU, Singapore

Prof Olivier RASCOL
Toulouse University Hospital, France

Prof Richard REYNOLDS
Imperial College London, UK
Lee Kong Chian School of Medicine,
NTU, Singapore

Prof Zbigniew K WSZOLEK
Mayo Clinic, USA

Dr Mitsutoshi YAMAMOTO
Takamatsu Neurology Clinic
Corporation, Japan

Venue Information

Academia, Singapore General Hospital
20 College Road, Level 1, Singapore 169856
(Nearest MRT Station: Outram Park MRT)

PROGRAMME

Pre-Symposium Seminar A - 28 June 2018 (Thursday)

Translational Research in Parkinson Disease and Related Movement Disorders

Time	Topic/Event	Speaker
0830 – 0900	Registration	
0900 – 0905	Welcome Address	Lim Kah Leong , National Neuroscience Institute and National University of Singapore, Singapore
0905 – 0915	Opening Speech	Tan Eng King , National Neuroscience Institute, Singapore
Session 1 0915 – 1015	Genetics of Parkinson Disease	Zbigniew K. Wszolek , Mayo Clinic, USA
	Pathogenesis of Huntington's Disease & Related Movement Disorders	Jean-Marc Burgunder , University of Bern, Switzerland
1015 – 1045	Tea Break	
Session 2 1045 – 1245	Mechanisms Underlying LRRK2-Related Parkinsonism	Darren Moore , Van Andel Institute, USA
	Ubiquitination and Parkinson Disease	Simone Engelender , Technion-Israel Institute of Technology, Israel
	New Insights into Basal Ganglia Circuitry via Optogenetics	George Augustine , Lee Kong Chian School of Medicine, NTU, Singapore
	Regenerative Medicine for Parkinson Disease	Zhang Suchun , Duke-NUS Medical School, Singapore
1245 - 1345	Lunch	
Session 3 1345 – 1545	Neuroinflammation in Parkinson Disease: Lessons Learnt from Multiple Sclerosis	Richard Reynolds , Imperial College London, UK
	Microbiome and Neurodegeneration	Sven Pettersson , Lee Kong Chian School of Medicine, NTU, Singapore
	Iron and Parkinson Disease	Soong Tuck Wah , Yong Loo Lin School of Medicine, NUS, Singapore
	LRRK2-APP Axis in Parkinson Disease	Zeng Li , National Neuroscience Institute, Singapore
1545 – 1600	Tea Break	
1600 – 1700	Presentation by Junior Investigators	
1700 – 1710	Closing Address	

Pre-Symposium Seminar B - 28 June 2018 (Thursday)

Deep Brain Stimulation (DBS) Surgery for Parkinson Disease - In collaboration with Medtronic International Ltd

Time	Topic/Event	Speaker
0830 – 0900	Registration	
0900 – 0910	Welcome Address and Introduction to NNI	Ng Wai Hoe , Medical Director, National Neuroscience Institute, Singapore
0910 – 0930	Introduction to DBS Workflow for Parkinson Disease	Nicolas Kon Kam King , National Neuroscience Institute, Singapore
Session 1 0930 – 1030	Clinical and Motor Assessments for Parkinson Disease DBS Patients	Li Wei , National Neuroscience Institute, Singapore
	Neuropsychological Evaluation of Parkinson Disease DBS Patients	Eveline Silva , National Neuroscience Institute, Singapore
	Role of Neuroimaging in DBS for Parkinson Disease	Chan Ling Ling , Singapore General Hospital, Singapore
1030 – 1045	Tea Break	
Session 2 1045 – 1145	Anaesthesia in DBS Surgery – Consideration, Recommendation and Potential Pitfalls	Chong Chin Ted , Tan Tock Seng Hospital, Singapore
	DBS Surgical Procedure for Parkinson Disease	Nicolas Kon Kam King , National Neuroscience Institute, Singapore
	Long-Term Management of Parkinson Disease Patients with DBS	Prakash Kumar , National Neuroscience Institute, Singapore
1145 – 1230	Lunch	
Session 3 1230 – 1400	Toronto Western Hospital DBS Patient Evaluation and Selection for Parkinson Disease	Alfonso Fasano , University of Toronto, Canada
	The Changing Landscape of Surgery for Parkinson Disease	Andres Lozano , University of Toronto, Canada
1400 – 1415	Tea Break	
Session 4 1415 – 1555	DBS Programming for Parkinson Disease	Alfonso Fasano , University of Toronto, Canada
	The Application of MR Guided Ultrasound in Movement Disorder Surgery	Andres Lozano , University of Toronto, Canada
	Closing Address	Nicolas Kon Kam King , National Neuroscience Institute, Singapore

Symposium Day One – 29 June 2018 (Friday)

Time	Topic/Event	Speaker
0800 – 0830	Registration	
0830 – 0900	Welcome and Opening Ceremony	
0900 - 0930	Updates on NNI Research	
Plenary Session 1 0930 – 1030	The Importance of Brain Banks to Parkinson Disease Research	Richard Reynolds , Imperial College London, UK
	Clinical, Genetic, and Pathological Aspects of Tauopathies	Zbigniew K. Wszolek , Mayo Clinic, USA
1030 – 1100	Tea Break	
Plenary Session 2 1100 – 1230	Parkinson Disease Modification: Where Are We in 2018	Olivier Rascol , Toulouse University Hospital, France
	Genotype-Phenotype Correlations in Movement Disorders	Hyder A Jinnah , Emory University School of Medicine, USA
	Rare Movement Disorders	Jean-Marc Burgunder , University of Bern, Switzerland
1230 - 1400	Lunch	
Parallel Sessions 1400 – 1730	Parallel Session A: Movement Disorders Teaching Course	
	Overview of Phenomenology of Movement Disorders	Tay Kay Yaw , National Neuroscience Institute, Singapore
	Approach to Parkinsonism	Shermyn Neo , National Neuroscience Institute, Singapore
	Drug-induced Parkinsonism	Olivier Rascol , Toulouse University Hospital, France

Symposium Day One – 29 June 2018 (Friday)

(continued from previous page)

	Video Presentation of Interesting Movement Disorders	Mitsutoshi Yamamoto , Takamatsu Neurology Clinic Corporation, Japan
	Psychogenic Movement Disorders	Au Wing Lok , National Neuroscience Institute, Singapore
	Common Movement Disorders in the Children and Adolescent	Yeo Tong Hong , KK Women's and Children's Hospital, Singapore
	Parallel Session B: Use of Botulinum Toxin (BTX) in Movement Disorders, Spasticity and Headaches	
	Botulinum Toxin – History and Introduction	Prakash Kumar , National Neuroscience Institute, Singapore
	Pearls on Injection Techniques	Erle Lim , National University Health System, Singapore
	Use in Movement Disorders	Au Wing Lok , National Neuroscience Institute, Singapore
	Use in Spasticity	Ng Yee Sien , Singapore General Hospital, Singapore
	Use in Headaches	Yasmin Binte Idu Jion , National Neuroscience Institute, Singapore
	Demo and Hands-on Session on Manikins	
	Parallel Session C: Community Care for Parkinson Disease	
	Overview of Care Transition from Hospital to the Community	Zhou Wentao , National University of Singapore, Singapore
	NNI Parkinson Disease Training and Patient Support Programme	Li Wei , National Neuroscience Institute, Singapore
	Care Connect : The Bridge for Patients with Parkinson Disease and the Caregivers	Kavitha D/O Sindaya , Agency for Intergrated Care, Singapore
	Home Care Nurse Experience on Patients with Parkinson Disease	Vanessa Gladys Lim , Ang Mo Kio-Thye Hua Kwan Hospital, Singapore
	Community Rehabilitation for People with Parkinson Disease	Sylvia Liew , Parkinson Society Singapore, Singapore
	Fall Prevention Is Everyone's Business	Jennifer Li Yuan , Tan Tock Seng Hospital, Singapore
	Home Modification for Patients with Parkinson Disease	David Zhang , Tan Tock Seng Hospital, Singapore
	Screening for Non-motor Complications	Ng Hwee Lan , National Neuroscience Institute, Singapore
	Parkinson Disease Diary Recording	Chua Shu Ting , National Neuroscience Institute, Singapore
	Case Discussions	Chan Wan Ling , National Neuroscience Institute, Singapore
End of Day 1 Symposium		

Symposium Day Two – 30 June 2018 (Saturday)

Time	Topic/Event	Speaker
0800 – 0830	Registration	
0830 – 0900	Overview of NNI Community Care Partners Programme (CCPP) for Parkinson Disease	Tay Kay Yaw , National Neuroscience Institute, Singapore
	CCPP Certificate Presentation Ceremony	
Plenary Session 1 0900 – 1000	Management of Non-Motor Symptoms in Parkinson Disease	Martin J McKeown , University of British Columbia, Canada
	Falls in Parkinson Disease	Alfonso Fasano , University of Toronto, Canada
1000 – 1030	Tea Break	
Plenary Session 2 1030 – 1200	Clinical Manifestations, Classification, and Diagnosis of the Dystonias	Hyder A Jinnah , Emory University School of Medicine, USA
	Advances in Deep Brain Stimulation (DBS) Surgery for Movement Disorders	Andres Lozano , University of Toronto, Canada
	TBC	TBC
1200 – 1330	Lunch	
Parallel Sessions 1330 – 1530	Parallel Session D: Imaging in Parkinson Disease and Movement Disorders	
	The Role of Imaging in the Diagnosis of Parkinsonism and Movement Disorders	Chan Ling Ling , Singapore General Hospital, Singapore
	The Role of DAT Scan in the Diagnosis of Parkinson Disease	Xie Wanying , Singapore General Hospital, Singapore
	Functional MRI in Parkinson Disease	Martin J McKeown , University of British Columbia, Canada
	Diffusion Imaging in Parkinson Disease: The Good, the Bad, and the Ugly	Wen Ming Ching , National Neuroscience Institute, Singapore
	Parallel Session E: Future Directions in Deep Brain Stimulation (DBS)	
	New Approaches to Deep Brain Stimulation in Parkinson Disease	Alfonso Fasano , University of Toronto, Canada
	Surgery for Psychiatric Diseases	Ng Wai Hoe , National Neuroscience Institute, Singapore
	Twisted and Crooked: Childhood Dystonias	Yeo Tong Hong , KK Women's and Children's Hospital, Singapore
	Artificial Intelligence in Deep Brain Stimulation	Justin Dauwels , Nanyang Technological University, Singapore
	Parallel Session F: Rehabilitation for Parkinson Disease	
	Effects of Combined Repetitive Transcranial Magnetic Stimulation and Treadmill Training on Gait and Motor Performance in Parkinson Disease	Chloe Chung , Tan Tock Seng Hospital, Singapore
	Dance Therapy as Part of Occupational Therapy for Parkinson Disease	Tay Ming Min , Tan Tock Seng Hospital, Singapore
	Major Dietary Issues and Their Management in Parkinson Disease	Joycelyn Er , Singapore General Hospital, Singapore
	Voice and Movement Group Therapy for Parkinson Disease	Geraldine Wee , Changi General Hospital, Singapore
	Effectiveness of Multidisciplinary Care in Parkinson Disease	Shaminian Balakrishnan , Singapore General Hospital, Singapore
	Q & A	All
1530 – 1600	Tea Break	
1600 – 1730	Video Presentations & Closing Comments	
End of Symposium Day 2		

*Programme subject to changes without prior notice.

REGISTRATION FEES

(Amount payable in Singapore Dollars and inclusive of GST)

REGISTRATION CLOSES ON 15 JUNE 2018.

Registration Category	Early Registration Registration and payment must be made before 1 May 2018.	Normal Registration Registration and payment must be made before 15 June 2018.	On-site Registration All Registration and payment received after 15 June 2018 will be considered as on-site registration.
1) Main Symposium (29 and 30 June 2018)			
Physicians and Researchers	S\$220.00	S\$270.00	S\$320.00
Trainees ¹ , Nurses, Allied Health Professionals and other Medical Professionals	S\$140.00	S\$190.00	S\$240.00
NNI-CCPP Partners ²	S\$100.00	Follow rates of respective categories	
2) Pre-Symposium Seminars (28 June 2018)			
A) Translational Research in Parkinson Disease and Related Movement Disorders			
B) Deep Brain Stimulation (DBS) Surgery			
With registration for Main Symposium	S\$30.00/Seminar		
Without registration for Main Symposium	S\$60.00/Seminar		

CALL FOR ABSTRACTS - POSTER AND VIDEO PRESENTATIONS

Submission Deadline: 16 April 2018

Participants are invited to submit abstracts for poster presentations or videos presentations of patients with movement disorders, who have interesting diagnostic or management issues. All abstracts must be submitted electronically together with the Registration Form. Abstract Submission Form can be downloaded on <https://www.nni.com.sg/education/events/Pages/SIPDMDS.aspx>

NOTE:

* All prices quoted are in Singapore Dollars (SGD) and are inclusive of GST. * This symposium is for healthcare professionals only.

¹ Trainee/Student identification or proof of qualifying trainee/student status MUST accompany the registration form to qualify for Trainee/Student fees. Proof of status is also required when registering on-site.

² NNI-CCPP: Partners of NNI-Community Care Partners Programme (CCPP).

IMPORTANT INFORMATION

How to Register

• **By Mail Registration:** Print a copy of the registration form and mail to the Secretariat. Complete the form and mail it along with supporting letters or documents, where applicable and payment. Complete one form per participant. Please make a copy of your completed form (for your records) before mailing.

• **By Email:** Send your completed form and supporting letters or documents, where applicable to nni_secretariat@nni.com.sg. The Organiser is not responsible for electronic messages not received due to mechanical failure or circumstances beyond our control.

Trainee/Student Registration Fee

Trainee/Student identification or proof of qualifying trainee/student status MUST accompany the registration form to qualify for Trainee/Students fees. A letter from the head of department confirming the applicant's trainee status must accompany the "Trainee" registration form. Proof of status is also required when registering on-site.

Confirmation of Registration

Confirmation of registration will be issued upon receipt of completed Registration Form with relevant supporting documents and full payment. Please bring this confirmation to the Registration Desk at the Conference as proof of your registration.

Cancellation and Refund Policy

Notification of cancellation must be sent in writing to the NNI Secretariat. Registration fees are non-refundable.

Liability and Disclaimer

The registered delegate acknowledges that he/she has no rights to lodge any claims against the 8th Singapore International Parkinson Disease and Movement Disorders Symposium Organiser should the Conference be hindered or prevented to occur by any unexpected political, economic or pandemic events, or generally by force majeure, or by the non-appearance of scheduled speakers or other reasons that necessitate programme changes. With registration, the delegate accepts this provision.

Every attempt will be made to present the programme as printed. However, the 8th Singapore International Parkinson Disease and Movement Disorders Symposium Organiser reserves the right to modify, or cancel, without prior notice, any of the arrangements, programmes or other items relating directly or indirectly to 8th Singapore International Parkinson Disease and Movement Disorders Symposium, for any cause beyond its reasonable control. The Organiser is not liable for any loss or inconvenience caused as a result of such alteration. In the event of cancellation of 8th Singapore International Parkinson Disease and

Movement Disorders Symposium, all prepaid fees will be refunded in full. However, the Organiser is not liable for any loss or inconvenience caused as a result of such cancellation.

Insurance

The Organising Committee is not liable for any personal accidents, loss/damage of private properties of registered participants during the conference. Participants should make their own arrangements with respect to personal insurance.

Letter of Invitation

Applicants requiring an official letter of invitation for the purpose of obtaining a visa or permission to attend the 8th Singapore International Parkinson Disease and Movement Disorders Symposium may submit the request to the Secretariat. The letter of invitation is not a commitment from the Organiser to provide any kind of financial support, hosting arrangement, nor does it guarantee an entry visa will be issued. The letter will be issued to the requesting delegate only after the registration fee has been paid in full. Expenses incurred are the sole responsibility of the applicant.

The Secretariat may require 2 – 3 weeks to process the request. We recommend that you apply at least 2 months in advance.

Entry Visa Application and Validity of Passport

The registered delegate should have a valid passport, onward/return tickets, onward facilities (e.g. visas, entry permits, etc.) to their next destination and sufficient funds for stay in Singapore. National passport holders of most countries are permitted to stay in Singapore for up to 14 days without visas. However, visas may be required for visitors from some other countries and participants are requested to clarify these before travelling to Singapore. We recommend applying at least 3 months in advance. Please visit the Singapore Immigration & Checkpoints Authority website for more information on entry visas: <http://www.ica.gov.sg>.

Personal Data Protection Act (PDPA)

By submitting the registration, the registered delegate give consent to the use of his/her data in accordance with the PDPA. The registered delegate agree and consent that NNI, SingHealth and its related entities may communicate with the delegate with regards to: a) continuing medical education; and b) healthcare educational conferences/congresses via text message, voice calls, electronic mail or other means which NNI, SingHealth and its related entities (as the case may be) may deem appropriate at the contact details set out in the application.

PLEASE RETURN THE COMPLETED FORM WITH PAYMENT TO:

c/o National Neuroscience Institute, 11 Jalan Tan Tock Seng, Singapore 308433

PARTICULARS – Please write clearly in **BLOCK LETTERS** and return the completed form with payment.

Surname/Family Name: _____ First/ Given Name(s): _____

Designation: _____ Department: _____

Name of Institution: _____ Address: _____

City: _____ State/Province: _____ Country: _____ Postal Code : _____

Tel: _____ Fax: _____ Email: _____

Please write clearly in BLOCK LETTERS how you would like your name to appear on the Certificate of Participation:

MCR No : _____ RN No : _____
(For local doctors only) (For local and foreign nurses working in Singapore)

Registration Category	Early Registration Registration and payment must be made before 1 May 2018	Normal Registration Registration and payment must be made before 15 June 2018.	On-site Registration All Registration and payment received after 15 June 2018 will be considered as on-site registration.
1) Main Symposium (29 to 30 June 2018)			
Physicians and Researchers	☐ S\$220.00	☐ S\$270.00	☐ S\$320.00
Trainees ¹ , Nurses, Allied Health Professionals and other Medical Professionals	☐ S\$140.00	☐ S\$190.00	☐ S\$240.00
NNI-CCPP Partners ²	☐ S\$100.00	Follow rates of respective categories	
Note: *All prices quoted are in Singapore Dollars (SGD) and are inclusive of GST. *This symposium is for healthcare professionals only. ¹ Trainee/Student identification or proof of qualifying trainee/student status MUST accompany the registration form to qualify for Trainee/Student fees. Proof of status is also required when registering on-site. ² NNI-CCPP: Partners of NNI-Community Care Partners Programme (CCPP)			
2) Main Symposium Parallel Sessions – Please select only ONE Parallel Session for each day			
Day 1 – 29 June 2018 ☐ A ☐ B ☐ C		Day 2 – 30 June 2018 ☐ D ☐ E ☐ F	
3) Pre-Symposium Seminars (28 June 2018) - Please select only ONE			
☐ Seminar A - Translational Research in Parkinson Disease and Related Movement Disorders			
☐ Seminar B - Deep Brain Stimulation (DBS) Surgery			
With registration for Main Symposium	☐ S\$30.00	Without registration for Main Symposium	☐ S\$60.00
ABSTRACT SUBMISSION			
☐ I would like to submit an abstract for Poster Presentation. ☐ I would like to submit a video for Video Presentation. All abstracts must be submitted electronically together with the Registration Form and the Abstract Submission Form. Submission deadline is 16 April 2018.			

PAYMENT METHOD AND AUTHORISATION (Please note that bank charges are the responsibility of the payee and should be paid at source.) **TOTAL PAYMENT AMOUNT :** _____

☐ **Bank Draft or Local Cheque :**
Bank Name & Cheque/Bank Draft No: _____
for SGD\$: _____ (Payable to "National Neuroscience Institute of Singapore Pte Ltd")

Payment by Cheque / Bank Draft must quote on the back of the Cheque / Bank Draft:
~The delegate name ~ 8th Singapore International Parkinson Disease and Movement Disorders Symposium

☐ **Bank Transfer**
For payment by bank transfer, please provide the following details:

Date of Transfer: _____ Transaction No.: _____

Payment of registration fee by bank transfer is to be made to:
(Note: Registration fee excludes bank or transfer charges. Any bank charges incurred is payable by the applicant.)

Account Name: National Neuroscience Institute of Singapore Pte Ltd
Bank: DBS BANK **Address:** 12, Marina Boulevard, Level 3 MBFC Tower 3, Singapore 018982
Bank Code: 7171-028 **Bank Account:** 028-010067-1 **Swift Address :** DBSSSGSG

☐ Credit Card

I authorise the payment of registration fee by VISA or MasterCard.
