CERTIFICATE COURSE

Course ID #18A103

NEURO-DEVELOPMENTAL TREATMENT ASSOCIATION

NDT/Bobath Certificate Course in the Management of Adults with Stroke and Brain Injury

■ LEARNING OUTCOMES

1. Observe, analyze and synthesize effective and ineffective posture and movement and its impact on a client's functional abilities/limitations.
2. Demonstrate integration of course content information within practicum assignment:
 - Postural control
 - Typical/Atypical development/movement analysis in function
 - Evaluation and treatment planning
 - Treatment
 - Analysis and facilitation of movement
 - Parent/caregiver training/home management
 - Team work
 - PT, OT, ST content
 - Neurophysiology
3. Identify components of typical movement and how it relates to the development of: sensory processing, upper extremity, and visual motor function.
4. Problem solve multi-system, and single system impairments as it relates to sensory – motor processing, upper extremity function and visual motor function and chose effective NDT strategies to address identified functional limitations.

Full course attendance is required for successful completion of the course.

* For detailed learning outcomes please go to www.ndta.org/certificate_courses.php and click on "Key to the Course - OT Course Content" link.

■ COURSE OBJECTIVES: Participants will have the opportunity to increase their ability to:

- Apply the principles of NDT to the management of the adult client.
- Better assess and analyze normal and abnormal movement.
- Identify impairments interfering with function.
- Integrate the approach to management with concepts of neuroplasticity, recovery of function, and motor learning theory.
- Develop handling skills useful in facilitating normal function.

■ COURSE SCHEDULE HOURS

8:00 am until 4:30 pm with an hour lunch and two-15 minute breaks. The only exception is the last day; we will finish at 4:00 pm.

■ OT CONTENT CATEGORIES

1. Domain of OT: Performance Skills
2. Occupational Therapy Process: Intervention
3. Professional Issues: Contemporary Issues/Trends

■ SPECIAL NEEDS REQUEST STATEMENT

Please contact the Coordinating Instructor if you are requiring classroom accommodations or modifications because of a documented disability.
