CDSA 2023 ANNUAL ANESTHESIA MEETING

THE WESTIN COSTA MESA WEDNESDAY, MARCH 1

IN PERSON ● LIVE STREAM ● ON DEMAND

This Course Provides Eight Continuing Education Units for Your Anesthesia Permits

Reminder: There is No CDSA Annual Anesthesia Meeting in San Jose in 2023
The Next CDSA Annual Anesthesia Meeting in San Jose is Wednesday, March 6, 2024

CDSA IS THE CALIFORNIA LEADER FOR ALL DENTAL OFFICE ANESTHESIA

CDSA Provides:

Current information on anesthesia, sedation and pain control for providers of Oral Conscious Sedation, Moderate (Conscious) Sedation and General Anesthesia.

CDSA CE Units are Accepted by:

- Dental Board of California for Permit and Certificate Renewal
- Medical Board of California for AMA PRA Category 1 Credit

Mission Statement

The mission of the California Dental Society of Anesthesiology is to promote safe and effective patient care to providers of anesthesia, sedation and control of anxiety and pain for dental patients.

Continuing Education Provider for the Dental Board of California

The California Dental Society of Anesthesiology is recognized by the Dental Board of California as an approved continuing education provider for General Anesthesia, Moderate (Conscious) Sedation and Oral Conscious Sedation Adult and Minor. Permit No. RP 3727

www.cdsahome.org
www.adsahome.org

IF YOU ARE NOT A MEMBER OF CDSA

CDSA encourages all providers of dental care to support anesthesia in dentistry in California. If you administer Oral Conscious Sedation, Moderate (Conscious) Sedation or General Anesthesia in your office and you want current information on Anesthesia, Sedation and Pain Control: You will want to join the fastest-growing dental education organization in California**: CDSA.**

Andrea Fonner DDS
2023 Presenter of the
John Yagiela Memorial Lecture

John A Yagiela DDS PhD
1947 – 2012

Keynote Speaker
Peter Kudenchuk MD

Peter Kudenchuk MD is a Professor of Medicine in the Division of Cardiology, section of Cardiac Electrophysiology at the University of Washington, and Medical Program Director for King County Medic One. He is a cardiac electrophysiologist whose interests include sudden cardiac arrest and cardiac resuscitation, implantable devices such as pacemakers and defibrillators, and the clinical management of cardiac arrhythmias. Dr Kudenchuk serves on the Advanced Life Support Task Force for the International Liaison Committee on Resuscitation and the American Heart Association Advanced Cardiac Life Support Guidelines Writing Group. He is principal investigator at the University of Washington for the National Institutes of Health Strategies to Innovate Emergency Care Clinical Trials Network. Dr Kudenchuk maintains a clinical cardiology practice

Gary Chan DDS completed his OMS residency and dental anesthesiology residency at Loma Linda University. He is president of the California Dental Society of Anesthesiology and a director of the National Dental Board of Anesthesiology. He has a private OMS practice in Redlands.

Alan Felsenfeld MA DDS was appointed to the Dental Board of California by Governor Gavin Newsom. He is current DBC president. He was editor-in-chief of the Journal of the California Dental Association. He is Senate Emeritus Professor of Clinical Dentistry at the UCLA School of Dentistry.

Andrea Fonner DDS received her dental degree at University of the Pacific and GPR at the University of Washington. She completed her training in dental anesthesiology at UCLA. She is the president of the American Dental Board of Anesthesiology and has served on the ADSA board of directors for five years.

William Gottschalk DDS completed two residencies: a general practice-hospital practice residency at LA County/USC Medical Center, also an anesthesiology residency at the Medical College of Pennsylvania, He served on the faculty at the USC School of Dentistry. He is the owner of Alpha Anesthesia Seminars.

Alan Kaye DDS is Immediate Past President of the California Association of Oral and Maxillofacial Surgeons, CDSA and the Los Angeles Dental Society. He was appointed to the Dental Board of California by Governor Gray Davis and was president for 18 months. He has a private OMS practice in Beverly Hills.

Robert Merin DDS MS received his dental degree from UCLA; MS in periodontics from Loma Linda. He is past president of the California Society of Periodontists, current board member and program chairman of CDSA, and first author of the Sedation Chapter in Newman and Carranza's Clinical Periodontology.

Christine Quinn DDS MS received her dental degree from the USC School of Dentistry and her MS in Dental Anesthesiology from The Ohio State University School of Dentistry. She is full-time faculty and Clinical Professor of Dental Anesthesiology at the UCLA School of Dentistry.

David Rothman DDS received his dental degree from NYU College of Dentistry, general practice residency from Albert Einstein Medical Center, anesthesiology residency at the Medical College of Pennsylvania, followed by a residency in pediatric dentistry at Children's Hospital Oakland and UC San Francisco.

Rick Ritt BS MA EMT-Paramedic is president and consultant for Dental Simulation Specialists. He developed this program which provides in-office high fidelity clinical/educational simulation for emergency airway management of the sedated patient. He has experience as a paramedic for over 40 years.

Bruce Whitcher DDS received his training at UCSF School of Dentistry and OMS residency at Harbor-UCLA Medical Center. He was appointed to the Dental Board of California by Governor Arnold Schwarzenegger and was president for two terms. He is dental director of the San Luis Obispo Noor Dental Clinic.
