

Maximized Adhesive Dentistry: **The Level II Anterior Course**

Presented by **Bruce J. LeBlanc, DDS** with **John M. Barksdale, Jr. DDS** and **Mike Robichaux, DDS**
Friday, June 15, 2018
at **LSU School of Dentistry in New Orleans**

at LSU School of Dentistry

1100 Florida Avenue • New Orleans, LA 70119

Phone (504) 941-8193

Course #39-18 • *Lunch provided*

7 hours clinical CDE credit (1 hr lecture/6 hrs participation)

AGD #250 (Restorative Dentistry)

Sign-in & Continental Breakfast: 7:30 - 8:30 am

Course Starts: 8:30 am

Course Ends: no later than 5:00 pm

Overview

This hands-on course provides you with the tools, materials, and techniques of adhesive dentistry so you can create durable, predictable, and esthetic restorations. The practical techniques you learn in this course will enable you to offer your patient cost-effective restorative solutions.

Learning Objectives

After completing this hands-on program, participants should have a better working knowledge of:

- Durable direct composites
- Predictable composites
- Durable porcelain repair system
- Bonding agents; what to choose, what not to choose
- Polishing systems that create routine high shine
- Post extraction single tooth resin bridge for immediate and long-term restoration
- Cementation system
- Composite matrices
- Porcelain repair
- Immediate fixed temporization following extraction
- Unique solutions to esthetic challenges

Registration Fee

\$895 (Dentist)

If you haven't taken this Level II Anterior course or the Level I Foundational Posterior Course previously, Dr. Bruce LeBlanc recommends you take the posterior course on March 23, 2018 first and this anterior course second. To encourage you to do this, you will **save \$169** (i.e., \$89.50 on this course and \$79.50 on the Level I Posterior course) when you register for both courses at the same time no later than **January 31, 2018**. To take advantage of this offer, call **(504) 941-8193** to register. Do not register online.

About the Presenters

Bruce J. LeBlanc, DDS, a general dentist practicing in Baton Rouge and Morgan City, LA, lectures and has written for publications nationally and internationally on the subject of maximized adhesive solutions. He will present the adhesive lecture and the 6-hour hands-on component of the course.

John M. Barksdale, Jr., DDS, a general dentist practicing in Baton Rouge, LA, is an AACD-accredited member with fellowships in implant dentistry. He lectures nationally on concepts that combine esthetic excellence with implant placement. He will present techniques for immediate temporization of extraction sites with fixed long-term temporization, using maximized adhesive techniques.

Mike Robichaux, DDS, a general dentist practicing in Slidell, LA, lectures nationally on practice concepts that build trust between dentists, staff, and patients with lower practice stress. His presentation focuses on the use of photography combined with emotional intelligence behavioral skills.

Cancellation & Refund Policy: The Louisiana Academy of Continuing Dental Education, Inc./ (d/b/a: LSU Health New Orleans Continuing Dental Education) reserves the right to cancel any course should circumstances warrant such action. In the event a course is cancelled, the Academy will refund the full tuition. If you cancel your registration for this course, the Academy will refund the tuition you paid (minus an administrative cancellation fee). We must receive your written cancellation request **no later than May 18, 2018** by mail, fax at (504) 941-8403, or email at info@lsucde.org. If LSU Health New Orleans CDE receives notification of your cancellation after May 18, 2018, this will result in forfeiture of the entire tuition. **Nonrefundable Airline Ticket, Flight Change, or Hotel Reservation:** The Louisiana Academy of Continuing Dental Education, Inc./ (d/b/a: LSU Health New Orleans Continuing Dental Education) cannot be held responsible for the cost of a nonrefundable airline ticket, flight change, or hotel room reservation in the event a course is cancelled or rescheduled. **New Knowledge Related to Dental Practice:** Dental education and dental continuing education programs have an obligation to disseminate new knowledge related to dental practice. In so doing, some presentations may include controversial materials or commercial references. Participants are cautioned about the potential risks of using limited knowledge when incorporating techniques and procedures into their practices, especially when the course or program has not provided them with supervised clinical experience in the technique or procedure to ensure that they have attained competence. Providership or partial providership of a continuing education course by LSU Health New Orleans Continuing Dental Education does not necessarily imply endorsement of a particular philosophy, procedure, or product. **Please: NO RECORDING DEVICES IN LECTURE ROOM OR LAB, AND TURN MOBILE PHONES OFF.**

Hotel Accommodations

Please call (504) 941-8193 to inquire about possible hotel room block availability.

LSU Health New Orleans Continuing Dental Education is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
