The Symposium

The Inn at Bay Harbor

Bay Harbor, Michigan

15th Annual Update in Internal Medicine Selected Topics and Controversies July 31 - August 2, 2015

Target Audience

Internists, Family Medicine and Primary Care Physicians

Educational Objectives

The course will provide in-depth presentations and workshops examining commonly encountered medical conditions with emphasis on prevention and new treatment alternatives. The goal is to help primary care providers with assessment, selection of treatment and practical application. At the conclusion of the conference, the attendee will:

1. Have an improved knowledge base and be able to discuss the clinical aspects of the disorders presented in the meeting in order to improve the quality of care provided to patients.
2. Interact and question speakers on a variety of clinical scenarios.
3. Identify health issues related to topics covered which impact patients.

Sponsor

This symposium is sponsored by the Department of Internal Medicine, Wayne State University School of Medicine.

Location

Housing and meeting facilities will be at the Inn at Bay Harbor, 3600 Village Harbor Drive, Bay Harbor, Michigan 49770. Phone: (231) 439-4000. For additional information see www.innatbayharbor.com
