CANCELLATIONS: Cancellations of room reservations accepted without penalty until 7 days prior to arrival. Early departure fees apply. Travel insurance is recommended.

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Austin, Texas and Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of additional related disciplines which both impact and are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

Outline comprehensive patient management plans for the special patient population

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 20.00 hour(s) of ACEP Category I credit.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CEC; AANA Code #1033239; Expiration Date 8/5/16.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Paris Whether you're strolling along the Seine or soaking up city life from a sidewalk cafe, you'll see why Paris is synonymous with the word style. From culinary delights to cultural sights, every one of your senses will be tempted. Famed throughout the world for beauty and variety, the monuments, towers, churches, palaces, archways, bridges, and fountains will transport you back in time.

A sense of romance along the Pont Neuf, a shiver in the catacombs or an exotic mood at the Mosque: Paris is a mix of atmospheres and cultures. From the must-see to the more unusual, all of these relate two thousand years of the capital's history. An essential part of your stay, a cruise along the Seine is not to be missed! As you glide along the water you'll find yourself face to face with splendid museums. Leonardo da Vinci, Raphael, Monet, Rodin, Delacroix, or Picasso—all of these icons of the art world are represented.

When people think Paris, they think fashion. Sophisticated or baroque, the window displays of the superb boutiques are a celebration of beauty, a fantasy of fabulous fabrics, delicate scents and sparkling jewels. Located on the outskirts of Paris, theme parks, zoos, and a safari park await. You will need at least a full day to appreciate their full worth. Of course, you can't miss the Eiffel Tower, the Arc de Triomphe, Versailles, and the Louvre, but be sure to spend a quiet moment in the Jardin de Tuileries and savor an éclair from a patisserie or a glass of Beaujolais in a romantic bistro.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. For availability, please call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Seminars when booking. Booking fee applies. Contact Kellee Kilmer:

Medical Director, Erlanger Institute of Clinical Research
University of Tennessee College of Medicine/
Erlanger Health Systems, Chattanooga, Tennessee
Adjunct Assistant Professor
Division of Cardiology, Department of Medicine
Duke University Center School of Medicine
Durham, North Carolina
Program Coordinator

Course Registration		1AUG16 – 16EMAFR		
TUITION: In USD		MD/DO	CRNA/PA	RN/Others
Early	(Paid by 5/3/16)	\$800	\$700	\$600
Regular	(Paid by 5/3/16)	\$850	\$750	\$650
Daily: 1 st Day Attending		\$245	\$235	\$195
Additional Day(s)		\$210	\$180	\$160

PAYMENT METHODS:
Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWS.

SCHEDULE AND FACULTY CHANGES:
Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:
We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:
\$100 June 2, 2016 to July 2, 2016. No refund after July 2, 2016; however, 50% of tuition paid may be applied toward tuition for another NWS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):
FAP lets you accumulate points based on dollars spent with NWS including net hotel and tuition booked through NWS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWS.

ERRONEOUS PRICING NOTICE:
Northwest Seminars, Northwest Anesthesia Seminars, and Northwest World Wide Travel reserve the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.

To register for this program and reserve your hotel room, please visit our website: www.northwestseminars.com or call (800) 222-6927.
