ABOUT YOUR HOSTS

The Podiatry Institute is a non-profit educational foundation that offers a variety of programs, conferences, workshops and postgraduate courses. The Institute has achieved international recognition for its leading role in developing and advancing podiatric medicine and surgery. The faculty members are all volunteers who serve without compensation. They are committed to ongoing education in the area of foot and ankle surgery.

South Carolina Podiatric Medical Association's mission includes promoting and pursuing excellence in all aspects of podiatric medicine; seeking conditions and environments which support optimal practice and patient care; keeping its Members informed about any and all changes in regulations, legislation and other areas that may affect the podiatric medical practice; and more. Please visit www.scpma.us for more information.

This is a PICA approved risk management seminar.

HILTON HEAD ATTRACTIONS

HIGHLIGHTS

Shelter Cove Harbour is a laid-back Mediterranean-style village that combines the Island's best shops, restaurants and waterfront activities in one location. 843.785.1106 www.palmettodunes.com

Harbour Town, surrounding Sea Pines' picturesque yacht basin, features an extraordinary collection of boutiques, stores and galleries. For a stunning aerial view, climb the winding steps to the top of the beloved candy-stripe lighthouse! Kids of all ages won't want to miss nightly performances by legendary singer entertainer Gregg Russell. World-class golf and tennis are just steps away. 843.785.3333 www.seapines.com

Coastal Discovery Museum Indoor and outdoor exhibits, tours and cruises give you hands-on exploring of the history, wildlife, and heritage of Coastal Carolina. 843.689.6767 www.coastaldiscovery.org

NATURE LOVERS

Hilton Head Island Audubon Society Beaches, marshes, lagoons, bike trails, harbours and golf courses throughout the island are areas for birding. www.hiltonheadaudubon.org

Pinckney Island National Wildlife Refuge See a wide variety of wildlife. Walk around the island on the 14 miles of trails, bike or kayak. 843.784.2468 www.fws.gov/pinckneyisland

ADVENTURES

Bike Rentals For mountain bikes, cruisers, kiddie carts, trailers, baby seats, tag-alongs and more.

Riding Tigers 843.686.5833 aaaridingtigers.com

Hilton Head Bicycle Company 843.686.6888 hiltonheadbicycle.com

Pedals Bicycles 843.842.5522 pedalsbicycles.com

Cruises From daytime cruising to enjoying sunsets, dolphin watching or taking sailing lessons, deep sea fishing to crabbing, kayak fishing to paddleboarding, adventure awaits you and your family!

Advanced Sail Catamarans offers the Pau Hana and Flying Circus for FUN for all ages. 843.686.2582 www.hiltonheadislandsailing.com

Captain Mark's Dolphin Cruise 843.785.4558 www.cruisehiltonhead.com

1:00 PM CONFERENCE ADJOURNS

TENTATIVE PROGRAM, SUBJECT TO CHANGE WITHOUT NOTICE

CONFERENCE OBJECTIVES

At the conclusion of the conference, the participant should be able to:

Trauma: The attendee will gain the basic knowledge to recognize, evaluate, diagnose and manage common disorders seen in trauma to the foot and ankle and the long term sequelae in different groups.

Forefoot: The attendee will be exposed to the various options in the repair of hammertoes and to address the options, risks and long term complications of different procedures on the 2nd MPJ.

Hallux Valgus: The attendee will become familiar with all different surgical procedures in the management of hallux valgus and associated deformities and their roles.

Diabetic Foot: The attendee will become familiar with the current treatment options and advanced therapies in treating the diabetic foot.

Heel and Hindfoot: The attendee will discuss the goals and expected outcomes in the rearfoot. This includes soft tissue management, fractures, heel surgery and management of failed tendon surgeries.

Medicine & Topics of Interest: The attendee will gain knowledge and understanding of different products and their cost, diagnosis of carcinoma, understanding of the mechanism of ankle fractures and some less common anatomical variants and procedures.

OUR MISSION

To be a supportive global network of members, colleagues, and friends that enhances the quality of life for patients with foot, ankle, and leg disorders through innovative education, research, and service.
