ABOUT AMSC

AMSC Hong Kong represents a significant international expansion of the esteemed Aesthetic Medicine & Surgery Conference & Exhibition, a well-established event in Malaysia for the past two years. With annual editions, including the highly anticipated gathering in 2024, this extension mirrors the success of its Malaysian counterpart. The coordination efforts are led by the Malaysian Society of Aesthetic Medicine and the well-experienced M.I.C.E. event organizing company, Deltus Sdn Bhd. Renowned for its extraordinary success in Malaysia, the Aesthetic Medicine & Surgery Conference & Exhibition (AMSC) has evolved into the premier event in the field, attracting top-tier companies, experts, and participants from across the globe to Kuala Lumpur, Malaysia. Building on this legacy, we are enthusiastic about introducing the inaugural edition, AMSC HONG KONG, as we extend our reach and host this prestigious event in a new international setting.

Why Exhibit?

As a part of the Greater Bay Area, Hong Kong has a rich economic history and becoming a more and more demanding destination for international businesses looking to expand. If you would like to capture the attention of this region by showcasing your innovations, AMSC Hong Kong is the perfect destination for you to make a stop.

Attending AMSC Hong Kong is essential for anyone committed to their professional development, especially considering the evident increase in demand for aesthetic procedures in Hong Kong, China and surrounding countries. Those who are actively involved in growing their professional development and staying up to date with industry advancements will find our newest AMSC in Hong Kong particularly appealing.

As exhibitors, you have an exceptional opportunity to engage with this discerning audience by offering them custom-tailored innovative solutions! Make the most of this chance to introduce your products and services, educate potential customers about your value proposition, and forge successful business relationships.

Why Hong Kong ?

AMSC HONG KONG: Introducing the Aesthetic Medicine & Surgery Conference & Exhibition (AMSC) in Hong Kong on 16-17 December 2024. Situated as a connecting bridge in the heart of China's well-established market, this event offers a unique opportunity to learn about the latest developments in innovative aesthetic medicine. Hong Kong, a major centre in the Asia-Pacific region, uses its vast financial network to support professionals and companies in a variety of industries. By taking part in this conference and exhibition of medical aesthetic, you will get the chance to network and advance professional practice. Learn from well-known speakers, make connections with industry colleagues, and get direct access to a variety of innovative exhibitor offers from all around the world.

Geographically Strategic

Hong Kong, as a gateway to the Greater Bay Area, which includes major cities like Shenzhen, Guangzhou, and Macau. As the most open and international city in the GBA, Hong Kong's status as a global financial, transportation, and trade center, coupled with its renowned professional services, makes it an ideal platform for the convergence of the international aesthetic industry. This prime location facilitates seamless connectivity, promoting the flow of people, goods, capital, and information within the Greater Bay Area and enhancing the appeal of Hong Kong as a central destination for global aesthetic professionals.

Tax-friendly Region

Hong Kong, with its favourable tax environment and competitive tax rates, serves as an attractive location for businesses. Notably, it does not impose value-added tax (VAT) or general sales tax, providing a competitive edge for companies. This tax-friendly atmosphere makes Hong Kong an appealing destination for hosting events like aesthetic congresses, offering benefits to businesses seeking international exposure and collaboration.

Center of Aesthetic Excellence

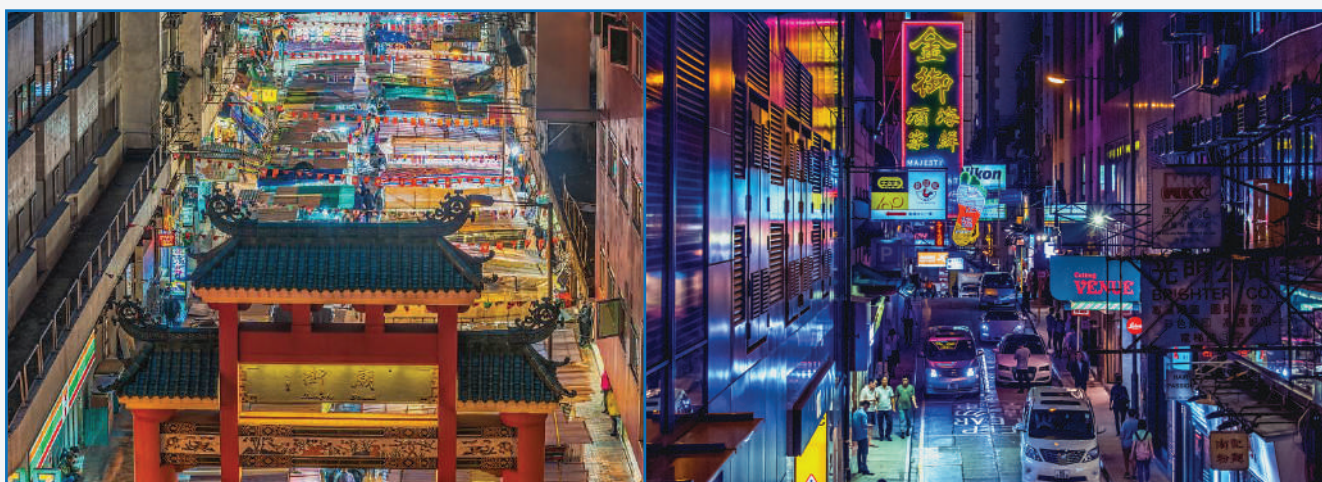

Renowned for its world-class medical facilities and accomplished practitioners, Hong Kong stands as a center of excellence in aesthetic medicine. Choosing Hong Kong as a location emphasizes a commitment to hosting events in a city synonymous with quality and advancements in the field.

Holistic Appeal

Hong Kong's appeal goes beyond the professional realm. Delegates can enjoy a blend of cultural richness, diverse culinary experiences, efficient transportation, and world-class hospitality. The city provides a holistic backdrop, ensuring a memorable and enriching experience for participants, both professionally and personally.
