NEW THIS YEAR!

MOCA 2.0[®] credit will be offered. MOCA 2.0[®] is a trademark of the American Board of Anesthesiology[®].

This conference includes 1 credit in Hospice, Palliative Care, Pain Management.

Course Description

Please join us for this 22nd annual conference! This conference will provide anesthesiologists, nurse anesthetists, and anyone with an interest in the field of anesthesia with practical reviews and timely informative clinical updates on a variety of topics of current interest. Participants will be able to identify and discuss recent developments and trends through comprehensive didactic sessions. Faculty includes recognized experts in their fields, both on a national level and from the University of Vermont. The atmosphere will be friendly and informal and there will be ample time for questions and discussion with faculty and colleagues.

Course Objectives

- Discuss the risks of anemia versus the risks and benefits of RBC Transfusion.
- Discuss how to choose the appropriate tidal volumes.
- Discuss the epidemiology of NORA safety.
- Discuss the goals and objectives of enhanced recovery protocols.
- Discuss the risk factors associated with postoperative sore throat.
- Discuss new ideas in epidurals and conversion to anesthesia for cesarean delivery.
- Develop a better understanding of the value of informed consent with regard to medical and surgical decision-making.
- Discuss the risk factors for vasoplegic syndrome.
- Discuss and analyze best practices and new rules for prescribing opioids for acute postoperative pain.

Accreditation

The Robert Larner College of Medicine at The University of Vermont is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing medical education for the healthcare team.

The University of Vermont designates this live activity for a maximum of 16 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOCA 2.0[®] credit will be offered after successful completion of the evaluation component for an additional fee of \$20.

This conference includes 1 credit in Hospice, Palliative Care, Pain Management.

Credit for other providers is pending.

Registration

Tuition Fee is \$575 for physicians, \$450 for nurse anesthetists, and \$350 for physicians-in-training for registrations postmarked by February 8th. Fee includes all course materials, continental breakfasts, coffee breaks each day, and the Johns' Fund Reception on Saturday evening. Refunds, minus an administrative fee of \$75, will be made only if notice of cancellation is received in writing by **February 8, 2017. Refunds are not possible after that date.**

Conference Syllabus (Electronic Download)

The conference syllabus will only be available as an electronic download with presentations as PDF files. Please plan to bring your laptop or electronic device with you to the conference to view both the conference materials as well as to complete the online conference evaluations via the UVM CME credit system. You will receive an email notification (via the email you used to register for this conference) about a week prior to the conference start date that presentations will be available for downloading. Please note: Printed syllabus, paper copies of evaluations and paper CME certificates will no longer be provided.

Hotel Information

A block of beautifully appointed rooms has been reserved at the Stowe Mountain Lodge in Stowe, Vermont. Please make your reservations directly with the Lodge (802-760-4755 or 888-478-6938) prior to January 22, 2017 and indicate your participation in the Anesthesia Conference to receive special discounted rates: \$305 plus 10% state and local tax for single or double occupancy for studio accommodations. Suites are also available for an additional cost. There is a \$15 daily parking charge. **Room rates cannot be guaranteed after January 22. To ensure room choice and availability, it is recommended that you make your room reservations as soon as possible.**

Transportation

Stowe is 10 minutes north of exit 10, I-89 on Route 100. The local roads leading to the Stowe Mountain Lodge are clearly marked. Burlington International Airport at Burlington, Vermont is served by several major airlines. Car rental or taxi to Stowe is available. Consult your travel agent or air-line reservation desk for information. You may wish to rent a car for the 45 minute trip from Burlington to the hotel and to take advantage of the many fine restaurants and shops in Stowe Village and the surrounding area.

Leisure Time

The Stowe Mountain Lodge offers extensive recreational facilities and superb artisan inspired cuisine. A world class spa, heated pool with swim out access and full service fitness center are located on-site.

The Trapp Family Ski Touring Center, one of the finest in North America, is available a short distance from the Stowe Mountain Lodge. Complete equipment rental is available as well as instructions (group or private).

The best in alpine skiing is found at Stowe's Mt. Mansfield and Spruce Peak complex. Discounted ski ticket vouchers will be available at registration. Vouchers may be used toward single or multi-day tickets. One voucher will be required for each ticket you wish to purchase. Payment will be made directly to the Mountain at the time of purchase. **Please pre-order by completing the appropriate section on the registration form.** (Discounts are approximately 25% off regular ticket price.) Discount vouchers are also available for rental, lessons, and the Children's Adventure Day Camp.

The Jackson Arena in Stowe Village has public skating hours and Nichols Lodge offers snowmobile rentals and their own trail system. In addition, there are plenty of boutiques and lots of après ski activity in Stowe Village. Call the Stowe Area Association at (802) 253-7321 for information or visit their website at <http://www.gostowe.com>.
