REGISTRATION

Registration must be completed online at <https://ilcalive.org/registration>

FREE Registration for STUDENTS!

ILCA supports research in all liver cancer-related disciplines by encouraging young scientists, students, and trainees to develop their careers in liver cancer research. As a result, we are pleased to offer 50 free conference registrations to students and trainees.

Hurry up, the spaces are filling fast!

If you are a student, PhD student, or trainee and would like to take advantage of this opportunity, please send an email to ILCA at info@ilca-online.org with the subject "Student ILCA 23" including the required documents.

To be eligible for a **free Annual Conference 2023** student registration must present:

- Students/Undergraduates: Student ID including a date of validity.
- Trainees/Residents/PhD Students: Letter attesting your status, signed by the programme director

17:30 - 18:30	Industry Symposium
18:30 - 19:30	Meet the Experts - Young Investigator Club Chair: Amanda Craig, PhD (USA) Session Experts: • Tim Greten, MD (USA) • Ana Lleo, (Italy) • Jean Charles Nault, MD, PhD (France) • Amit Singal, MD (USA) • Xin Wei Wang, PhD (USA) • Jessica Zucman-Rossi, MD, PhD (France)
19:30 - 20:45	Poster Tour & Welcome Reception

DAY 2 | Friday, 8th September 2023

08:30 - 09:30	Breakfast Industry Symposium (breakfast available from 08:00)
09:30 - 10:30	Basic Symposium - Spatial omics Introduction from Chairs • Martin Guillems, PhD (Belgium) Applying spatial multi-omics to unravel cell-cell interactions in liver cancer • Xin Wei Wang, PhD (USA) Spatial Proteogenomics of Hepatic/HCC landscape • Qiang Gao, MD, PhD (China) Geospatial Immune Heterogeneity Reflects the Diverse Tumor-Immune Interactions in Intrahepatic Cholangiocarcinoma • Questions & Answers

10:30 - 11:00	Coffee Break & Networking
11:00 - 11:30	ILCA Advocacy Chair: Bruno Sangro, MD, PhD (Spain) Telemedicine to improve cancer patients outcomes and experience
11:30 - 12:00	Presidential Address and Awards Ceremony Nelson Fausto Award and Junior Investigator Awards
12:00 - 13:00	General Session 2: Epidemiology, Staging and Prognosis 4 oral presentations from ILCA AC 2023 accepted abstracts
13:00 - 14:00	Lunch Industry Symposium
14:00 - 15:00	ILCA Debates Debate 1: Topic Basic/Translational: Treatment response biomarkers: liquid biopsy vs tissue biomarkers? Tim Greden, MD (USA) and Valerie Chew, MD, PhD (Singapore) Debate 2: Topic Clinical: Which should be first option in HCC? Atezo/bev vs durva/treme Richard Finn, MD (USA) and Katie Kelley, MD (USA)
15:00 - 16:00	General Session 3 - Surveillance and diagnosis 4 oral presentations from ILCA AC 2023 accepted abstracts
16:00 - 16:30	Coffee Break & Networking & ILCA Hub
16:30 - 17:30	Tumor Board Chairs: - Amit Singal, MD (USA), - Richard Finn, MD (USA) Experts: - Anjana Pillai, MD (USA) - David Pinato, MD, PhD (UK) - Karim Halazun, MD (USA)
17:30 - 18:30	Industry Symposium
18:30 - 19:00	ILCA Masterclass: Clinical trial design (treatment and/or biomarker) Chairs: - David Pinato, MD, PhD (UK), - Marco Sanduzzi, MD (Spain) Clinical trial design (treatment and/or biomarker) Expert: Jordi Bruix, MD (Spain)

DAY 3 | Saturday, 9th September 2023

08:30 - 09:30	Industry Symposium
09:30 - 10:30	Cholangiocarcinoma Educational Symposium <u>09:30 - 09:35</u> Session chairs introduction <u>09:35 - 09:50</u> Ana Lleo, (Italy) Single-cell profiling of iCCA <u>09:50 - 10:05</u> Jesper Andersen, MD, PhD (Denmark) On blood-based surveillance <u>10:05 - 10:20</u> Rachna Schroff, MD, MS (USA) New systemic therapy options for iCCA <u>10:20 - 10:30</u> Questions & Answers
10:30 - 11:00	Coffee Break & Networking & ILCA Hub
11:00 - 11:30	Basic State of the Art Tim Greten, MD (USA) Unraveling the Complexities of Immunotherapy in Hepatocellular Carcinoma: Insights from Basic Science Research
11:30 - 12:30	General Session 4: Therapy & Miscellaneous 4 oral presentations from ILCA AC 2023 accepted abstracts
12:30 - 13:15	ILCA Radiology Session · Bachir Taouli, MD (USA) New imaging techniques for hepatocellular carcinoma surveillance: abbreviated MRI and future directions · Sabine Colnot, PhD, HDR (France) Functional imaging in HCC: predicting molecular alterations with PET · Azusa Kitao, MD, PhD (Japan) Radiogenomics and Radiomics in Liver Cancers for prediction of prognosis Questions & Answers
13:15 - 14:00	Lunch Break & ILCA Hub

DAY 3 | Saturday, 9th September 2023

14:00 - 15:00	Shark Tank: Young Investigator research competition Chairs: · Laura Kulik, MD (USA) · Amit Singal, MD (USA) 5 young investigator candidates will be selected to present a 5-minute elevator pitch style research proposal. Proposals can be clinical or translational in nature but should generally be achievable in a one-year period.
15:30 - 16:00	ILCA/EASL - Joint Symposium: New frontiers for immunotherapy in hepatocellular carcinoma Chairs: · Stephen Chan, MD, PhD, FAHA (Hong Kong) · Jean Charles Nault, MD, PhD (France) · Maria Reig, MD, PhD (Spain) Immunotherapy in the setting of liver transplantation for HCC · Hui-Chuan Sun, MD (China) Unresectable to resectable HCC: Hype or reality · Mark Yarrow, MD (USA) Predictive biomarker for immunotherapy in HCC Questions & Answers
16:00 - 16:10	Closing Address ILCA President: Jessica Zucman-Rossi, MD, PhD (France)
16:15 - 17:15	General Assembly ILCA members only
