Join us for the Cleveland Clinic 23rd Annual Pediatric Board Review

Dear Colleague:

I am pleased to invite you to attend our *23rd Annual Pediatric Board Review* on August 28 – September 1, 2017 in Cleveland, Ohio.

This nationally recognized five day course will provide a comprehensive pediatric board review to prepare you for board certification or recertification. The quality and breadth of content is also beneficial for individuals needing a thorough review of basic pediatric clinical information.

There are several unique features that set this review apart from the others. These include the use of an anonymous audience response system, which allows attendees to gauge their knowledge base and become familiar with board-type questions while attending the course. This also allows the lecturer to introduce topics in a question and answer format and highlight board examination-relevant information. In addition, there are general pediatric and specialty-specific board simulation sessions, during which board questions/answers and rationale will be discussed and explained.

Of special value are the study resources available to you. A complimentary App allows you to access speaker slides before, during, and after the review. These slides include the board-relevant questions presented during the course.

Participants are also able to purchase the 5th edition (2017) textbook, *The Cleveland Clinic Intensive Review of Pediatrics* for \$84. This is a comprehensive textbook that specifically focuses on pediatric board review certification and recertification and features board review type questions to help you study.

If you need further information, please feel free to contact me. I look forward to having you join the thousands of pediatricians who have successfully prepared for their boards over the past 23 years!

Camille Sabella, MD
Course Director

Join the thousands of pediatricians who have successfully prepared for their boards over the past 23 years!

By Attending, You Will Be Able To:

- Acquire the core knowledge necessary to pass the pediatric board examination or recertification exam
- Devise a differential diagnosis for a specific patient presentation
- Interpret laboratory findings for a host of clinical presentations
- Construct a therapeutic plan for a specific patient presentation

Who Should Attend?

This board review is directed to physicians preparing for board certification or recertification and those desiring a comprehensive update of basic pediatric clinical information.

Course Director

Camille Sabella, MD

Vice Chair, Education
Pediatric Institute
Director
Center for Pediatric Infectious Diseases
Cleveland Clinic Children's

Comments from Past Attendees:

"Excellent explanations...sample test slides were very helpful in understanding board-type questions."

"This is how all board simulations should be. Nice job!"

"The textbook is very helpful and offers great sample questions."

General Information

Location

Renaissance Cleveland Hotel

24 Public Square
Cleveland, OH 44113
Phone: 216.696.5600

This historic downtown Cleveland hotel is located on Public Square near restaurants and attractions. Our review provides ample space for laptops and note taking and is conveniently connected to Tower City Center's shops, restaurants, and cinema.

Things to Do in Cleveland

Explore fabulous impressionists at the world-famous Cleveland Museum of Art which is free to the public, or explore our hipster neighborhoods with boutiques and trendy restaurants. Also, within walking distance from the hotel are:

- Warehouse District – home to restaurants and evening entertainment: warehousedistrict.org
- East Fourth Street District – House of Blues, bowling, and restaurants featuring Greenhouse Tavern, Lola (home of Iron Chef Michael Symon) and more! east4thstreet.com
- Rock and Roll Hall of Fame & Museum, Great Lakes Science Center, and Aquarium. Visit destinationcleveland.com for additional information on your stay

Check out www.thisiscleveland.com to plan your trip or download the official "Destination Cleveland" App, for a personalized guide to Cleveland's must-see attractions, restaurants and events.

Hotel Accommodations

A limited block of rooms has been reserved at the Renaissance Cleveland Hotel at a special rate of \$125 single/double, plus tax (includes internet) until August 4, 2017. To make your reservation, contact the hotel at 800.468.3571 and identify yourself as being with the Cleveland Clinic Pediatric Board Review or make your reservation online at www.ccfme.org/PedHotel. All rooms are eligible to receive Marriott Reward points.

Information

For further information about this activity, and Americans with Disabilities Act, contact the Cleveland Clinic Center for Continuing Education.

Local: 216.444.9990

Website: ccfme.org/PedReview

Free App for all attendees!

Access presentations anytime, anywhere. Take notes, draw, or highlight.

Study References

Included with your full registration is a complimentary mobile App available for download on tablets and smartphones incorporating presentation slides with note-taking and highlighting ability. Take notes at the activity and continue reviewing when you get home. Final presentations will be updated after the course.

A printed syllabus is also available for purchase for \$100 (mobile app/online syllabus is available at no extra cost). Deadline to order a non-refundable printed syllabus is August 18, 2017. Printed syllabus binders will be available for pick-up at the course. Final presentations will be uploaded to the App.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 47.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

American Board of Pediatrics MOC

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 47.25 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

MOC is only available on full course registration, not per day.

Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.
